PLANNING AND DEVELOPMENT REVIEW

2019-2020 Annual Report to Virginia State Historic Preservation Office City of Richmond Section 106 Review of Undertakings for the period July 1, 2019 through June 30, 2020

Please accept the following materials in fulfillment of the Programmatic Agreement requirement that the City of Richmond shall annually compile a report of all undertakings reviewed by the City for the twelve-month period ending June 30.

Annual Report Components:

- Report Narrative
- Undertakings the City completed in consultation with the SHPO
- Undertakings the City completed without consultation with the SHPO in accordance with Stipulations IV (C) 1, IV (D) 2, and V (B) of the Agreement
- Resume of staff that implements the agreement
- Statement of Professional Qualifications

Supplemental Materials

- Summary Reports (2) by finding and activity
- Maps depicting Section 106 Activity for the past year

Report Narrative

In this report and accompanying materials, the City is seeking to fulfill the annual reporting requirements under the Programmatic Agreement.

The two required categorical reports (based on consultation/non-consultation with the SHPO) were generated from the City-maintained Section 106 database and include, for each project, the address of the affected property, the type of undertaking, the finding of effect, the action dates of the Section 106 process, and all comments and conditions pertaining to the conclusion of the review. The City is confident in the accuracy of the content of the reports. The City has included two additional reports that summarize the undertaking types and the finding determinations made over the past year. The City has also included two maps that provide a visual depiction of the distribution of undertakings (activity and finding) city-wide.

During Fiscal Year 2019-2020 a total of 184 undertakings were reviewed by City staff under the Programmatic Agreement. This is a decrease from recent years, which is a reflection of restrictions caused by the COVID-19 pandemic. Many sub-recipients halted inspections and new projects for an extended period of time. Twenty-nine (29) undertakings were reviewed in consultation with the SHPO and one hundred and fifty-four (154) were reviewed without consultation. One (1) project that was submitted to the City was withdrawn. The majority of the undertakings reviewed, one hundred and ten (110), fell into the category of repairs to owner-occupied dwellings. These projects are designed to address serious code and life safety issues for primarily elderly and disabled owners. Much of the work undertaken was covered under the Exempt Activities included in Appendix 8 of the Programmatic

Agreement. The next largest group of undertakings, thirty (30), were projects that were part of the City's lead abatement program. Fifteen (15) projects involved the demolition of buildings. The demolition applications were all related to the redevelopment of the Big 6 public housing developments within the City. Consultation for that project is still ongoing. Six (6) new construction projects and four (4) substantial rehabilitation projects were also reviewed.

The City has also provided the resume of the personnel currently administering the activities contained in the Programmatic Agreement, along with the statement by the SHPO that personnel meets the Professional Qualification Standards in Stipulation I (B) of the Agreement.

The City continues to execute the new Programmatic Agreement with no problems identified. The new Agreement has resulted in fewer applications requiring SHPO concurrence and shorter approval times for certain minor projects. The City continues to work with DHR and other City agencies to improve internal processes and procedures in response to issues identified during a review of a project that resulted in a finding of adverse affect. Impacts from these changes have been positive thus far.

Though not directly related to Section 106 review, the City of Richmond will soon complete the update to the Master Plan and historic preservation has been identified as a key component of that endeavor. City Planning and Preservation staff have been intimately involved in that process. The City has also been recommended for funding from the Emergency Supplemental Historic Preservation Fund (ESHPPF) for a City-wide inventory. Planning for this project should begin during the month of October.

RE: Professional Qualifications – Carey Jones
City of Richmond Programmatic Agreement (PA) for HUD Activities
DHR File No. 2019-0418

Dear Contact,

The Virginia Department of Historic Resources (DHR) is in receipt of a resume for Ms. Carey Jones, as required for compliance with Stipulation I(B) of the *Programmatic Agreement between the City of Richmond and the Virginia Department of Historic Resources (DHR) Regarding the Administration of the City of Richmond's Community Revitalization Programs Funded by the US Department of Housing and Urban Development (HUD)*, executed in 2019. We include said Stipulation below for your reference:

B. Professional Qualifications. *The City shall ensure that all activities related to the identification of historic properties, effects assessment, and mitigation carried out pursuant to this Agreement shall be done by, or under the supervision of, City historic preservation staff who meet the qualifications set forth in the latest revision of the Secretary of the Interior's Professional Qualifications Standards (48 FR 47738-44739). The City shall advise the SHPO if there is any change in the historic preservation staff administering this Agreement.*

Based on our review of her qualifications, we believe that Ms. Jones' education and professional experience meet the requirements of the PA.

Should you have any questions, please do not hesitate to contact me at 804-482-8097 or via email at Laura.Lavernia@dhr.virginia.gov. For continuity, we have kept the initial review number (DHR File No 2019-0418) from our review of the PA. Please reference this number in all future general correspondence related to the Agreement document.

Sincerely,
