RESIST THE TEMPTATION!

Dear Neighbor,

I am pleased to report that we have maintained our trend of year-to-date reductions in overall major crime. However, we continue to be plagued by motor vehicle thefts and thefts from motor vehicles.

While the cooler fall temperatures settle in, our officers will be working diligently to protect your property. You can help by resisting the urge to leave your unattended vehicle running and NEVER leave any keys in your vehicle, not even for a moment. Keyless entry key fobs are easily left behind, so keep them in your pocket instead of your cup holder. Also, please ensure that you remove ALL property from your vehicle. Do not leave change, sunglasses, backpacks, etc. in your vehicle ever. Even if your car doors are locked, leaving property behind can result in a major inconvenience for you and a win for the bad guys.

Sincerely,

Lt. Roberts

28 DAY COMPARISON

During this 28 Day Cycle, we experienced a 19% increase in major crime. This increase was driven mostly by unusually high increases in violent crime, from 4 to 7 and burglaries from 3 to 9. Fortunately, our precinct officers and detectives were able to make arrests in many of these incidents.
