August Newsletter

Thefts from motor vehicles were actually down over the last month. We had a 29% reduction in this crime. Property crime overall rose by 3%, which was predominantly attributed to shoplifting. You can count on seeing more officers around the retail stores based on this trend.

Students have gone back to school, so you should expect to see Richmond Police officers near many of the schools, enforcing speed and traffic laws to ensure the safety of the children.

As a reminder:

Please lock your vehicles and hide your belongings.

The number of Aggravated Assaults is troubling but 9 of those incidents, occurred at one time. There was a shooting in the 6300 block of Midlothian on August 10th. A large number of people, leaving a nightclub, were in the area when the offender began firing a gun.

All people identified in the report are victims, so they all count as separate crimes. **Nine victims equal nine crimes.** Fortunately, our Major Crimes division made an arrest shortly after the incident.
