Hi everyone,
Here's our monthly newsletter. Our sector is still a great place to live and work.

Nextdoor.com is an excellent way for all of us to communicate and discuss the issues that effect our sector. Plus, it gives me the understanding of the needs of the neighborhoods and I can present strategies for you at the community meetings. Always feel free to ask questions or point out concerns with your neighbors by using Nextdoor. I recently posted a message on Nextdoor to all the neighborhoods in the sector. The message stated that if you plan on going out of town for an extended amount of time please stop by the precinct and fill out a House Watch form. This will be given to the patrol units so they can keep an eye on your residence while you are out of town. The form will give the officers the days that you'll be gone and any additional information needed to conduct the house watch.

For those of you that attended Mayor Levar M. Stoney's town hall meeting on July 31, I wanted to thank you. It was held in the Pine Camp civic center. It was the third district town hall meeting with the mayor. The mayor had his department heads in attendance and the audience was encouraged to ask them any questions they may had dealing with issues in the district.

I also wanted to thank all that came out and participated in the National Night Out events on Aug 7. Our sector had the most in the city. It's so nice to see all of us being involved in our neighborhoods and communicating issues that make this sector so special.

Our sector also hosted the NFL's Washington Redskins training camp. I hope everyone got a chance to go by and see the team in action. The team has been practicing and gearing up for the upcoming season. Even if they aren't your team it's still exciting to see the live action right here in our sector.

Now some housekeeping notes. For anyone driving near the VCU area, I'm sure you've seen the return of the student body. They have started to move in and classes start soon. Please be mindful traveling through this area. Richmond Public Schools start soon as well. Tuesday, September 4, to be exact. So please drive safe, look for students walking or biking to school, look for flashing bus lights and the flashing School Zone signs. Let's all try and keep the students safe getting to and from school this year.

I've included a 30-day chart that reflects the crime in Sector 412 for the past 30 days compared to last year at the same period.

I've included a flier that points out some tips on keeping your deliveries and packages safe. Make sure to keep your homes and your vehicles locked and secured. Place all items that will be left in you vehicle in your trunk area, out of plain view. Never leave your vehicle unattended and running as that only invites criminal activity. This seems to be an on-going problem. Remember don't be a victim, we can all do this together.

I thank you all for your time and I'll be sending out a newsletter next month.
Let's all stay focused and let's stay safe.

DON'T BE A VICTIM

NEVER LEAVE YOUR PERSONAL PROPERTY UNATTENDED

The Richmond Police Department in cooperation with your local area restaurants want you to be aware and give you some simple tips to prevent being a victim of crime:

- ❖ Don't leave belongings such as bags and laptop computers unattended.
- ❖ Place items out of sight in the trunk of your vehicle *prior* to reaching your destination. Never leave packages in the passenger compartment unattended.
- ❖ Carry your purse close to your body. Never wrap the strap around your body.
- ❖ When in a restaurant, don't leave your handbag over the back of a chair or stool.
- ❖ Carry your wallet in the breast pocket of your jacket or in your front pants pocket. The back pocket is the easiest to pick.
