Sector 411 had an uptick in violent crime this cycle. We went from seven violent crimes to 15 violent crimes including the murder of Leon Chandler, II (see Page 2 for details). That increase is a bit misleading, however, because we had an incident where five officers were working a crime scene when someone fired shots at them.

Thankfully, none of the officers were injured, but for reporting purposes we had to report the attempted shooting of the officers as 5 separate crimes.

We are taking significant steps to curb the violent crime in Sector 411, which is currently focused on the Providence Park/ Meadowbridge corridor. We have directed patrol operations with our FMT officers. We are also deploying more patrol officers to these neighborhoods during the key nighttime hours.
