February 2020 Newsletter

Hi Everyone! Hope you are enjoying this mild winter and like me, looking forward to spring! I have continued to attend all our community meetings, hearing from everyone and getting to know my community.

Please come out when you can. I have had the pleasure of attending district meetings for Councilman Jones and Councilwoman Larson. I'm looking forward to Councilwoman Lynch's meeting on 3/26.

With everyone working together, we will continue to improve on our quality of life issues and continue the fight on crime!

The Sector 312 community has been fortunate this year to have had a **33% decrease in violent crime**, although we are struggling with property crimes. We've had a **36% decrease in motor vehicle thefts**, but there has been an **85% increase in thefts from motor vehicles** and a **233% increase in shoplifting!!** I'm proud of the low violent crime, but I need to work harder at reducing property crime, and that can only happen with help from the community. Let's look out for each other. Help your neighbor out. If you see something, say something!!

Make sure to always lock your vehicles and never leave valuables in your car. Please put information about our community on Nextdoor.com. Third Precinct is also now on Instagram!! So send us plenty of pictures, especially pictures of you and your neighbors enjoying our beautiful city. Thank you!!
