

Hi everyone,

Here's our monthly news letter. Our Sector is still a great place to live and work.

Nextdoor is an excellent way for all of us to communicate and discuss the issues that effect our Sector. Plus it gives me the understanding of the needs of the neighborhoods, and I can present strategies for you guys at the community meetings. Always feel free to ask questions or point out concerns, with your neighbors, by using Nextdoor. I recently posted a message on nextdoor to all the neighborhoods in the sector. The message stated, if you plan on going out of town for an extended amount of time. Please stop by the precinct, and fill out a House Watch form. This will be given to the patrol units, so they can keep an eye on your residence while you are out of town. The form will give the officers the days that you'll be gone, and any additional information needed to conduct the house watch.

I hope all in the community had a wonderful 4th of July and I hope everyone had fun an enjoyed any activities or events you may have planned, it was a nice day, extremely hot, but a nice day to spend time in our city. Just a reminder, the Mayor has his next town hall meeting scheduled in our sector on July 31st. It will be held in the Pine Camp civic center, it will start at 6:30pm. It's the 3rd districts town hall meeting with the Mayor. Please attend if possible. The Mayor has his department heads in attendance, and the audience is encouraged to ask them any questions you may have dealing with issues in you neighborhoods or issues you may have with the city in general.

Traffic engineering is going to push information out to eductate all of us about the bike lanes. They have printed material that's out there, an a web site detailing all facts and guideline dealing with the bike lanes. The info is for people that use the bike lanes, as well as for citizens that drive through out our sector. Please visit the traffic engineering website or watch the TV commercials that are coming out soon. Let's all be safe on the roads and respect all types of travel.

Also, please be advised the new GRTC Pulse system started June 24th. Please watch out for additional foot traffic on Broad St, moving towards the new bus stops. Also, please pay attention to the new travel lanes. Lanes on Broad St are now dedictated for buses only. It can be confusing, but just drive safely and it can be handled easily.

I've included a 30 day chart that reflects the crime in Sector 412 for the past 30 days compared to last year at the same period.

So, I've included a flyer, that points out some tips on keeping your deliveries and packages safe. Make sure to keep your homes and your vehicles locked and secured. Place all items that will be left in you vehicle in your trunk area, out of plain view. Never leave you vehicle unattended and running, that only invites criminal activity. This seems to be an on going problem. Remember don't be a victim, we can all do this together.

I thank you all for your time, and I'll be sending out a newsletter next month.

Let's all stay focused, and let's stay safe.

Lt Fleming

DON'T BE A VICTIM

NEVER LEAVE YOUR PERSONAL PROPERTY UNATTENDED

The Richmond Police Department in cooperation with your local area restaurants want you to be aware and give you some simple tips to prevent being a victim of crime:

- ❖ Don't leave belongings such as bags and laptop computers unattended.
- ❖ Place items out of sight in the trunk of your vehicle *prior* to reaching your destination. Never leave packages in the passenger compartment unattended.
- ❖ Carry your purse close to your body. Never wrap the strap around your body.
- ❖ When in a restaurant, don't leave your handbag over the back of a chair or stool.
- ❖ Carry your wallet in the breast pocket of your jacket or in your front pants pocket. The back pocket is the easiest to pick.
