### Bring One for the Chipper Christmas Tree Recycling Event

~ The event also includes document shredding, household hazardous waste items and the collection of electronics ~

**WHO:** The Department of Public Works, The Clean City Commission and The Department of Public Utilities

**WHAT:** 14th Annual Bring One for the Chipper Christmas Tree Recycling Event

**WHEN:** Saturday, January 14 from 10 a.m. to 2 p.m.

**WHERE:** 1710 Robin Hood Road (northeast corner of Robin Hood Road and North Arthur Ashe Boulevard)

**BACKGROUND:** The City of Richmond's *E-Cycle Day* offers City residents an efficient option to recycle paper and electronics to help keep hazardous waste materials out of city waterways, streams and rivers. Recycling Christmas trees keeps them out of the landfill and allows them to be re-purposed and used as mulch. This event is available to city residents – proof of residency is required. Please note, this is a drive-thru event. Volunteers will remove items from the cars.
