I. PURPOSE

The purpose of this directive is to establish the policy and procedure for policing the City’s playgrounds, parks and other recreation areas, including the James River.

II. SUMMARY OF CHANGE

This General Order is due for review. *Richmond City code § 8-280 has been referenced in this policy.*

III. POLICY

It is the policy of the Richmond Police Department to provide a safe and secure environment for patrons of the City’s playgrounds, parks and other recreation areas, including the James River, through patrol and enforcement of the city codes.

IV. ACCOUNTABILITY STATEMENT

All employees are expected to fully comply with the guidelines and timelines set forth in this general order. Failure to comply will result in appropriate corrective action. Responsibility rests with the Division Commander to ensure that any violations of policy are investigated and appropriate training, counseling and/or disciplinary action is initiated.

This directive is for internal use only, and does not enlarge an employee’s civil liability in any way. It should not be construed as the creation of a higher standard of safety or care in an evidentiary sense, with respect to third party claims. Violation of this directive, if proven, can only form the basis of a complaint by this department and then only in a non-judicial administrative setting.

V. PROCEDURE

A. Patrolling the City’s Parks, Playgrounds and Other Recreational Areas:

1. In each Precinct, the assigned sector officer shall be responsible for patrolling the parks, playgrounds and recreational sites located in *their* sector area.
2. Requests from outside the Department for intensified police patrols at any playground or park facility will be referred to a supervisor in the Precinct where the affected playground, park or recreational site is located.

B. Hours of Operation of Parks/Penalty for Violations:

All public parks, playgrounds and recreational areas of the City shall be open at sunrise and close at sunset each day of the year except those listed below. (*See Richmond City Code § 8-280.*) Violations shall constitute a Class 4 Misdemeanor.

Exceptions:

1. Ancarrow's Boat Ramp (open for fishing and boat launching/retrieval only, after dark at all hours. Relevant gear must be evident and persons outside of cars.)
2. Mountain bikers with headlights and helmets may cross James River Park areas on foot paths after dark on the way to retrieve vehicles from parking lots. *This also applies to* commuter traffic to and from work.

C. Occupancy at Other Times:

1. All lighted recreational facilities, such as seasonal recreation centers, playgrounds, ball diamonds, tennis courts, park houses and other lighted recreational areas, shall open at sunrise and close at sunset.
2. The Director of Parks, Recreation and Community Facilities or designee may issue permits or other forms of written authorization to allow individuals to use any recreation or park site at other times than ordinarily would be allowed. In addition, the Director of Parks, Recreation and Community Facilities or designee may also close any recreation or park site at anytime, provided that reasonable notice of the fact and the duration of the closing are given to the public.
3. It shall be unlawful for any person other than a police officer of the City or State, an employee of the Department of Parks, Recreation and Community Facilities acting in the scope of employment, or any other City employee acting in the scope of employment and having an authorization from the Director of Parks, Recreation and Community Facilities to go on, into or to occupy a public park, playground or recreation facility or area during hours that it is officially closed. A copy of such authorization shall be forwarded to the Officer-In-Charge (OIC) of the affected Precinct in which the recreational area is located.

D. Restrictions for Other City Parks, Playgrounds and Other Recreational Areas:

Where posted, signs shall indicate what the prohibitions are for that area.

E. Procedure for Excluding Persons from any City Park, Playground or Recreational Facility:

In accordance with the provisions in the City Code § 8-265, “Every person who ceases to be amenable to efforts of any City representative to secure good conduct upon the part of such person or whose department is detrimental to good order or the conduct of such activity or program shall be excluded from and required to leave the playground, area or facility forthwith upon the order of such representative or of any police officer and shall not be permitted to return to any playground, recreation area or recreation facility operated or conducted by the City until the Director of Parks, Recreation and Community Facilities is satisfied that such person will behave in a manner that will not be detrimental to good order and the conduct of recreation activities or programs on such playgrounds, areas or facilities.” Violations constitute a Class 1 Misdemeanor.

1. The officer may give an individual a warning or make an arrest. If the nature of the offense is such that the individual should be excluded from the playground, park or recreational facility, the officer shall advise the person of the City’s “Exclusion Process.”
2. If the individual is excluded, the officer shall compile a PD-117, “Exclusion from any City Recreation Site Form,” give a copy to the excluded individual, and forward for distribution.

The PD-117 shall be distributed as follows:

(The time limit for the exclusion is based upon the nature of the offense.) A copy of the Director’s letter shall be forwarded to the Police Information Desk to be filed. The individual’s PD-117 form shall be destroyed once the exclusion has been rescinded.
2. In order to have the exclusion rescinded at its expiration date, the accused individual must make an appointment to meet with the Director of Parks, Recreation and Community Facilities or designee. If the Director of Parks, Recreation and Community Facilities or designee rescinds the exclusion, the individual shall receive a letter denoting the same. A copy of the Director’s letter shall be forwarded to the Police Information Desk to be filed. The accused individual’s PD-117 form shall be destroyed, once the exclusion is rescinded.
3. If an officer makes an arrest at a recreational site or observes an individual at a recreational site from which the officer suspects the individual has been

excluded, the officer shall contact the Police Information Desk to determine if the individual has a valid PD-117 form on file.

4. If it is determined by the Police Information Desk personnel that the accused individual has a PD-117 on file and the date of the exclusion is still valid, the officer shall arrest the individual for trespassing, which constitutes a Class 1 Misdemeanor.
5. If the Police Information Desk personnel do not find a PD-117 for said individual or the exclusion has been rescinded by the Director of Parks, Recreation and Community Facilities and the nature of the present offense is such that the individual should be excluded, the officer shall arrest the individual for the present offense, if applicable, and fill out a PD-117 form and distribute as indicated on the form.
