

## University of Richmond (UofR) Dorm Address Guide

**Important:** Residential addresses must include your dorm/apartment number, and your mailing address must use your assigned UR Box number when required. These numbers must match.

**Where You Vote:** Your polling location is assigned based on your residence hall and may be different from other students living nearby. **Always confirm your polling location before Election Day.** (<https://www.rva.gov/elections/precincts>)

**Example:**

**Residential Address**

410 Westhampton Way

**UR Box 123**

**Mailing Address**

410 Westhampton Way

**UR Box 123**

If you are entering a mailing address, select the option that says: "I am providing a mailing address because my residence address cannot receive mail." This ensures your ballot is sent to the correct location.
