## Third Precinct - Sector 311

### SUMMER IS HERE!

Unfortunately as the temperatures rise, so does crime. Historically, property crimes like theft from motor vehicles and shed break-ins increase about 40%. Please remain vigilant! Report suspicious individuals and activity, lock your doors and windows, and look out for your neighbors. These type of crimes are driven by opportunity. **DON'T MAKE IT EASY FOR THE THIEVES!**

The crime rate for Sector 311 remains steady with a few unfortunate spikes in larcenies. We have taken steps to address those increases and I am confident that we continue to have a solid grasp on crime in the sector.

As a rule of thumb, if a crime or suspicious situation is occurring now or has just occurred, call 911. The non-emergency number is for reporting past incidents where an immediate police response is not necessary.

**Emergency = 911**

**Non-Emergency = 646-5100 (Please save in your mobile phone.)**

Please know that I am always available to address your police-related issues, hear your concerns or meet with you in person. Please do not hesitate to contact me. The officers of Sector 311 and I are dedicated to reducing crime and positively impacting the environment you live and work in.

Thank you for your continued support!
