- In 2020 the Virginia General Assembly enacted Chapter 1197 of the 2020 Acts of the Assembly (and its identical counterpart Chapter 1248) which authorizes a process for licensing and regulating the development and operation of a limited number of casino gaming operations in the Commonwealth of Virginia (The “Virginia Casino Act”)
- Richmond is one of five cities that can have a casino gaming establishment licensed by the Commonwealth of Virginia if Richmond voters approve a casino at a specific location/site by voter referendum
 - Criteria is established in the Virginia Casino Act
 - The other four cities are Bristol, Danville, Norfolk, and Portsmouth
- Establishes tax paid to the City by the casino on it’s adjusted gross receipts
 - 6% tax on the first \$200 million of adjusted gross receipts
 - 7% tax on the adjusted gross receipts that exceed \$200 million and are less than \$400 million
 - 8% tax on the adjusted gross receipts that exceed \$400 million
 - The tax paid on the adjusted gross receipts does not include other tax revenue that would be payable to the City (i.e. Real Estate Tax, Sales Tax, Meals Tax, Lodging Tax, etc.)

 - Select the City’s preferred location/site for a casino
 - Select the City’s preferred operator to develop and operate the casino
 - Submit the City’s preferred casino operator to the Commonwealth of Virginia for pre-certification
 - The governing body of the host city petitions the court asking that a referendum be held on the question of whether casino gaming shall be permitted within the city

Richmond Resort Casino Development
Learn More about the Competitive Process

In 2021, Richmond voters will have the opportunity to bring a resort casino to the city.

Legislation adopted by the Virginia General Assembly and signed into law by Governor Northam earlier this year authorizes the city to host a casino gaming establishment, subject to the residents of Richmond approving a casino referendum. That referendum is anticipated to be on the ballot in November of 2021. The law requires that, prior to requesting the court to order a casino referendum, the city select a preferred resort casino operator and location.
