New Traffic Signal Installed at Broad Street and Kent Road to Improve Safety *~ Signal temporarily flashing red and yellow ~*

RICHMOND, Va. – A new traffic signal has been installed at the intersection of Broad Street and Kent Road. It will be energized on Friday, March 26 and temporarily placed in flash mode. Those approaching from Kent Road will see a red indicator, while those approaching the intersection from Broad Street will see an amber light.

The temporary flashing gives motorists an opportunity to adjust to the new signal ahead of it being set to function as a fully signalized intersection on Monday, April 5.

###

The City of Richmond Department of Public Works (DPW) is one of only 178 currently accredited public works agencies in the United States. DPW's portfolio comprises a wide array of services to include leaf collection; street, sidewalk and alley maintenance; trash collection; recycling; grass cutting; graffiti removal; parking enforcement; urban forestry; street signs; traffic signals and pavement markings and civil engineering. In addition, DPW maintains upkeep on most city buildings; issues permits for working in the city's right-of-way; manages the RVA Bike Share program and maintains the fleet of city vehicles. DPW's operating budget comes from the general fund of the City of Richmond. For more information about DPW services, [click here](#) or call 3-1-1.
