- A. **General Purpose of the Classification Plan** - The Classification Plan shall serve as a tool for staffing, selecting, compensating, evaluating, training and budgeting within City government. The Director of Human Resources or designee shall be responsible for the administration of the Classification Plan.
- B. **Position Types** - Positions may be categorized as:
1. Permanent - positions established in accordance with the annual budget for a continuous, indefinite period.
  2. Temporary - positions established for a specific type of work or period of time. Temporary positions may be short-term, seasonal, emergency, grant-funded, or pool.

Should such designation occur, such permanent grant funded position shall be in the unclassified service.
    - e. Pool - Positions established for a limited use to perform work activities on an ad hoc (as needed) basis. Positions are part-time and do not dictate a regular work schedule. Positions may last beyond a twelve month period. Individuals who serve in this class of positions are not entitled to any benefits, including vacation, sick or other leave accruals. Positions established for this purpose must be approved by the Department of Human Resources and shall be monitored by the Department of Human Resources to ensure compliance.

## II. Transitional Provisions and Increases.

The provisions of this section II apply to the fiscal year commencing July 1, 2023, and ending June 30, 2024. The General Fund Budget for the fiscal year commencing July 1, 2023, and ending June 30, 2024, includes funding in each agency's budget for the implementation of this section II during the fiscal year commencing July 1 2023, and ending June 30, 2024.

1. All employees in classified and unclassified City permanent positions shall have their base rate of pay adjusted to reflect an eight (8) percent increase, subject to the following conditions.
  - a. *Eligibility.* The pay increases for which this section II provides shall apply to all employees in classified and unclassified positions except for the following:
    - (1) Employees of constitutional officers whose classifications are not listed in Section I of the Pay Plan.
    - (2) Employees in the classifications of Police Recruit, Police Officer, Fire Recruit, Fire Fighter, Fire Driver Operator, Fire Lieutenant, Fire Captain, Fire Battalion Chief, and Staff Battalion Chief
  - b. *Administration.* The following provisions shall govern the administration of the pay increases for which this section II provides:

    - (2) Each employee who is eligible under section II shall receive a pay increase equal to eight percent of the employee's salary as of June 30, 2023, unless the amount of such increase would exceed the maximum of the employee's pay range. If the amount of such increase exceeds the maximum of the employee's pay range, the employee's salary will be equal to the greater of the maximum of the employee's pay range or the employee's salary as of June 30, 2023. However, the employee shall receive a one-time payment within the first quarter of the fiscal year in an amount equal to the difference between the maximum of such employee's pay range and the eight percent increase.
    - (3) For purposes of this section II(C), the term "pay range" has the meaning set forth in section III(A)(8), except that for each

classification assigned a broad band established pursuant to section III(B)(38) within which the Chief Administrative Officer has established pay zones pursuant to section III(B)(38)(a), the term “pay range” means the pay zone within that broad band to which the employee is assigned.

If a conflict occurs between this pay plan and the Administrative Regulations for the Classified Service, this pay plan shall prevail.
2. **Biweekly Salary.** The compensation for all classes of positions which have been included in the pay ranges of the pay plan shall be determined and fixed in accordance therewith and the other provisions of this ordinance. The officers and employees of the City shall be paid their salaries biweekly as provided by and in accordance with section 2-1216(a) of the Code of the City of Richmond (2020), as amended. Notwithstanding section 2-1216(a) of the Code of the City of Richmond (2020), as amended, during any fiscal year in which there are twenty-seven alternate Fridays, one additional installment of such annual compensation shall be paid.
3. **Worker’s Compensation.**
  - a. Any employee incapacitated by injury or illness as defined by the Virginia Workers’ Compensation Act may be entitled to the benefits provided by the Virginia Workers’ Compensation Act.
  - b. Injury leave with pay shall be provided in such instances as set forth in this section without charge against the employee’s leave balance.
  - c. During the first seven calendar days of necessary absence authorized by the authorized treating physician, injury leave with full pay will be allowed. Following this period, and for a period of one year from the date of injury, the employee shall be allowed injury leave with pay at the difference between compensation allowed under the Virginia Workers’ Compensation Act and the employee’s normal net pay. For purposes of this provision, “normal net pay” means gross pay (after pre-tax adjustments), less social

d. Upon the written request of any employee to the employee's appointing authority to extend injury leave with said pay beyond one year there shall be convened a panel consisting of the appointing authority, the Director of Human Resources, and the Director of Finance. The panel shall consider:

- (4) Whether the projected convalescence is objectively estimated to exceed one year;
- (5) Whether the employee is able to return to work in either his original position or any other position;
- (6) Whether the employee has made reasonable efforts toward rehabilitation;
- (7) Whether the employee has cooperated fully in prescribed treatment and rehabilitation; and
- (8) Any other factors the panel determines to be relevant.

The panel shall, after investigation and consideration of the matter, make its recommendation to the Chief Administrative Officer with regard to the disposition of the request for additional injury leave. The Chief Administrative Officer may then, in the Chief Administrative Officer's discretion, grant or deny the request. If the request is granted, the initial one-year period may be extended for such additional period of time as may be deemed warranted, consistent with the appropriate medical findings. The Chief Administrative Officer shall report to the Council periodically with regard to cases in which a request for additional leave is not granted.

e. The adjustments made to an employee's gross salary in accordance with the

provisions of this paragraph shall not be used to reduce the amount of retirement benefits otherwise payable to said employee. Retirement benefits shall be computed as though the employee received his or her normal gross salary during the employee's period of disability.

4. **Second Language Interpreters.** Whenever an employee is designated as a second language interpreter by the Chief Administrative Officer or designee, such employee shall receive additional compensation of \$1.00 per hour for the time period the employee is designated as a Second Language Interpreter or a revised rate as approved by the Director of Human Resources and the Chief Administrative Officer.
  
5. **Pay Progression.** The initial employment of any person in the classified service whose position is in the pay plan shall be paid within the pay range assigned to that position. Except as otherwise specifically provided, additional movement through the pay range will be based on a performance system approved by the Chief Administrative Officer and issued in an administrative regulation. Whenever a general or performance increase is given, the salary of an employee may not exceed the maximum of the pay range to which that employee's position is assigned. <i>Classification</i>	<i>General Pay Range</i>

- c. The salaries of the Library Director and the Executive Director of the Richmond Retirement System shall be modified only by the respective

appointing authority of each employee based on that appointing authority's performance evaluation of that employee. However, no such employee may receive a salary increase greater than the amount set by the City Council through the pay plan for employees of the City Administration who receive a corresponding performance evaluation. Any such salary increase shall take effect on the same date as for the employees of the City Administration.

12. **Sheriff's Office.** The Sheriff's Office shall receive in Fiscal Year 2023-2024 an amount 2.77 percent greater than the amount approved by the Compensation Board for the Sheriff's deputies to be used as salary supplements for members of the office, excluding the Sheriff, for which the City is reimbursed for 100% of salary costs approved by the Compensation Board. The Sheriff's Office shall receive an amount not to exceed \$512,093.29 in Fiscal Year 2023-2024 to be used as salary supplements for members of the office, excluding the Sheriff. From such allocation, the Sheriff's Office may, in Fiscal Year 2023-2024, provide salary supplements for positions that the City is not reimbursed for 100% of approved Compensation Board salaries, excluding the Sheriff. Any salary supplement paid directly to the Sheriff from either of these amounts shall only be for the specific amount authorized by this section. The Sheriff shall receive a salary supplement of \$60,000 in Fiscal Year 2023-2024. The proper administration of salary supplements is the responsibility of the constitutional officer.
13. **Overtime for Police.** Whenever due to a shortage in the authorized number of personnel in the Department of Police, until such time as the shortage is eliminated

by selection and completion of training of persons to bring the Department of Police to its authorized strength, the Chief of Police, or such person as the Chief of Police may designate, may designate police employees who shall be required to perform service in excess of 40 hours per week or in excess of the hours of work prescribed in rules and regulations duly adopted with respect thereto, and each such police employee (designated as non-exempt) shall receive compensation for each excess hour of such service or fraction thereof equal to one and one-half times the employee's normal hourly equivalent compensation.

14. **Police Overtime due to Federal and State Grants.** Whenever any non-exempt sworn police officer as a condition imposed in any grant of federal or state funds and in order for the City to meet conditions or requirements imposed in such grant, or to carry out the purpose of the program encompassed in such grant, is required to perform services (work hours) in excess of the normal hours as established by Administrative Regulations, such non-exempt sworn police officer shall receive compensation for such services rendered beyond the normal hours of work equal to one and one-half times the hourly rate fixed in the pay range for the class of position to which the non-exempt sworn police officer is assigned.

In accordance with the regulations of the Fair Labor Standards Act, compensatory time may be granted in lieu of cash payment up to a maximum of 240 hours for general employees and 480 hours for sworn Police and sworn Fire employees. Exempt employees shall not be entitled to overtime. However, their appointing authorities may adjust their work schedules in recognition of hours worked.

A fixed shift basis of employment is one in which the regular working hours are identical each working day for a period of not less than 120 calendar days. A rotating shift is one in which the hours of work fluctuate on a regular basis or irregular basis. For the purpose of determining whether additional compensation is due to the employee for working

21. **Working Supervisor.** Whenever any employee is required to give incidental assistance in addition to performing regular duties by supervising two or more employees performing service in the same location where no regular supervisor is authorized and another supervisory position is not assigned, the employee shall receive compensation for such service equal to the hourly compensation fixed in the pay range for the class of position to which he is assigned plus \$0.50 per hour.
22. **Acting in a Higher Class.** Whenever any employee is required to work in a position in a higher pay range during a vacancy in that position or during the absence of the incumbent in that position and whenever such assignment extends beyond 15 consecutive work days, such employee shall receive compensation retroactive to the date the employee commenced acting in such position equal to the minimum of the new range or a maximum increase of five percent, whichever is greater. The amount, however, shall not exceed the maximum amount of the new pay range. The Chief Administrative Officer, at the Chief Administrative Officer's discretion, may approve increases of more than five percent. The amount of the differential shall change only if the base salary of the employee changes. The change in the amount of differential shall be equivalent to the percentage change in the base salary.
23. **Special Assignment by Chief Administrative Officer.** The Chief Administrative Officer is authorized to transfer or appoint employees to perform special assignments and fix compensation for such assignments where appropriate.
24. **Special Assignment by Appointing Authority.** An Appointing Authority may appoint an employee to perform a special assignment that is significantly above that employee's normal job duties, as determined by the Director of Human Resources. This additional compensation shall be retroactive to the date the employee commenced acting in such assignment. Unless approved by the Chief Administrative Officer, the amount of additional compensation shall not exceed ten percent of the employee's regular rate of pay and shall not be increased, except for senior executive assignments made by the Chief Administrative Officer or the City Council. All assignments exceeding 15 consecutive work days and all compensation must be approved by the Director of Human Resources. In no case may the assignment last more than 12 months

26. **Reduction-in-Force.**

- a. **Definitions.** Words and phrases used in this section have the meanings ascribed to those words or phrases in this section III(B)(26).
- b. **Demotion.** If a classified employee is involuntarily demoted as the result of a reduction-in-force, the employee shall continue to receive the salary the employee received immediately before the effective date of the demotion for the next six full pay periods following the demotion. Thereafter, the employee’s salary shall revert to the maximum of the new classification’s pay range or that amount which equates to a maximum decrease of five percent, whichever is the greater decrease.
- c. **Dismissal.** A classified employee who is dismissed as a result of a reduction-in-force may elect to continue the employee’s health benefits coverage in accordance with Section 27 and is eligible for severance pay computed in accordance with Section 27. Any classified employee who declines an offer of transfer, reassignment, or demotion to another position made by the City in lieu of dismissal shall not receive severance pay. If a classified employee is reinstated within ten calendar days after the date of the employee’s separation, the employee shall not receive severance pay.

27. **Severance.**

- a. **Generally.** The appointing authority of an employee to be separated may award severance pay for the employee in accordance with this section. Classified employees may be awarded severance pay under this

section only if and to the extent provided under Section 26. The maximum amount of severance pay that an appointing authority may award to an employee shall be computed in accordance with this section, provided that an appointing authority, in the appointing authority's sole discretion, may award severance pay in an amount less than the amount computed in accordance with this section. Severance pay may not be awarded unless the separated employee signs a separation agreement in accordance with Section 28. The City will pay severance pay only in prorated increments each equivalent to the separated employee's last regular rate of pay in accordance with the City's regular payroll cycle ceasing when the City has paid the full amount of the awarded severance pay. Notwithstanding any other provision of this section to the contrary, if a separated employee awarded severance pay is rehired by the City in any full-time, part-time, or temporary position, the City shall cease all severance payments to that employee as of the date on which the rehired employee starts in the new position.

b. **Computation.** Severance pay may be awarded based only on the employee's continuous years of service as of the date of separation computed as follows:

- (1) If the employee has two full years of service or less, the appointing authority may award the employee severance pay in an amount equal to up to four weeks' regular salary.
- (2) If the employee has more than two full years but less than ten years of service, the appointing authority may award the employee severance pay in an amount equal to up to four weeks' regular salary plus one additional week of salary for every full year of service over two full years of service.

- (4) If the employee has 15 full years of service or more, the appointing authority may award the employee severance pay in an amount equal to up to two weeks' regular salary for each full

year of service, provided that no employee may be awarded severance pay in an amount equal to more than 36 weeks' regular salary.

- c. **Health Benefits.** An unclassified employee who is terminated may elect to continue health benefits coverage with the City for up to one year after the date on which the employee is terminated, provided the employee signs a separation agreement in accordance with Section 28. A classified employee who is terminated may elect to continue health benefits coverage with the City for up to one year only under the circumstances set forth in Section 26. Any employee that elects to continue health benefits coverage must continue with the same coverage as the employee had as of the time of termination, except as required by applicable law, and shall pay the employee's share of the cost of the health benefits coverage throughout the period during which coverage is continued.

28. **Separation Agreements.** The Chief Administrative Officer or the designee thereof may negotiate separation agreements with employees in the Office of the Mayor and in agencies whose heads are appointed by the Chief Administrative Officer when the Chief Administrative Officer or the designee thereof determines that doing so would be in the best interests of the City. A separation agreement shall be in writing, shall require that the employee not pursue litigation against the City concerning the employee's separation, may include such other provisions as the Chief Administrative officer or the designee thereof determines to be appropriate, and may include a negotiated amount of severance pay, provided that the amount of such severance pay shall not exceed the maximum amount that correlates with the employee's years of services computed pursuant to Section 27. All separation agreements must be approved as to form by the City Attorney, approved as to terms by the Director of Human Resources, and prior to execution, reviewed and approved by the Chief Administrative Officer. For employees other than employees of the Office of the Mayor and of agencies the heads of which are appointed by the Chief Administrative Officer, the appointing authority shall perform the functions of the Chief Administrative Officer and the Director of Human Resources under this section.

responsibilities. Agency programs may be based on specific criteria designed to enhance agency performance. Such programs may be, but are not limited to, competency-, skill-, performance-, or career development-based.
