## Virtual counseling<sup>1</sup>

Receive quality, behavioral health care without leaving home. Simply connect via your phone, computer or tablet and you can:

- > Have access to more than 69,000\* clinicians in our behavioral network.
- > [Schedule appointments](#) online with licensed counselors or psychiatrists through our virtual only provider groups.
- > Get access to providers with a wide variety of specialties such as autism and substance use, as well as providers who specialize in treating emergency responders.
- > Use new modality options, such as private text therapy with providers like Talkspace.
- > Use behavioral health coaching via text-based chats with Ginger. Includes self-guided learning activities, and, if needed, video-based therapy and psychiatry.<sup>4</sup>
- > Receive confidential treatment for conditions such as stress and anxiety.
- > Access a virtual counseling program for depression, anxiety or burnout with Meru Health. Includes an app which provides an online peer support community.<sup>4</sup>
- > Use our Fast Access network which guarantees first-time appointments in five business days and a callback within one business day.<sup>2</sup>
- > Same out-of-pocket cost as an in-office visit when you use a virtual provider.
- > Have a prescription sent directly to your pharmacy, if appropriate.
- > If you have EAP (Employee Assistance Program),<sup>3</sup> you have access to virtual counseling, work/life referrals and resources. To learn more, visit [myCigna.com](https://myCigna.com).

## Mental health

We can help you find support when you need it most. From inpatient and outpatient services to online tools, behavioral coaches, and educational support – we’re here for you.

- > **Centers of Excellence (COEs)** – We have a nationwide network of COEs which provide quality and affordable inpatient and residential care as well as partial hospitalization and intensive outpatient care, for mental health disorders.
- > **Coaching & Support** – We provide dedicated support to help you and your family address challenges with autism spectrum disorder, eating disorders, and intensive behavioral case management. We also offer coaching and support for parents and families, which empowers individuals to be effective advocates for their child, loved one or for themselves.
- > **New modality options**, such as private text messaging with providers like Talkspace, and behavioral health coaching via text-based chats with Ginger.<sup>4</sup>
- > **Behavioral Awareness Series** – Free monthly seminars on topics including autism, eating disorders, substance use, children and families.
- > **Find a provider** – Find a health care professional or facility in our network geared towards your needs.
- > **Help Finding an Appointment** – Our team will reach out to providers and help you find an appointment based on your schedule.

If you or a loved one is in crisis, call the number on your ID card 24/7/365.

# Behavioral Programs

## Substance use

If you or a loved one are struggling with substance use, it can affect everything. We're here to help you on the road to recovery with inpatient and outpatient services, online tools, behavioral coaches, and educational support.

- > **Centers of Excellence (COEs)** - We have a nationwide network of COEs which provide quality and affordable inpatient and residential care as well as partial hospitalization and intensive outpatient care, for substance use disorders.
- > **Coaching & Support** - We help to remove barriers to accessing and engaging in substance use, opioid use and pain management treatment. We provide treatment resources and support too. Coaching and support for parents and families is also available. This program empowers parents and family members to effectively advocate for their loved one, or their own needs.
- > **Virtual Medication - Assisted Treatment** and peer recovery support available.
- > **New modality options**, such as private text messaging with providers like Talkspace, and behavioral health coaching via text-based chats with Ginger.<sup>4</sup>
- > **[Behavioral Awareness Series](#)** - Find information to help understand risks, causes, and substance use support options - for you, or someone you know.
- > Additional resources on [opioids](#).
- > **[Find a provider](#)** - Find a health care professional or facility in our network geared to your needs.
- > **[Help Finding an Appointment](#)** - Our team will reach out to providers and help you find an appointment based on your schedule.

If you or a loved one is in crisis, call the number on your ID card 24/7/365.

## Coaching and support services

Our programs give you access to behavioral experts with extensive experience.

Our team can help you:

- Understand a behavioral diagnosis.
- Address challenges with autism spectrum disorders, eating disorders, substance use, opioid use and pain management.
- Learn about treatment choices and how your choices can affect what you'll pay out of pocket.
- Identify and manage triggers that affect your condition.
- Use a digital interface through Vela<sup>4</sup>, an app which provides secure two-way messaging, ability to share resources, and appointment tracking on a shared calendar.
- Find a health care professional or facility in our network geared to your needs.
- Visit [myCigna.com](https://myCigna.com) or call the number on the back of your insurance card.
- **Help Finding an Appointment** – Our team will reach out to providers and help you find an appointment based on your schedule.

We also offer coaching and support for parents and families, which empowers individuals to be effective advocates for their child, spouse or family member or receive help for their own needs.

## Lifestyle management programs

Smoking, obesity and stress pose significant threats to physical and behavioral wellness. Fortunately, these conditions can be managed through healthy lifestyle habits, and we offer services that can help.

### Reach your goals:

- > Lose weight
- > Quit tobacco
- > Manage stress

### Coaching and support:

- > Telephone and online coaching
- > Dedicated wellness coaches help customers understand reasons for and barriers to change

1. Cigna provides access to virtual care through national telehealth providers as part of your plan. This service is separate from your health plan's network and may not be available in all areas or under all plans. Referrals are not required. Video may not be available in all areas or with all providers. Refer to plan documents for complete description of virtual care services and costs. 2. Per our agreement with contracted providers. Within five business days for first time appointment with non-prescriber; 15 business days for prescriber. 3. Please check with your employer to confirm services included in your plan. 4. Program services are provided by independent companies/entities and not by Cigna. Programs and services are subject to all applicable program terms and conditions. Program availability is subject to change. These programs do not provide medical advice and are not a substitute for proper medical care provided by a physician. Information provided should not be used for self-diagnosis. Always consult with your physician for appropriate medical advice.

EAP services are in addition to, not instead of, your health plan benefits. These services are separate from your health plan benefits and do not provide reimbursement for financial losses. Customers are required to pay the entire discounted charge for any discounted legal and/or financial services. Legal consultations related to employment matters are excluded. Additional restrictions may apply. Program availability may vary by plan type and location, and are not available where prohibited by law.

This information is for educational purposes only. It's not medical advice. Always ask your doctor for appropriate examinations, treatment, testing, and care recommendations.

All group health insurance policies and health benefit plans contain exclusions and limitations. For costs and complete details of coverage, see your employer's plan documents.

All Cigna products and services are provided exclusively by or through operating subsidiaries of Cigna Corporation, including Cigna Health and Life Insurance Company, Evernorth Care Solutions, Inc. and Evernorth Behavioral Health, Inc.
