

Schedule Your Annual Biometric Screening

Act Now for Your 2025 Benefit Premium Discount!

The City of Richmond is excited to partner with Marathon Health on the 2024 Health Insurance Premium Discount Incentive Campaign, through August 31!

This year, instead of completing a survey on myCigna.com, employees and spouses on the City's Healthcare Insurance will need to **complete a Biometric Screening** or **submit an External Provider Form** (found on the Marathon Health portal) to Marathon Health for the 2025 Healthcare Premium Discount.

Appointments will take ~15 minutes, and providers will measure your:

- ❖ Height
- ❖ Weight
- ❖ Waist circumference
- ❖ Blood pressure
- ❖ Blood sugar & A1c
- ❖ Cholesterol levels

Scan the code below, call, or visit the Marathon Health portal to schedule a biometric screening appointment today to secure your discount.
