## INSTRUCTIONS ON FILLING OUT A SPRINKLER PERMIT APPLICATION

At the top right hand corner of the application is a capital K, This is the space where your permit number will be written after you have paid for the permit. There is also a capital B, this is where you will write any building permit number that is associated with the hood/suppression permit application.

- **Box #1** Fill in the number & street address where the work is being done.
- **Box #2** This is to be used on multi-story commercial and multi-family residential projects. It can be left blank on single family and duplex permit applications.
- **Box #3** Fill in the name of the contractor doing the work or your name if you are the owner/tenant and are applying for the permit as the owner/tenant.
- **Box #4** Fill in the classification that is on your contractor's license such as HVA, SPR. etc.
- **Box #5** Check the class of license located on your contractor's license.
- Box #6 Fill in state board of contractor's license number. It will always begin with 2701 or 2705 and be followed by six digits. Do NOT use a license number that begins with 2710 as this is a tradesman card number and does not allow you to apply for a permit.
- **Box #7** Fill in the contractor's street address.
- **Box #8** Fill in the contractor's telephone number.
- **Box #9** Fill in the contractor's city, state and zip code.
- **Box #10** Fill in the owner's email address.
- Box #11 Fill in the name of the property owner.
- **Box #12** Fill in the property owner's address.
- **Box #13** Fill in the property owner's daytime phone number.
- **Box #14** Fill in the current use of the property such as restaurant, single family dwelling, duplex, etc.
- **Box #15** Fill in the proposed use of the property such as restaurant, office, duplex, etc.
- Boxes #16 through #29 Office use only.

**Box #30** - Fill in when dealing with single family houses and duplexes. Note the

- detached and attached designation. If the house stands alone and does not touch the house on either side, it is detached.
- **Box #31** Fill in the number of apartment units in the building.
- **Box #32** Check the appropriate box, if applicable.
- **Box #33** COST INFORMATION Fill in the cost of all labor, materials, overhead, subcontracts and profit. This may be used to determine how much you pay in permit fees.
- **Box #34** Give a brief description of the work to be done.
- **Box #35** Fill in the name of the person to contact if there are questions about the application or drawings.
- **Box #36** Fill in the contact person's phone number.
- Box #37 Fill in the contact person's fax
- **Box #38** Fill in the contact person's complete address.
- **Box #39** Fill in the contact person's e-mail, if available.
- **Box #40** Check whether or not you would like to be called to pick up the permit. If you check "yes", fill in your name and phone number.
- **Box #41** If submitting drawings done by an engineer please fill in their name here.
- **Box #42** Fill in the Engineer's phone number.
