Prepare yourself for Election Day success with these helpful tips.

HOW TO REGISTER

Submit a Voter Registration Application

- Every prospective voter must fill out a voter registration application. You can do this online or by mail.
- You can visit the Department of Elections website to apply online by [clicking here](#).
- **The deadline to register or update your voter information is October 15, 2024.**

Provide a Residential Address

- You must submit your residential address (a dorm or college address is acceptable) when registering. Post office boxes are valid for mailing addresses only.
- If you cannot receive mail at your residential address, you must also provide a mailing address.

Contact Information

- Including your email address and phone number on your application helps the Office of Elections reach you if needed.

Updating Your Information

- Remember to update your voter registration if you change your residence.

Residency Requirements

- A prospective voter must be a resident of the Commonwealth and the precinct where they register, having a physical location intended for unlimited stay. Residency can only be established in one place at a time.

Registering Your Campus Address

University of Richmond Registration

University of Richmond students are required to register using the residential address (street address) of the dorm, including, the dorm number.
