

**2019-2024 Five Year Report to Virginia State Historic Preservation Office
City of Richmond Section 106 Review of Undertakings for the period
January 1, 2019 through December 31, 2024**

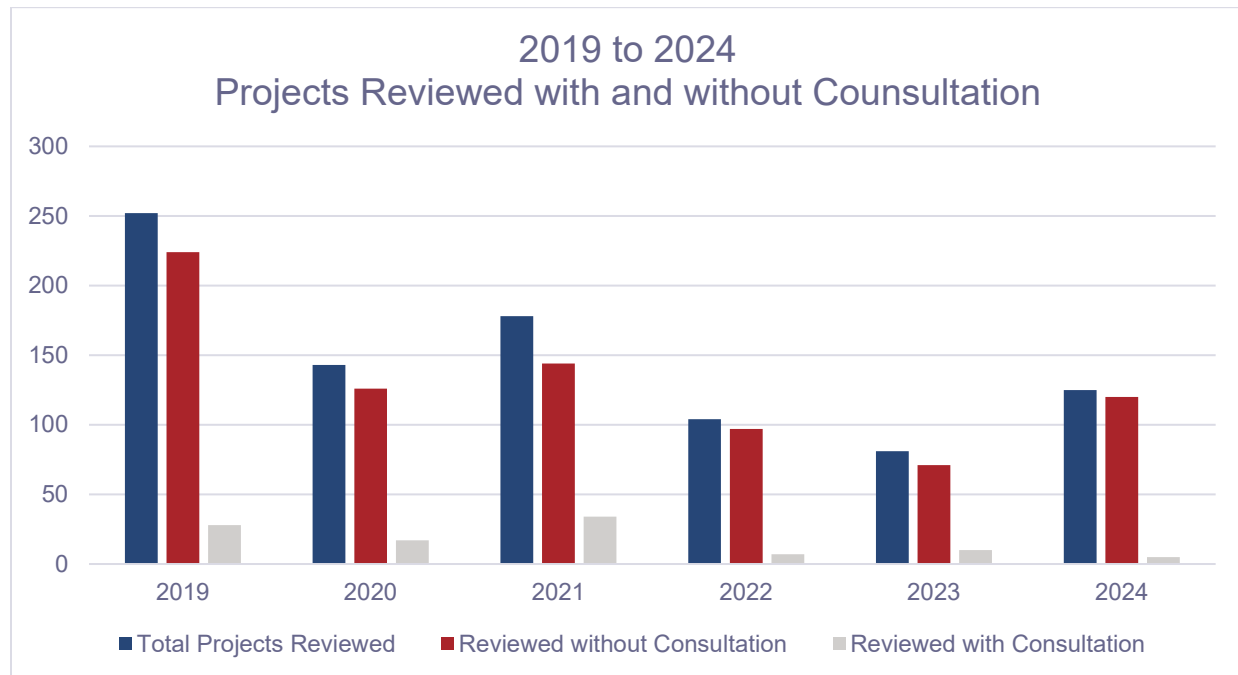

Please accept the following materials in fulfillment of the Programmatic Agreement requirement that the City of Richmond shall annually compile a report of all undertakings reviewed by the City. The city has selected to prepare a report that covers the five-year period from January 1, 2019 through December 31, 2024.

Report Narrative

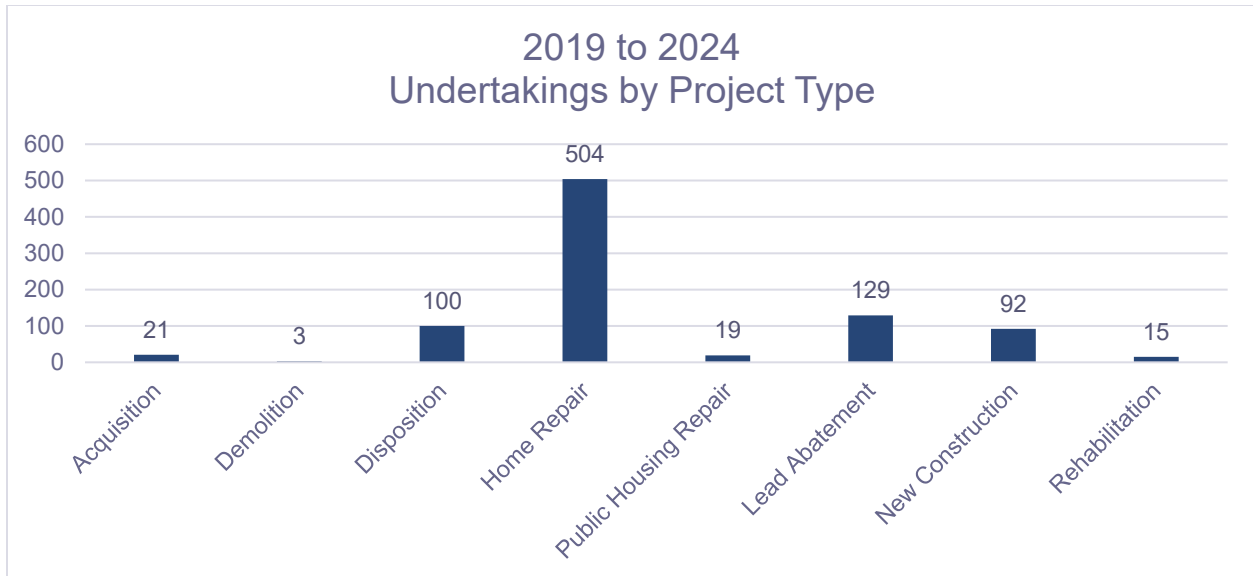

In this report and accompanying materials, the city is seeking to fulfill the annual reporting requirements under the Programmatic Agreement. The two required categorical reports (based on consultation/non-consultation with the SHPO) were generated from the City-maintained Section 106 database and include, for each project, the address of the affected property, the type of undertaking, the finding of effect, the action dates of the Section 106 process, and all comments and conditions pertaining to the conclusion of the review. The city is confident in the accuracy of the content of the reports. The following chart summarizes the determinations of effect for the 883 projects reviewed between 2019 and 2024.

Of the projects reviewed, 101 were reviewed in consultation with the SHPO and 782 were reviewed by city staff without consultation. The majority, 352, of the 477 No Adverse Effect findings consisted of work items excluded from SHPO Review (Appendix 8) and were completed without consultation. The remaining items reviewed without consultation were projects using ARPA funds that were determined to not require Section 106 Review and projects determined to be No Historic Properties Affected in accordance with Stipulation IV C of the Programmatic Agreement. The following chart summarizes the number of projects reviewed with and without consultation.

The following chart summarizes the reviewed projects by undertaking types over the past five years. Many projects reviewed were classified as Home Repairs and consisted of the correction of issues related to deferred maintenance and deterioration. The interventions ranged from the in-kind replacement of roof, the repair and replacement of flooring, and electrical, mechanical, and plumbing repairs. Most of these projects consisted of work items excluded from SHPO Review (Appendix 8).

Also included are five maps that provide a visual depiction of the distribution of undertakings by year, activity, finding and level of consultation city-wide.

The current staff member primarily responsible for Section was hired in August 2024 with five years of experience working with Section 106 as a contractor and slightly over a year working for the City of Richmond's authentiCITY Studio assisting with a variety of historic preservation project. By way of this report, the city is requesting a determination that Kevin Costanzo meets the Secretary of the Interiors Professional Qualification Standards. They are working under the direct supervision of myself. The city has also provided the resume of the personnel currently administering the activities contained in the Programmatic Agreement, along with the statement by the SHPO that personnel meet the Professional Qualification Standards in Stipulation I (B) of the Agreement.

The city continues to work with the SHPO, the ACHP, interested and consulting parties to execute a revised Programmatic Agreement by June 30, 2025. The city also is finalizing work on its first comprehensive preservation plan, entitled *Cultural Heritage Stewardship Plan*. The goal is for the plan to be adopted in the first quarter of 2025 as an amendment to *Richmond 300*, the city's comprehensive master plan.

Re: Professional Qualifications

Dear Mr. Hill,

The Virginia Department of Historic Resources (DHR) received a copy of Ms. Kimberly Chen's resume pursuant to Stipulation I.(B) of the *Programmatic Agreement Between the City of Richmond and the Virginia Department of Historic Resources Regarding the Section 106 Review of Community Revitalization Undertakings that Receive Federal Funds from the U.S. Department of Housing and Urban Development for which the City of Richmond, Virginia is Obligated to Complete Section 106 Review* (Agreement). Based upon a review of the resume, DHR believes that the qualifications of the City historic preservation staff are sufficient for the purposes of the Agreement. We look forward to working with you both.

Sincerely,

A handwritten signature in blue ink that reads "M. Amanda Lee".
