Background

The Façade Improvement Program (FIP) provides grants to property owners and tenants located within the Arts & Cultural District for the purpose of improving their building façades. The Department of Planning & Development Review (PDR) and the Economic Development Authority (EDA) of the City of Richmond have managed and administered this program since 2013. To date, the City's Façade Improvement Program has supported 35 grants to owners and tenants to improve their building façades.

Figure 1. This map shows the boundary of the Arts and Cultural District. All projects must be within this boundary to be eligible for the façade improvement grant.

Project Intent and Project Goals

- Restore, beautify, & enhance façades of commercial or mixed-use buildings within the Arts & Cultural District
- Fund projects that significantly improve the visual appearance of the entire facade from the street
