MAYOR'S MESSAGE

March 27, 2025

Honorable President and City Council Members
City of Richmond, Virginia

I am honored to present the Proposed Fiscal Year (FY) 2026 Financial Plan for the City of Richmond. This budget represents a steadfast commitment to responsible fiscal management and a shared vision for a stronger, more vibrant community. Richmond’s rich history and dynamic growth continue to shape our approach, ensuring we address today’s challenges while laying the foundation for a sustainable future.

With a focus on balancing financial responsibility with strategic investments, this plan prioritizes the needs of our residents, businesses, and visitors. It reinforces our dedication to equitable resource allocation, economic stability, and initiatives that enhance the quality of life for all who call Richmond home.

The Financial Plan is comprised of the General Fund (GF), Enterprise Funds, Special Revenue Funds, Internal Service Funds, Capital Improvement Plan (CIP), Debt Service Fund, and Richmond Public Schools, totaling \$3.0 billion. The fund source breakdown is shown below in two views: **Total Budget** and **Net of Transfers**:

Fiscal Year 2026 Financial Plan		Fiscal Year 2026 Financial Plan (Net of Transfers)	
General Fund	\$1,056,511,879	General Fund	\$1,056,511,879
Special Revenue	\$191,001,530	Transfer to Other Funds	(\$413,866,872)
Enterprise Funds	\$526,182,908	Subtotal General Fund	\$642,645,007
Internal Service Funds	\$84,553,227	Special Revenue	\$191,001,530
Debt Service	\$96,710,043	Transfer to Other Funds	(\$33,696,629)
Total Operating Funds	\$1,954,959,587	Subtotal Special Revenue	\$157,304,901
Capital Improvement Plan	\$549,592,657	Enterprise Funds	\$526,182,908
Total Operating Funds	\$2,504,552,244	Transfer to Other Funds	(\$30,654,809)
Richmond Public Schools	\$524,376,412	Subtotal Enterprise Funds	\$495,528,099
Total All Funds	\$3,028,928,656	Internal Service Funds	\$84,553,227
		Debt Service	\$96,710,043
		Capital Improvement Plan	\$549,592,657
		Richmond Public Schools	\$524,376,412
		Subtotal Nongeneral Funds	\$1,255,232,339
		Grand Total	\$2,550,710,346

Transfers represent funds provided from one fund to another. The Net of Transfers view reflects this movement and ensures these monies are reported as an expenditure only once.

The proposed FY 2026 General Fund Budget totals \$1.1 billion, reflecting a \$54.6 million (5.5%) increase over the previous year's adopted budget. Despite this modest growth, the budget reinforces the city's commitment to operational efficiency, financial stability, and the continued expansion of opportunities.

The development of this budget has been guided by thorough analysis, active engagement, and meaningful collaboration with stakeholders. We have carefully considered the diverse needs of our community, ensuring that every decision reflects a commitment to inclusivity, safety, economic opportunity, and environmental responsibility. Our focus remains on delivering services and investments that enhance the well-being of all Richmond residents.

As we address today's challenges and plan for the future, this budget serves as a strategic roadmap for building a stronger, more resilient, and equitable Richmond. Through responsible financial stewardship and an unwavering commitment to our core values, we are laying the groundwork for a city where every individual has the opportunity to succeed and contribute to our shared prosperity.

This budget is built on the principles of customer service, accountability, equity, diversity, innovation, and sustainability—all with a clear focus on driving Richmond forward. It reflects a commitment to an organizational culture that prioritizes service excellence and effective delivery, ensuring that every decision enhances the experience and well-being of those we serve.

PROPOSED BUDGET HIGHLIGHTS

As we embark on this administration's first budget, our focus is on strengthening the core foundations of city government—the relationships, systems, and structures that keep Richmond moving forward. This budget not only lays the groundwork for sustainable growth and effective governance but also ensures the continuation of major initiatives that enhance our progress. Key highlights of the Proposed FY 2026 Budget include:

- Balances the budget without a real property tax increase for 18 years (since 2008).
- Continues automation of manual and paper intensive business processes with the implementation of a new business portal and a greater investment in technology.
- Continues improvement and enhancements to the 311 Call Center.
- Supports the update of the city's Master Plan (Richmond 300).
- Focuses on neighborhood and community services.
- Continues the Neighborhood Climate Resiliency Grant Program.
- Continues safety net services:
 - Child Care and Education Trust Fund
 - Eviction Diversion
 - Family Crisis Fund
 - Health Equity Trust Fund

- Richmond Resilience Initiative
- Right to Legal Counsel
- Invests in Affordable Housing with an additional \$30.0 million in CIP bond funding from FY 2026 - FY 2028.
- Supports connectivity, street, and public infrastructure improvements.
- Continues upgrades to playgrounds, parks, and community centers.
- Purchases 16 police vehicles, four fire trucks, six refuse vehicles, and 25 other various vehicles for other city departments.
- Supports Richmond Public Schools with an additional \$9.6 million for operations.
- Implements the Attract, Retain, and Motivate (ARM) initiative – an employee centered approach:
 - Continues the minimum wage at **\$20.00 per hour** for all employees (one of the highest in the Commonwealth and certainly higher than the state’s minimum wage of \$12.41 and the federal minimum wage at \$7.25).
 - Provides an average of 10.3 percent increase for Sworn police and fire personnel.
 - Increases starting pay of Step 1 police officers and firefighters from \$58,076 to \$62,983.
 - Continues with salary competitiveness for eligible General Employees with a 3.25 percent increase.
 - Continues with market adjustments for General Employees.
 - Continues citywide short and long-term disability insurance that began January 2025.
 - Limits the health insurance increase to an average of a eight percent.
 - Continues to support the employee health clinics operated by Marathon health.

DEVELOPING THE FY 2026 BUDGET - FINANCIAL BACKDROP

Last December, the city held its Third Annual Economic Roundtable to inform the city of the economic backdrop and trends that would affect the FY 2026 budget. The panelists at this year’s Roundtable included economists from the Federal Reserve Bank of Richmond and Piedmont Crescent Capital/Virginia Joint Advisory Board of Economists and industry leaders in artificial intelligence, local housing market, and strategic management consulting. Economists indicated that the national, state, and local economy continued to expand in 2024. Consumer spending remained strong, supported by job growth and rising household net worth. The outlook is for slower economic growth in 2025 and 2026. Risks to the economy include

geopolitical risks, Federal Reserve interest rate cuts, uncertainty over federal policies such as, tariffs, immigration, deportation, federal workforce reductions, and other unforeseen shocks.

Since December, the nation continued to add jobs, albeit at a more moderate rate in the first two months of 2025 than in 2024 on average per month. Consumer spending slowed in January, likely due to winter weather conditions. However, the recent federal policy changes have led to greater economic uncertainty and a more cautious outlook. The impact of federal policy changes will be monitored as economic data becomes available.

We are also anticipating moderate growth in General Fund revenues in FY 2026. The FY 2026 budget is based on real estate assessments projected to grow by 6.0 percent from the 2025 land book value which reflects continued strength in the housing market and new construction projects coming online. We have worked closely with the Real Estate Assessor on developing this projection. This will also be a biennial assessment for 2026 and 2027, as there will be an assessment freeze to realign the assessment cycle.

Admissions, lodging, and meals (ALM) taxes and sales tax are also anticipated to grow moderately in FY 2026 by \$4.4 million (3.6 percent) from the FY 2025 budget. With the improvements made in assessment and collections in the Department of Finance, we are also expecting a modest increase in current and delinquent personal property taxes of \$3.7 million (6.9 percent) and business licenses of \$1.6 million (3.7 percent) in FY 2026. Other key local revenues contributing to the FY 2026 growth include: the anticipated increase in the local share of gaming tax revenue from historical horse racing; the Department of Public Utilities' payment in lieu of taxes; and parks and recreation, solid waste disposal, and recycling fee increases.

Although revenues are continuing to grow, it is important to keep in mind that Richmond continues to be a locality with above average fiscal stress, which limits our available revenue options. Richmond is identified in the Commission on Local Government's most recent report as the 24th most fiscally stressed locality out of 133 localities in the Commonwealth. While Richmond moved up two spots in ranking, Richmond is still at above average fiscal stress. The Fiscal Stress Index illustrates a locality's ability to generate additional local revenues from its current tax base relative to the rest of the Commonwealth.

The three components of the Fiscal Stress Index are:

1. Revenue capacity per capita (the theoretical ability of a locality to raise revenue)

2. Revenue effort (the amount of the theoretical revenue capacity that the locality collects through taxes and fees)
3. Median household income

The following chart shows Richmond’s fiscal stress index ranking relative to other Virginia localities, which illustrates Richmond is more fiscally stressed than our neighboring counties.

Richmond is not alone and is much like most Virginia cities. According to the report:

- The average fiscal stress index value for Virginia’s cities is significantly greater than the average for its counties, and
- Virginia’s cities are continuing to experience more of a financial burden than its counties.

Richmond has more tax-exempt real estate than any locality in our region. As Virginia’s capital, we host a significant number of state-owned buildings, universities (like VCU), and non-profits (hospitals, churches, and museums). Our tax-exempt properties are two to five times that of our neighboring counties of Chesterfield, Hanover, and Henrico. Compared to localities statewide, only Fairfax County, Norfolk, and Virginia Beach have more tax-exempt real estate than Richmond, as reported in the Virginia Department of Taxation Annual Report Fiscal Year 2024.

Assessed Value of Tax Exempt Real Estate in Tax Year 2023
(amounts are in billion \$)

Credit Ratings

A city's credit rating is an evaluation of its creditworthiness, an assessment of its ability to meet financial obligations on time. Credit ratings are assigned based on financial health, economic stability, and management practices. The City of Richmond is rated by all three credit rating

agencies: Fitch Ratings, Moody's, and S&P Global. We are rated one notch below AAA by Moody's and S&P Global and in May of 2024 the *City of Richmond received its first ever AAA credit rating* from Fitch Ratings.

This upgrade is indicative of all the hard work over the years. The rating increase was earned because of key factors such as strong financial management, low debt burden and responsible borrowing, diverse and growing economy, strong revenue growth, good pension and liability management and the city's advantage as the Commonwealth's capital. The

AAA rating means Richmond can borrow money at lower interest rates, saving taxpayers millions on infrastructure projects, schools, and other essential services. It also signals to investors and businesses that the city is financially well-managed and a good place for economic growth.

INVESTING IN RICHMOND'S FUTURE: A BUDGET ALIGNED WITH OUR PRIORITIES

As we present the FY 2026 budget, we do so with a clear vision for Richmond's future—one built on equity, economic opportunity, and sustainable growth. This budget reflects my administration's commitment to seven key priorities, each aimed at strengthening our city and improving the lives of all Richmonders.

- A Thriving City Hall (That Gets Things Done)** – We are focused on transforming city government into a model of efficiency, accountability, and service excellence. This means investing in technology, financial stewardship, and workforce development to enhance service delivery and public trust.
- Thriving Neighborhoods (That Meet Our Housing Needs)** – Housing remains a critical issue, and we are committed to expanding affordability, preventing displacement, and revitalizing

communities. This budget supports housing production, preservation, and initiatives to strengthen homeownership and tenant protections.

3. **Thriving Families (Where Every Child Succeeds)** – Every child deserves access to quality education, healthcare, and career pathways. This budget strengthens our investment in early childhood education, after-school programs, and partnerships with Richmond Public Schools to ensure students have the resources they need to succeed.
4. **A Thriving Economy (That Leaves No One Behind)** – Economic growth should benefit all Richmonders. We are increasing support for small businesses, expanding workforce development, and directing investments to historically underserved communities to create pathways out of poverty and into stability and wealth-building.
5. **Thriving and Inclusive Communities (Where Everyone’s Rights Are Protected)** – Our city must be a place where all residents—regardless of background—feel safe, supported, and included. This budget enhances efforts to protect civil rights, expand healthcare access, and improve engagement with immigrant and historically marginalized communities.
6. **A Thriving and Sustainable Built Environment (Planned for Future Generations)** – We are committed to environmental sustainability, multimodal transportation, and climate resilience. This budget prioritizes green infrastructure, energy efficiency, and responsible stewardship of our natural resources to ensure a cleaner, healthier city.
7. **A City That Tells Its Stories (That Tells the Truth About Its Past and Finds a Healing Path Forward)** Richmond has a unique history, and we must honor it with honesty and inclusivity. This budget supports cultural initiatives, historical preservation, and public art projects that promote healing and strengthen connections among our diverse communities.

Through strategic investments in these priority areas, we are laying the foundation for a more resilient, equitable, and prosperous Richmond. This budget is not just a financial plan—it is a statement of our values and a roadmap for the city we are building together.

BUDGET REALIGNMENT AND OPERATIONAL EFFICIENCIES

As part of this year’s budget development process, we began conducting a comprehensive review of department operations to identify efficiencies, streamline service delivery, and ensure the optimal allocation of resources. This effort led to strategic **budget reductions of \$10.6 million** in select departments through a combination of operational improvements, organizational realignment, and the elimination of redundancies. These changes reflect a commitment to maintaining high-quality services while achieving greater efficiency.

By leveraging technology, optimizing workflows, and consolidating certain functions, we have captured efficiencies that allow us to reduce costs without compromising essential services. Additionally, realigning budget structures to better reflect programmatic priorities has resulted in more effective resource distribution across departments. These adjustments are designed to enhance operational effectiveness while ensuring long-term financial sustainability.

As we transition into the new fiscal year, the budget also reflects the removal of \$3.2 million in one-time funding allocations from the previous years. These temporary investments were intended to address specific initiatives, capital needs, or short-term priorities, and their conclusion aligns with our commitment to responsible financial management. The removal of these one-time funds allows the city to maintain a structurally balanced budget while focusing ongoing resources on sustained service delivery and long-term strategic priorities.

While these reductions may impact certain initiatives, departments have been encouraged to identify alternative solutions, pursue external funding opportunities, and integrate efficiency measures to mitigate any service impacts. Moving forward, the city will continue to assess the need for future targeted investments while ensuring that one-time expenditures do not create ongoing financial obligations beyond their intended scope.

TRANSITIONING THE APPROACH TO NONPROFIT PARTNERSHIPS

For many years, the City of Richmond has allocated significant General Fund dollars to nonprofit and charitable organizations that serve city residents. These partnerships have often supported the city's strategic goals by addressing needs nonprofits are uniquely equipped to meet. However, recent assessments have raised concerns about the effectiveness and oversight of the current non-departmental process. As such, the current approach has created the misconception that the city functions as a philanthropic institution, rather than a government stewarding public funds.

In the past, the city faced staffing limitations that affected the monitoring of these allocations with the same rigor applied to grant activities. The Proposed FY 2026 Budget redefines these funds as contributions to Outside Agencies, which are engaged to provide services that the city has determined would be challenging or cost-prohibitive to provide directly. Moving forward, in collaboration with City Council, I intend to enhance the city's approach to contracting for these services.

In the interim, as part of the Proposed FY 2026 Budget, I reduced contributions to nonprofit partner agencies by \$4.1 million – approximately 30 percent less than in FY 2025. This decision reflects a need to maintain a balanced budget while focusing limited resources on the city's highest priorities, including housing, youth development, early childhood, and health. Funding levels vary based on program alignment and available resources.

The administration considered a more dramatic restructuring of the non-departmental process this year but determined that additional time was needed to thoughtfully implement a new approach. As a result, the FY 2026 allocations will follow a similar format to previous years, though this will be the last time the current structure is used. A new, streamlined process will be introduced in FY 2027 to ensure transparency, impact, and fiscal accountability.

IMPROVING RESPONSIVENESS

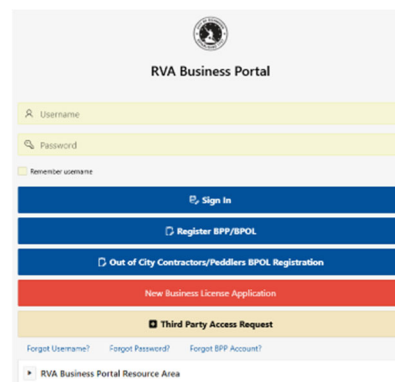

Enhancing Customer Engagement

My administration is committed to achieving improved customer service and building on existing efforts. While it remains a work in progress, we have seen major gains with RVA 311 and the Department of Finance because of our commitment to invest in the internal core service departments.

We focused on technology advancements and the human components in each of these areas. As of January 2025, we have expanded service hours for RVA 311 and implemented a call back feature. No longer do you have to wait on the phone for someone to answer your call. You can now enter your phone number and we will call you back! Our call center is open Monday – Friday from 8 a.m. to 7 p.m. and on Saturdays from 9 a.m. to 1 p.m.

The Department of Finance unveiled a new self-service business portal in January 2025. This portal allows business owners to apply for business licenses, file taxes online quickly and securely, generate invoices and track payments with ease, and view accounts all in one place. This portal is the second online transformation for the Department of Finance. The first was the automation of the billing, invoicing, and payment of personal property taxes in 2023.

We continue working to automate functions of the city’s financial services. We expect that over the next two years we will move to an all-online processing of all other remaining business and tax modules through RVA Pay.

Customer service improvements go beyond technology—we are prioritizing frontline employees by enhancing training and strengthening service level agreements. Our efforts focus on standardizing customer service and elevating leadership expectations across the organization.

Additionally, we are addressing open 311 requests at the department level, with notable success. The Finance Department has significantly improved its response time, reducing it from six months to just five business days.

We are committed to ongoing internal improvements that streamline operations and enhance overall efficiency. The Proposed FY 2026 Budget continues to support customer service enhancements in RVA 311 and the Finance Department.

BUILDING SUSTAINABILITY

In the face of evolving climate and environmental challenges, the city remains firmly committed to building a resilient, sustainable, and equitable future. The Proposed FY 2026 Budget continues this commitment by maintaining funding for programs that reduce greenhouse gas emissions, lower energy costs, and strengthen neighborhood-level resilience. Sustainability is a core principle that guides our actions and investments—helping us protect natural resources while promoting economic opportunity and social equity.

The FY 2026 budget continues a \$250,000 allocation for the Neighborhood Climate Resilience Grant Program. This funding builds on the foundation laid by the American Rescue Plan Act (ARPA) and supports community-based efforts to address the local impacts of climate change. These projects reflect the vision and values outlined in RVAgreen 2050.

In November 2024, the City of Richmond officially adopted the *Sustainable Design Standards* (SDS) as part of its commitment to climate action, equity, and resilient infrastructure. The ordinance, rooted in the city's RVAgreen 2050: Climate Equity Action Plan, establishes a codified framework for how City-owned and City-funded development projects must incorporate sustainability principles across their planning, design, and construction processes.

Richmond's Joint Energy Team (JET) continues to play a central role in advancing internal sustainability initiatives. The team has helped streamline utility tracking, reduce municipal greenhouse gas emissions, and identify cost-saving energy strategies.

We remain aligned with regional efforts to address climate change, including participation in the Regional Greenhouse Gas Initiative (RGGI), which has directed millions in funding toward flood preparedness and climate adaptation across the Commonwealth.

Increasing Access to Affordable Child Care – Early Childhood Care and Education Trust Fund

Building on our commitment to early childhood development, the Early Childhood Care and Education Trust Fund continues to be a vital investment in Richmond's future. Quality childcare and preschool programs play a crucial role in shaping strong families, thriving communities, and a resilient economy. When children have access to safe, enriching learning environments, they enter school ready to succeed. When families can secure reliable, affordable child care, parents and caregivers can maintain stable employment, and our workforce remains strong and productive.

Recognizing these far-reaching benefits, we are reaffirming our \$500,000 investment in FY 2026 to support accessible, high-quality child care and preschool for families across our community. This continued commitment ensures that Richmond's children receive the foundation they need to thrive while strengthening opportunities for working families and supporting long-term economic growth for Richmond.

Improving Health Outcomes - Health Equity Trust Fund

Strengthening families and neighborhoods remains essential to Richmond’s success, which is why we are continuing our commitment to the Health Equity Trust Fund with a \$300,000 investment in FY 2026. Originally established with \$5.0 million in funding from the American Rescue Plan Act (ARPA), this initiative has played a critical role in supporting community-led efforts to address health disparities and improve overall well-being.

This continued investment will help advance programs focused on reducing the disproportionate burden of adverse health outcomes, including mental and behavioral health, substance use, maternal and child health, access to care, and chronic conditions. By reinforcing this initiative, we are ensuring that Richmond’s most vulnerable residents have the resources and support needed to lead healthier lives.

Creating Resiliency

Richmond Resilience Initiative

The Richmond Resilience Initiative (RRI), launched in 2020, is a guaranteed income pilot designed to support residents facing economic hardship. In collaboration with Mayors for a Guaranteed Income and UpTogether, the Office of Community Wealth Building has worked with individuals and families who earn above the threshold for state or federal benefits but still struggle to achieve a living wage. Initially funded through the American Rescue Plan Act (ARPA), this program has provided critical financial assistance. To sustain these efforts, I propose allocating an additional \$500,000 in the Proposed FY 2026 Budget.

Family Crisis Fund

Recognizing that many families are still facing financial hardships in the aftermath of the COVID-19 pandemic, we are continuing our commitment to Family Crisis Fund with a \$500,000 investment in FY 2026. Originally supported by the American Rescue Plan Act (ARPA), this initiative has provided critical financial assistance to help Richmonders cover essential needs such as rent, utilities, food, and healthcare expenses as they overcome crises and work toward stability.

This continued funding will support eligible individuals experiencing emergency financial challenges, including loss of income or benefits, unexpected childcare costs, or urgent medical expenses. By maintaining this investment, we are ensuring that families in crisis have access to the resources they need to regain their footing and move forward.

ADDRESSING THE NEED FOR ACCESSIBLE HOUSING

A Central Approach to Homeless Services

The City of Richmond takes a comprehensive and proactive approach to addressing homelessness by investing in both immediate shelter solutions and long-term housing stability. Over the past three fiscal years, the City has allocated more than \$34 million in local, state, and federal funding to tackle this complex issue. These investments fall into three primary categories: inclement weather and emergency shelter services to ensure safe, temporary housing during critical times; charitable grants that support community-based organizations delivering essential services; and crisis interventions such as eviction diversion and rapid rehousing programs that help individuals and families remain housed or quickly transition out of homelessness. This multi-pronged strategy reflects the city's commitment to reducing homelessness through both prevention and support.

Helping with Eviction Diversion

Evictions have far-reaching consequences, leading to housing instability, job loss, school disruptions, and weakened communities. To continue addressing this critical issue, the Proposed FY 2026 Budget includes an \$800,000 investment in the eviction diversion program and \$500,000 for preventive eviction services, including legal assistance and mediation support.

This funding will provide financial resources, outreach, and education to help vulnerable residents stay in their homes and avoid displacement. By continuing this investment, we are reinforcing our commitment to housing stability and ensuring that Richmond families have the support they need to remain secure in their communities.

Increasing Affordable Housing

In FY 2024, the city made a significant commitment of \$50.0 million over five years – allocating \$10 million annually – to support affordable housing projects. However, this \$50.0 million commitment is just one component of our broader efforts to address affordable housing needs.

In FY 2026, I am proposing another \$7.9 million to support the Creighton Court redevelopment project, led by the Richmond Redevelopment and Housing Authority—bringing our total investment to \$19.7 million toward the \$21.4 million commitment. To fulfill this pledge, I am also proposing the final \$1.6 million in FY 2027. This project will ultimately deliver 246 affordable housing units.

Building affordable housing units is only part of the strategy to combat increasing housing prices. Other investments include projects and programs through the CIP for specific housing projects such as Creighton Court and Highland Grove, the Eviction Diversion Program, emergency sheltering programs, Family Crisis Fund, homeless resource center, lead line replacement, right to counsel, home repair, and affordable housing performance grants. Considering all sources, general fund, capital investment, grant funds, and federal allocations, the city has contributed more than \$65.1 million to the creation and preservation of over 7,900 units of affordable housing units from FY 2020 – FY 2025. Total accessible housing investments for FY 2026 are estimated to total \$49.2 million.

With the passage of House Bill 1194 in 2022, the General Assembly granted Industrial/Economic Development Authorities the ability to offer performance grants for affordable housing development. Under the EDA’s newly established program, developers can receive real estate property tax rebates for developing units that are affordable to households earning at or below 80% of the Area Median Income (AMI). If eligibility requirements are met, developers will receive annual tax rebates based on incremental increases in real estate tax liability following construction from the EDA through a coordinated program with the city’s Department of Housing & Community Development. Since 2023, City Council has approved 23 Affordable Housing Performance Grants, supporting the creation of 3,316 affordable housing units.

Affordable Housing Performance Grant Projects				
Awardee	Project Name	Council District	No. of Units	Estimated Grant Per Year* (Max. 30-year commitment)
7000 Carnation, LLC	7000 Carnation	9	292	\$293,832

REALIGNING CITY SERVICES

Over the last few years, the city has been realigning services and creating departments to focus on areas that warranted additional support. Making improvements, realigning services, and increasing responsiveness to our community continues in the Proposed FY 2026 Budget.

Increasing Transportation Planning Coordination

As the city continues to grow and becomes more densely populated, it is apparent that a more coordinated effort is needed to balance the engineering aspects of projects with the community's desire for accessible and walkable/bike friendly roadways. Achieving this balance requires attention to strategic planning, technology, collaboration, and policy reforms.

To strengthen this coordination among existing agencies, the Proposed FY 2026 Budget creates a Transportation Director position within the Department of Public Works (DPW). This new position will help strengthen coordination among existing departments and external stakeholders. It will also help develop a unified transportation vision that aligns with land use and economic development goals. It will provide oversight in integration across different transportation modes, intelligent transportation systems, foster partnerships between public transit agencies, city planners, private operators (i.e.: rideshare and bikeshare programs), and community groups. Additionally, this position will work to coordinate projects and policies that support transit-oriented development

(TOD). This director will be certified through the American Institute of Certified Planners (AICP) and be well experienced in transportation efforts of urban cities.

Enhancing Strategic Alignment and Performance Management Through Organizational Transformation

The Proposed FY 2026 Budget includes a reallocation of an existing position within the Department of Budget and Strategic Planning to establish a new Transformation Manager role. This position is designed to support the administration in developing and implementing a new strategic plan for the city. This role will lead efforts to align departmental goals with citywide priorities, working collaboratively across departments to ensure the strategic plan is actionable, measurable, and reflective of community needs.

A core focus of this role will be the update and revision of performance measures and key performance indicators (KPI's) to track progress. By building out a robust performance management framework, the Transformation Manger will assist with providing clear metrics to assess the city's operational effectiveness and long-term impact. This investment continues the commitment to accountability, continuous improvement, and results-oriented governance.

Refining Department of General Services

With the establishment of the Department of General Services (DGS) in FY 2025, we are advancing our efforts to streamline and realign department functions for greater efficiency. As part of this reorganization, the Facilities Management Division is transitioning from the Department of Public Works (DPW) to DGS, ensuring more focused oversight and improved operations. This transfer includes 47 positions, a personnel budget of \$4.2 million, and an operating budget of \$15.4 million. The shift is budget-neutral, reallocating existing resources rather than increasing expenditures.

As we continue to assess our internal structure, we are re-engineering operations to better meet the evolving needs of our organization. DGS will now oversee special capital projects, real estate, parking, fleet management services, and facilities maintenance—functions previously managed by DPW and Economic Development. With dedicated staff and resources, DGS will enhance service delivery, improve customer satisfaction, and integrate best practices and innovative technologies.

Maintaining City Facilities

Maintaining city infrastructure is not a discretionary expense—it is a fundamental responsibility. Aging facilities require ongoing investment to ensure safety, operational efficiency, asset preservation, regulatory compliance, and overall public confidence. Proper maintenance not only extends the lifespan of city buildings but also enhances employee morale and community engagement. A well-maintained municipal infrastructure is essential to fostering a thriving, resilient, and equitable city.

To address these needs, I propose a critical investment of \$16.1 million in the Proposed FY 2026 Capital Improvement Plan (CIP), bringing the total investment to nearly \$62.1 million over the next five years. This funding will support maintenance and improvements across city-owned facilities, including office buildings, parks, fire, and police stations. Key projects under the Generalized Capital Maintenance initiative include:

- Major Park Improvements
- Neighborhood Park Improvements
- City Facilities – Electrical/Generator Replacement
- City Facilities – Roof Replacement
- City Facilities – Security Upgrades
- Improvements to the Richmond City Justice Center

Public Safety

In 2023, the city received a Staffing for Adequate Fire and Emergency Response (SAFER) Grant from the Federal Emergency Management Agency (FEMA) for the Department of Fire. By accepting this grant, the city made a commitment to maintain the 72 firefighter positions once supported by the grant funds. To meet this commitment, I am including \$6.6 million in the Proposed FY 2026 Budget.

Many of our public safety facilities, including police precincts and fire stations, are outdated, and no longer equipped to support the demands of modern public safety operations. To address this, we have invested \$25 million to replace the First Police Precinct at 2501 Q Street and Fire Station 21 at 2505 Richmond Highway. Both projects broke ground in February 2024. Construction on the First Precinct is now approximately 50 percent complete, while Fire Station 21 is nearing completion. These

new facilities are designed with a focus on efficiency, accessibility, and community engagement—featuring modern workspaces, integrated neighborhood design, and spaces dedicated to fostering stronger relationships between public safety personnel and the communities they serve. The replacement of these facilities was long overdue and marks a major step forward in strengthening our public safety infrastructure.

Replacing the Fleet

Ensuring our public safety and service professionals have reliable vehicles is essential to keeping Richmond safe and clean. The Proposed FY 2026 Budget includes a \$10.0 million cash investment in fleet replacement to support critical vehicle and equipment needs across city departments. This funding supports the purchase of vehicles and equipment for Fire, patrol vehicles for Police, refuse

trucks for Solid Waste services and other city vehicles and equipment across the city. Planned funding for FY 2027 – FY 2030 includes \$49.1 million in CIP cash funds is proposed for new fleet purchases. FY 2026 planned fleet purchases include:

- Police Department – 16 vehicles.
- Fire Department – four trucks and administrative vehicles.

- Solid Waste – Six refuse trucks.
- Other City Departments – 25 vehicles (various).
- Radio Shop – Funding to equip Police vehicles.

COMMUNITY CAPITAL INVESTMENTS

Remembering our History

The Shockoe Project is a comprehensive initiative aimed at creating an experiential destination that acknowledges and honors the history of enslaved and free Africans and people of African descent. Located in the historic Shockoe Bottom area, where the second-largest slave market in the nation was housed, the project seeks to transform approximately ten acres into a multifaceted space for remembrance, reflection, research, and connection. For this, I am proposing \$10.1 million in FY 2026 in addition to the \$13.0 million provided in FY 2025 for a multi-use enslaved African cultural and heritage park-like campus in Shockoe Bottom.

Renovating Brown’s Island

In 2012, City Council adopted the Richmond Riverfront Plan, which included recommendations to transform Brown’s Island into a daily destination for recreation, exploration, socializing, and experiencing the beauty of the James River, as well as music and cultural events.

Venture Richmond is a crucial partner in the improvement plan. The total investment for all improvements is estimated at \$30.0 million. With the commitment of Venture Richmond to raise \$15.0 million in private funds for the project, I am continuing the commitment of \$6.0 million for a total of \$10.0 million (FY 2025 and 2026) as a match for the implementation of the Brown’s Island Improvement Plan.

Expanding the James River Park System

In FY 2024, the city made a historic investment with the \$15.0 million purchase of Mayo Island—long envisioned as a key addition to the James River Park System. As the only urban city in the country with Class IV whitewater rapids, Richmond has a unique opportunity to expand public access to outdoor recreation along the riverfront. Transforming Mayo Island into a public space will further enhance the city's outdoor offerings, reinforcing our commitment to environmental preservation and community engagement.

Beyond this landmark acquisition, the city continues to invest in community gathering spaces. Over the past several years, there has been a strong focus on developing, upgrading, and revitalizing playgrounds and community centers across Richmond. These efforts ensure that every neighborhood has access to

safe, modern recreational facilities. Looking ahead, the Proposed FY 2026 Capital Improvement Plan includes a \$16.0 million investment for demolition and redevelopment efforts, paving the way for further enhancements to this outdoor community space.

Connecting the City

The Proposed FY 2026 – FY 2030 Capital Improvement Plan includes several neighborhood, roadway, and connector projects. These projects improve connectivity throughout our city, improve public infrastructure, public spaces, and overall livability. Proposed FY 2026 CIP projects include (but are not limited to):

Improving Connectivity	
Proposed FY 2026	Projects
\$281,306:	Arthur Ashe Boulevard Improvements
\$500,000:	Bike Lanes/Boulevard Street Conversions
\$889,000:	Clay Street Streetscape
\$4.6 million:	Bus Rapid Transit improvements (Scott’s Addition, Shockoe Bottom, and Broad Street and Riverfront/Orleans Streetscape Improvements)
\$873,000:	Carnation Street Sidewalks - Phase II
\$1.3 million:	Deepwater Terminal Road Connector to Goods Street
\$300,000:	Hey Road Improvements
\$9.1 million:	Hull Street Improvements Phase I - Hey Road to Warwick Road
\$2.8 million:	Hull Street Improvements Phase II: Chippenham Parkway to Hey Road
\$300,000:	James River Branch Trail
\$695,000:	Jefferson Avenue Improvements
\$1.1 million:	Jahnke Road Improvements
\$1.9 million:	Richmond-Henrico Turnpike Roadway Improvements
\$2.4 million:	Manchester Connection to James River - Ped/Bike
\$900,000:	Maymont Area Sidewalks - Phase III
\$764,000:	Patterson Avenue Bike Lanes
\$3.8 million:	Shockoe Valley Street Improvements

Connecting the Fall Line Trail

The Fall Line Trail is a planned 43-mile multi-use trail in central Virginia, designed to connect Ashland to Petersburg through the Richmond metropolitan area. The trail will run north-south, linking multiple communities, parks, and key destinations while promoting alternative transportation and outdoor recreation. The route passes through Hanover, Henrico, Chesterfield, and Prince George counties, as well as the cities of Richmond, Colonial Heights, and Petersburg. To advance the city’s interests in the Fall Line Trail, I am proposing \$11.0 million in FY 2026.

Making Street Safe and Complete

Complete Streets are designed to ensure safe, accessible, and efficient mobility for all users—pedestrians, cyclists, public transit riders, and motorists—regardless of age or ability. These roadways incorporate essential infrastructure such as sidewalks, bike lanes, crosswalks, transit stops, and traffic calming measures, creating more sustainable, connected, and livable communities. Additionally, Complete Streets align with Vision Zero initiatives, reinforcing our commitment to eliminating traffic fatalities and severe injuries while promoting equitable and safe transportation options for all.

To advance these efforts, the Proposed FY 2026 Budget includes a \$21.0 million investment, with an additional \$84.0 million planned for FY 2027 – FY 2030. These funds will support critical street improvements, including traffic calming measures, pedestrian safety enhancements, ADA compliant infrastructure, resurfacing, paving, and upgrades to streets, alleys, and traffic control devices. This continued investment reflects a strong commitment to modernizing Richmond’s transportation network, prioritizing safety, accessibility, and long-term sustainability.

Enhancing Outdoor and Gathering Spaces through Playgrounds and Community Centers

Outdoor and community gathering spaces are essential to enhancing residents' quality of life and well-being in urban cities like Richmond. In recent years, there has been a strong focus on developing, upgrading, and revitalizing playgrounds and community centers across the city. Projects now underway include:

- Luck’s Field Community Center including teen center, community rooms, teaching kitchen, new gymnasium, indoor track, rooftop basketball courts, outdoor playgrounds, and Virginia Department of Health (VDH) clinic offices.
- T.B. Smith Community Center including teen center, community rooms, teaching kitchen, new gymnasium, indoor track, splashpad, outdoor playgrounds, basketball courts, multipurpose sports field, and VDH clinic offices.
- Calhoun Community Center renovation and upgrades to indoor pool, bathrooms, gymnasium, meeting rooms, multipurpose rooms, VDH clinic, and new splashpad
- Broad Rock Creek Park improvements
- Texas Beach Bridge Repairs
- Crooked Branch Ravine Bridge construction
- New Humphrey Calder Playground
- New Little John Playground
- New Riverview Playground
- Battery Park Playground Replacement
- Forest Hill Park Playground Replacement
- Park improvements, trails, and natural play area installed at Hotchkiss Community Center

- New Playground, trails, and park amenities at Whitcomb Playground
- New Holly Street Playground
- Improvements to Mashore Playground
- Warwick Road Playground
- Renovations to Hickory Hill Community Center

On March 20, 2025, the city proudly held a ribbon cutting ceremony to celebrate the opening of the new Southside Community Center, located at 6255 Old Warwick Road. This state-of-the-art facility was made possible through a combined investment of \$30.5 million—\$14.5 million in City funding and \$16 million from the American Rescue Plan Act (ARPA). The center offers a wide range of amenities designed to serve residents of all ages, including an auxiliary gymnasium, indoor walking track, boxing studio, indoor and outdoor playgrounds, multi-purpose meeting spaces, a

culinary teaching kitchen, classrooms, dance and music studios, and outdoor garden space. The Southside Community Center represents a major step forward in promoting health, education, and community engagement in the Southside area.

PUBLIC UTILITIES

The Proposed FY 2026 Budget for the Department of Public Utilities proactively addresses utility needs of Richmond and our regional partners while also providing reliable, cost effective and safe services. DPU continues to utilize established financial goals and targets to preserve the financial integrity of the utility systems. These financial targets act as guardrails in our planning process and help ensure DPU is a diligent steward of our ratepayer funds. With aging and complex systems, balancing revenue sufficiency with affordability is always a part of our budgeting process and this budget reflects our goal of providing safe and reliable services at the lowest possible rates.

DPU continues to see inflationary pressures on both labor, energy, chemical and other operational costs. The budget accounts for those variables in addition to elevated interest rates and funding for filling key vacancies within the various utilities. It also reflects proactive capital investments in the systems.

The Gas Utility plans to invest over \$200.0 million over the next five years replacing leak prone pipes which will improve reliability and efficiency. We are working with our federal partners on nearly \$65.0 million in Pipeline and Hazardous Material Safety Administration grants to assist with the effort, which will reduce the burden on the rate payers.

The Water Utility is investing over \$162.0 million over the next five years on the water distribution system, including funding for our nationally recognized lead service line replacement program. The Water Utility is also investing over \$100.0 million over the next five years on key upgrades to the water plant and pumping stations to ensure reliable operations, including major investments in our water treatment plant chemical processes, filters, and electrical systems.

The Wastewater Utility will also be investing over \$150.0 million over the next five years on upgrades to plant operations and an additional \$340.0 million on the replacement of aging sewer pipes.

The Stormwater Utility continues significant investments to address chronic flooding in areas of the city that do not have a stormwater conveyance system. Over the next five years the Stormwater Utility will invest over \$205.0 million on those key areas and other strategic projects.

Recognizing that rate increases affect everyone, we are committed to keeping costs as low as possible to minimize the impact on customers. The proposed rates reflect a balance between investing in our infrastructure for safe and reliable services and ensuring rates remain as low as practical. To ensure our rate payers have safe and reliable services, DPU must generate revenues that are sufficient for funding these critical infrastructure investments, are aligned with sound financial policies, maintain sufficient debt coverage ratios, provide funding for cash financed capital projects which reduces borrowing needs, provide adequate working capital, and maintain or improve on our bond rating standing. To support capital and operating projects I am proposing nominal utility rate increases:

Proposed Average Increases		
Utility	Month	Day
Gas	\$4.88	\$0.16
Stormwater	\$1.04	\$0.03
Water	\$2.36	\$0.08
Wastewater	\$4.55	\$0.15
Total	\$12.83	\$0.42

COMMITTING TO EDUCATION

Funding for Richmond Public Schools (RPS) is a cornerstone of our budget, reflecting the city's steadfast commitment to providing every child with access to a high-quality education. Serving a diverse student population, RPS plays a critical role in shaping the future of our community by fostering academic achievement, preparing a skilled workforce, and promoting social mobility.

The City of Richmond recognizes that investing in education strengthens not only individual students but also the long-term prosperity and vitality of our city. Strategic funding for RPS supports innovation, enhances learning environments, and ensures that schools have the resources needed to meet the evolving needs of students and families.

The budget process for RPS is a collaborative effort focused on identifying key priorities, allocating resources effectively, and maximizing the impact of public investment in education. While funding for RPS represents a significant portion of the city’s budget, we remain committed to addressing systemic disparities and ensuring equitable access to opportunities for all students.

The amount for RPS for FY 2026 includes an additional \$9.6 million, for a total city contribution of \$248.9 million, which represents a 64 percent increase since FY 2017. This funding also represents a 4.0 percent increase over the previous year. However, while city funding has increased, state funding is expected to only grow by \$45.5 million or 36 percent.

City and State 10-Year Funding History

Source: COR Proposed FY 2026 Budget and RPS FY 2026 Proposed Budget.

Maintaining and Constructing School Facilities

Richmond Public Schools identified \$800.0 million in capital funding needs. In response, we have committed to providing \$800.0 million of capital investment over 20 years. The first \$200.0 million was provided in FY 2024, the next \$200.0 million is programmed in the Proposed FY 2029 CIP Budget.

Additionally, I am proposing capital maintenance funds in the Proposed CIP Budget of \$2.5 million in FY 2026 and a total of \$10.0 million from FY 2027-2030 for a total of \$12.5 million to address maintenance needs throughout the school system.

BECOMING AN EMPLOYER OF CHOICE

ARM (Attract, Retain, and Motivate)

The Proposed FY 2026 Budget continues to invest in employees and the Attract, Retain, and Motivate (ARM) initiative.

December 31, 2024, we completed the city's transition to the Virginia Retirement System (VRS). Approximately 40 percent or 1,340 employees chose to transition from the Richmond Retirement System (RRS) to VRS. As a VRS employer, we are now experiencing the benefits of the transition as our recruitment efforts are attracting qualified candidates who previously did not apply to the city because of the retirement system. VRS is a strong recruitment strategy, especially for public sector jobs. The move to VRS and our investments in employer of choice initiatives, including wage increases, are beginning to take hold as evident in our decreasing turnover rate and increasing quality of candidate pools.

The City of Richmond continues to be a leader by providing a \$20.00 per hour minimum wage (\$41,600 annualized) and is a leader in the local labor market. This minimum wage is one of the highest minimum wages of municipalities in the Commonwealth of Virginia. With this increase, the city will pay 61 percent more than the Commonwealth of Virginia's minimum wage of \$12.41 per hour, and 176 percent higher than the federal minimum wage of \$7.25. Other compensation actions included in the Proposed FY 2026 Budget include:

- A total of \$18.6 million in salary adjustments for Sworn and General Employees:
 - Sworn police officers and firefighters will receive an average 10.3 percent increase over current wages.
 - Sworn officers will receive a one-step increase and structure changes equaling 103 percent increase compared to the average of July 2024 salaries of the surrounding jurisdictions resulting in an 8.4 percent increase to the overall pay structure.
 - With this change, a Step 1 Sworn Employee will increase from \$58,076 to \$62,983.
 - All eligible General Employees will receive a 3.25 percent pay increase.

We continue to maintain competitive salaries by adjusting grade ranges and providing market rate adjustments resulting in 692 eligible employees receiving above the 3.25 percent general wage increase:

- 76 eligible General Employees receiving an increase of 3.26 percent to 3.9 percent.
- 251 eligible General Employees receiving an increase of 4.0 percent to 7.9 percent.
- 365 eligible General Employees receiving an increase of 8.0 percent to 15+ percent.

Employee Health Clinics

The City of Richmond continues to offer dedicated health clinics for employees and their families enrolled in the city's health insurance plan.

The first clinic opened at 7012 Marlowe Road in January 2024, operated by Marathon Health, followed by the opening of a second downtown location at 626 E. Broad Street in May 2024—just steps from City Hall. These two strategically located sites provide convenient, high-quality care tailored to the needs of our workforce.

Marathon's model offers a holistic, patient-centered alternative to traditional primary care, emphasizing convenience, cost-effectiveness, and improved outcomes. Employees and their dependents benefit from preventive and acute care services that are either free or offered at a nominal cost, helping reduce overall healthcare expenses for both employees and the city. Key outcomes from the first 10 months of operation include:

- Over 2,300 unique members served.
- Over 2,500 biometric screenings completed.
- More than 3,000 prescriptions filled.
- 63 percent of at-risk patients showed improvement in biometric risk factors.
- 50 percent of at-risk patients improved their A1C levels.
- 51 percent employee engagement rate (well above the typical first-year average of 35%).
- 96.9 percent employee satisfaction rate.
- 733 physical therapy visits by 193 unique members.
- 400 behavioral health visits by 55 unique members.
- Occupational health services performed, including annual and police recruit physicals for fire personnel.

The clinics offer not only primary care but also behavioral health support, physical therapy without referrals, lab services, referrals, and an onsite pharmacy at no cost to most employees. Additionally, all employees can access appointment scheduling and secure provider communication through the Marathon mobile app.

These clinics are helping employees overcome traditional barriers to care, such as affordability, time constraints, and limited access to prescriptions. The success stories emerging from these efforts reflect the clinics' growing impact on employee well-being and workplace productivity.

The city's investment in accessible, high-quality care continues to transform how we support a healthy, engaged workforce.

Short and Long-Term Disability Insurance

As of January 2025, the city offers short and long-term insurance to employees at no cost. The Adopted FY 2025 Budget contained half a year of funding for this benefit. The Proposed FY 2026 Budget contains \$750,000 for annualization of this cost.

RECOGNITIONS

The past year has been a landmark year for economic development activities and excellence in public service, which has been recognized through distinguished awards and honors as follows:

Accredited Parking Organization (APO). In March 2025, the APO Board of the International Parking & Mobility Institute (IPMI) voted to approve the City of Richmond, Virginia as an Accredited Parking Organization (APO) with Distinction through December 31, 2027. The APO standard for parking facilities and services represents the industry's best efforts to collect, assemble and develop a reputation for achieving higher levels of quality, service, and professionalism. The APO Program establishes a benchmark of the quality by which a parking management organization conducts its business and maintains its facilities and services. An APO designation assures the public that a parking program meets national and internationally endorsed standards for professionalism, accountability, creativity, responsibility, and performance.

Distinguished Budget Presentation Award by the Government Finance Officers Association. In November 2024, the city received a Distinguished Budget Presentation Award presented by the Government Finance Officers Association. The award represents a significant achievement by the city and commitment of the governing body and staff to meeting the highest principles of government budgeting.

CNN Travel ranks Richmond the No.1 America's Best Towns to Visit. In 2024 CNN Travel highlights Richmond, VA, as a dynamic and underrated destination with top-tier museums, vibrant neighborhoods, and a thriving arts and festival scene. The city offers excellent dining, including a strong presence of Black-owned restaurants, and rich outdoor experiences. Richmond is also actively confronting its complex history as the former Confederate capital and a major slave trade hub, working to present a more complete narrative of its past.

USA Today ranks Richmond most Climate Resilient city in the Country. A 2024 USA Today study ranked Richmond, VA, as the most climate-resilient city in the U.S. The study evaluated 96 major cities based on factors such as disaster risk, flooding, drought, severe weather events, renewable energy incentives, future water stress, and tree canopy coverage. Richmond secured the top spot due to its exceptionally low FEMA Risk Index rating.

Consumer Affairs named Richmond fourth best city in the U.S. for Public Transportation. Richmond, VA, ranks 4th among top public transit systems, offering free local bus service, including high-speed buses with frequent service. The system is fully ADA-compliant and has a high safety score of 18.27 out of 20. However, despite its efficiency and affordability, it has the lowest ridership among the top 10 cities on the list.

Active RVA-Certified Workplace! Since 2013, the Active RVA Certification and Awards program celebrates employers who implement innovative wellness programs, invest in supportive infrastructure, and track measurable results to help employees lead healthier lives. In March 2025, the City of Richmond earned this certification. This prestigious certification highlights our dedication to fostering a culture of health and wellness by encouraging physical activity in the workplace.

LOOKING FORWARD

The Proposed FY 2026 Budget continues the progress that has been made to become a more efficient, and effective government that is responsive to our community's needs. We are not going to be able achieve more reductions without impacting services. As such, as we move ahead, we need to look at increasing revenues to sustain the growth and increased demand on city services. In the coming year we also plan to examine city operations closely to:

- Identify service areas where we can achieve 100 percent cost recovery.
- Identify services that can achieve a cost savings due to outsourcing or in-sourcing.
- Identify areas where artificial intelligence can produce savings or create efficiencies.
- Identify additional organizational and process improvements to enhance efficiency and improve service delivery.

Respectfully,

A handwritten signature in black ink, appearing to read 'Danny Avula', with a long horizontal flourish extending to the right.

Dr. Danny Avula
Mayor

Mayor
Dr. Danny Avula

RVAMayor@RVA.gov
(804) 646.7970 (office)
(804) 646.7987 (office)

Dr. Danny Avula took office as the 81st Mayor of the City of Richmond on January 1, 2025.

Before being elected, Danny served the Richmond and Henrico Health Districts for 12 years, including as the Director for six years. There he championed efforts to address maternal and childhood health, access to reproductive care, community safety, and the root causes that shape health outcomes—especially poverty and race.

In January 2021, Governor Northam appointed Danny to lead Virginia’s COVID-19 vaccination effort. He jump-started a struggling vaccine rollout and elevated the Commonwealth from 50th to one of the top 10 most-vaccinated states in the country.

After the pandemic started to recede, Governor Youngkin appointed Danny as Commissioner of the Virginia Department of Social Services in 2022,

where he implemented key changes to support families and to create more sustainable pathways out of poverty. He also expanded resources through successful legislative advocacy, began the process of replacing outdated IT systems, and ensured employees statewide had the necessary training to offer responsive, high-quality service.

Danny is a pediatrician and works as a hospitalist at Chippenham Hospital.

Born in Hyderabad, India, he immigrated to the United States with his parents in 1979. A father of five, Danny and his wife, Mary Kay, have lived in Richmond’s East End for over 20 years. Mary Kay is a teacher with Richmond Public Schools.

Danny holds degrees from the University of Virginia, VCU, and Johns Hopkins. He was named one of Richmond’s “Top Docs” each year from 2013-2022, a Richmond Times-Dispatch Person of the Year in 2019, and Style Weekly’s Richmonder of the Year in 2020. In 2017, he won the Dancing With the Richmond Stars contest.

City Council Members

Formulation of Richmond’s annual fiscal budget begins with the mayor in collaboration with members of the Department of Budget & Strategic Planning team and city leadership. The mayor’s proposed budget is presented to Richmond City Council, the body in charge of establishing each years’ official city budget. Richmond City Council develops applicable amendments, and adopts a balanced budget by the annual deadline of May 31, 2025.

Richmond Voter Districts Notes

Richmond Voter Districts are used to elect members of Richmond City Council, Richmond Public Schools Board of Trustees, and a Mayor (each serving 4-yr. terms). Council reapportioned/redistricted Districts in 2022, as required per U.S. Census decennial population changes. New Districts were used for 2024 elections and began use in 2025. Present Council Term: Jan. 2, 2025-Dec. 31, 2028.

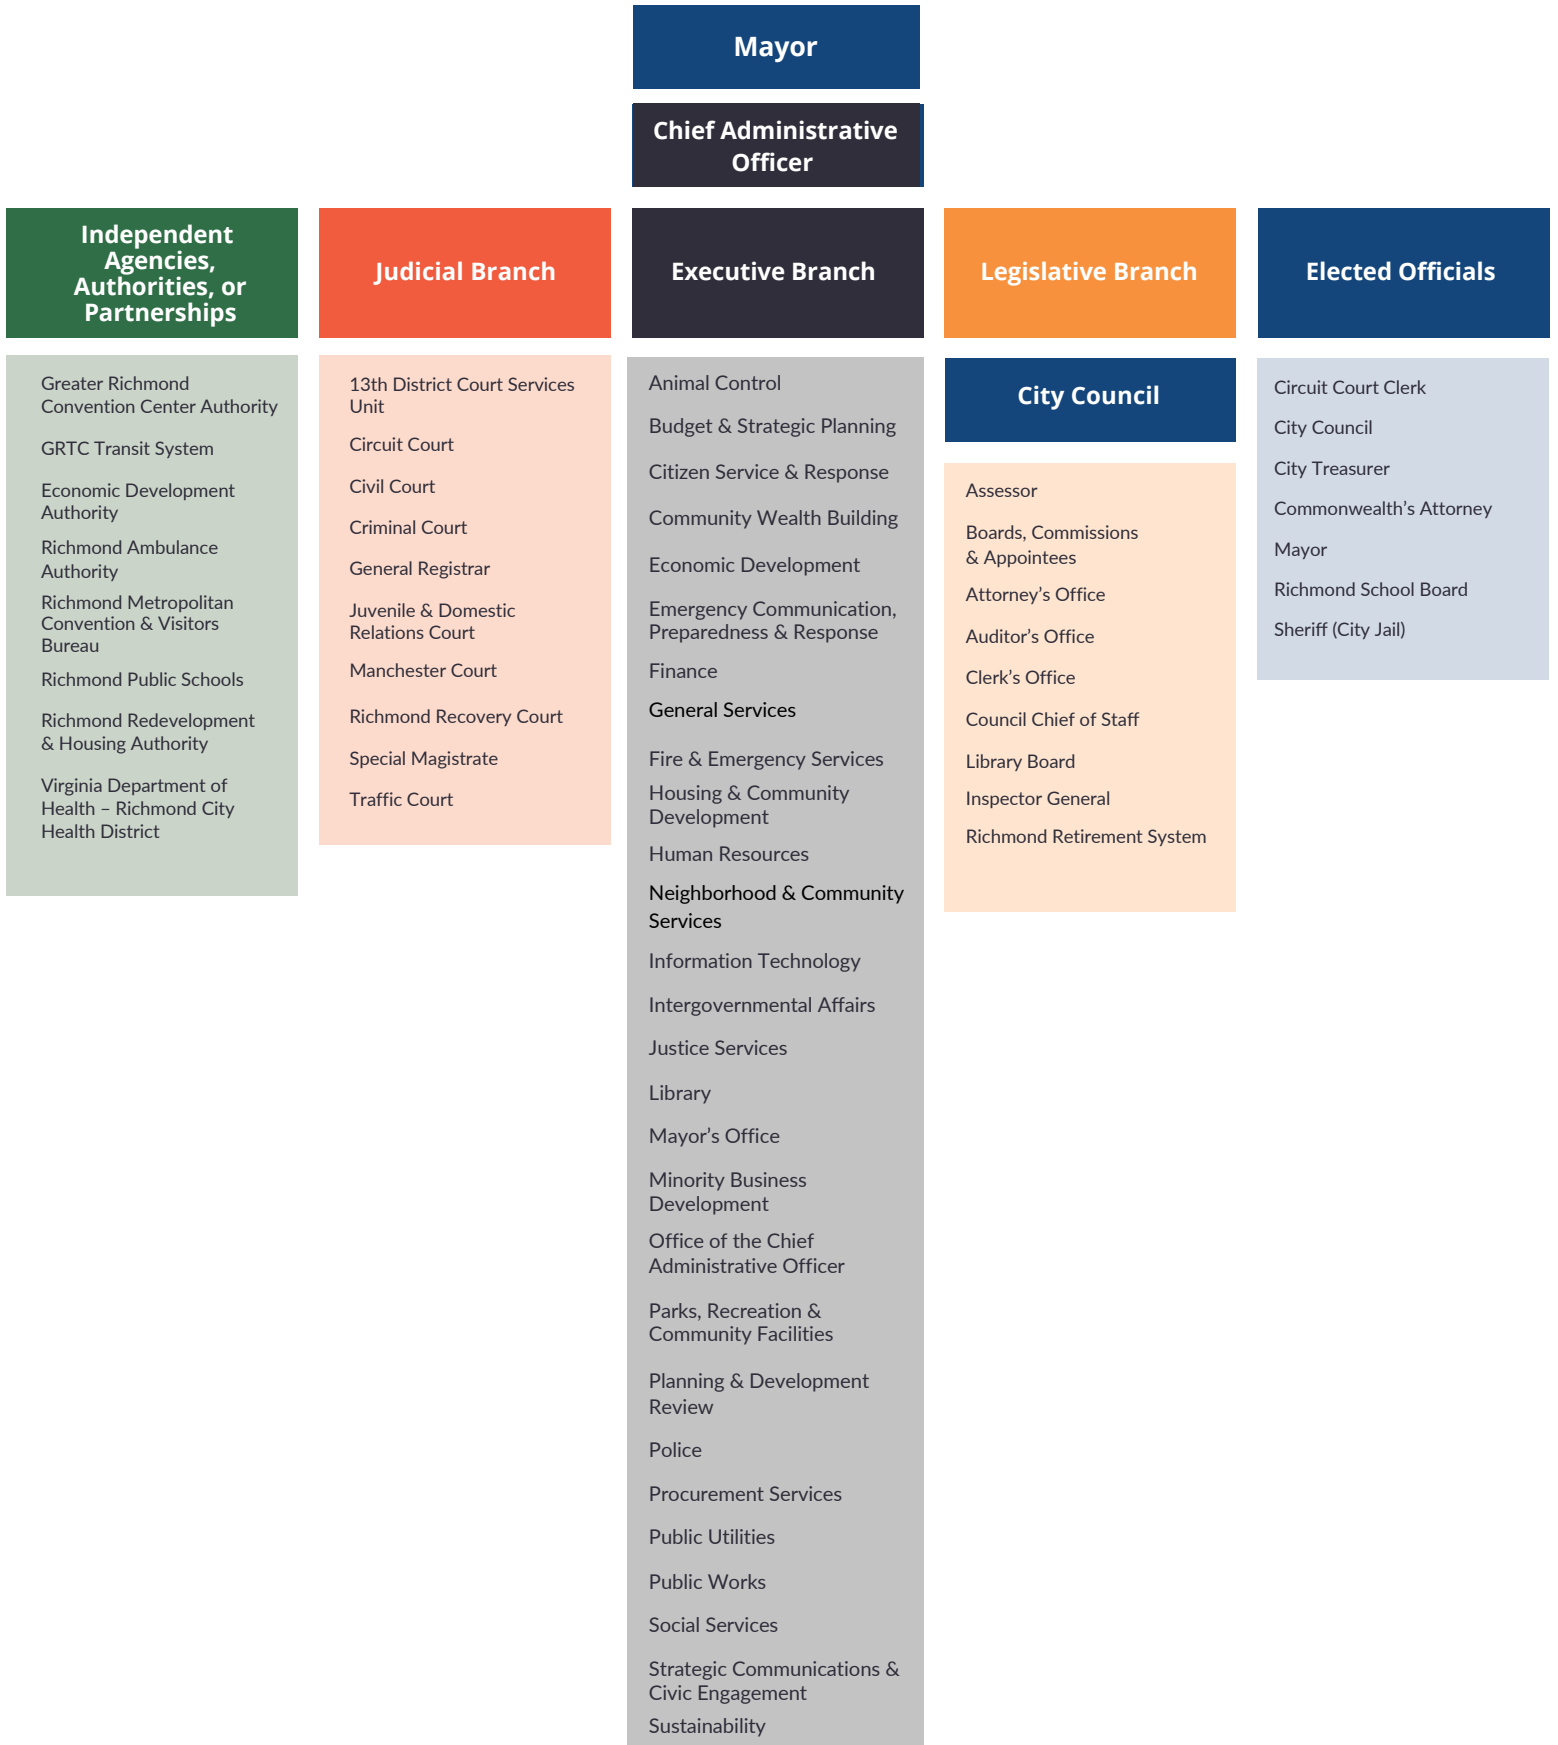

Richmond City Council represents residents as the governing legislative institution of Richmond, Virginia and is responsible for creating and amending local laws, providing government policy and oversight, and establishing the Richmond Government Budget.

BUDGET DOCUMENT DIGEST

PURPOSE

A budget is a policy document that enables the City to plan for the future, measure the performance of services, and help the public to understand where revenues come from and how they are spent on services. The budget serves many purposes and addresses different needs including those of City residents, federal and state regulatory authorities, elected officials, other local governments, taxpayers, and staff. Technical changes may be made to the document between the proposed and adopted versions.

THE BUDGET PROCESS

The City of Richmond presents an Annual Fiscal Plan that spans a single fiscal year from July 1 to June 30. The policies that govern the budget process in the City of Richmond are derived from Chapter 6 (Budgets) of the City Charter as amended through 2006, as well as Code of Virginia Chapter 25 - Budgets, Audits, and Reports. The following is a summary of the City's budget process.

BUDGET FORMULATION

The annual budget process commences in the late summer/early fall, following the implementation of the current year's adopted budget, and continues through the adoption of the next Annual Fiscal Plan in May. The first step in developing the new annual budget is to establish and organize the budget calendar. The calendar establishes the timelines for the budget formulation process, including dates for submission of focus area initiatives, agency expenditure requests and revenue estimate submissions, budget work sessions, and public hearings that will lead to final adoption.

The budget process is designed to incorporate a rigorous internal review of each department budget and to allocate resources across focus area initiatives and agency programs based on a thorough examination of program alternatives and justifications. Each initiative and program is reviewed by the budget staff, the Chief Administrative Officer, the Mayor, and the City Council.

On the date fixed by City Council, the Mayor submits a Proposed Annual Fiscal Plan, or amendments to the existing approved annual plan, for the fiscal year commencing July 1 to the City Council. The budget, delineated by fund, outlines the proposed expenditures and the revenue sources needed to finance them.

Following budget submission by the Mayor and public meetings held by City Council, the proposed budget may be amended by Council within the limitations prescribed in the City Charter. The budget is then adopted by Council no later than May 31 and takes effect on July 1. The Adopted Annual Fiscal Plan may also include technical changes made after the Mayor's presentation of the Proposed Budget to the City Council.

Appropriations set for the General Fund, Public Schools, Internal Service Funds, and Enterprise Funds lapse at the end of the fiscal year, except for those appropriations that have been encumbered to account for certain expenditure commitments. Appropriations for Capital Project Funds and Special Revenue Funds are continued until the completion of the applicable project or grant, even when the project or grant extends beyond the end of the fiscal year.

BALANCED BUDGET REQUIREMENT

For FY 2026, the total of adopted expenditures shall not exceed the sum of estimated revenue plus carried forward fund balance. The same requirement applies to the budget adopted by City Council.

BASIS OF BUDGETING

Budgets are adopted on a basis consistent with Generally Accepted Accounting Principles (GAAP) and in accordance with legal mandates. Adopted budgets for Governmental Funds utilize the modified accrual basis of accounting under which revenue and related assets are recorded when measurable and available to finance operations during the year. Proprietary funds use the accrual basis of accounting, which recognizes revenue when earned and expenses when incurred. Annual operating budgets are adopted for all Governmental Funds except for the Capital Projects Fund in which effective budgetary control is achieved on a project-by-project basis when funding sources become available.

BASIS OF ACCOUNTING

The City of Richmond uses either the accrual or the modified accrual basis of accounting, as appropriate for each fund type or activity, in accordance with GAAP.

In general, under the modified accrual basis of accounting, revenues are only considered available if the monies will be received within 60 days after the end of the accounting period and were due on or before the last day of the accounting period. Expenditures are recognized under the modified accrual basis of accounting when the related fund liability is incurred. An exception to this rule is principal and interest on general long-term debt, which is recorded when due.

Under the full accrual basis of accounting, revenues are recorded when earned, and expenses are recorded when incurred, without regard to receipts or disbursements of cash. Unbilled accounts receivable are accrued when earned in the Proprietary Funds.

In applying the recognized accrual concept to revenues, the legal and contractual requirements of the individual programs are used as guidance. Certain revenue must be expended for a specific purpose, and others are unrestricted as to the purpose of the expenditure.

In most cases, the basis of accounting conforms to how the City prepares its budget. Exceptions are as follows:

- Compensated absences are recorded as earned by employees (GAAP), instead of being expended when paid (Budget);
- Principal payments on long-term debt within the Proprietary Funds reduce the amount of debt remaining on a GAAP basis, instead of being expended on a Budget basis; and
- Capital outlays within the Proprietary Funds are recorded as assets on a GAAP basis and expended on a Budget basis.

FUND STRUCTURE

The government functions and accounting system are organized, controlled, and operated on a fund basis. A fund is a grouping of related accounts used to maintain control over resources that have been segregated for specific activities or objects. Each fund is considered a separate accounting entity, with operations accounted for in a separate set of self-balancing accounts that are comprised of assets, liabilities, fund equity, revenue, and expenditures or expenses, as appropriate. The various funds can be divided into three categories: governmental funds, proprietary funds, and fiduciary funds.

GOVERNMENTAL FUNDS

Governmental funds consist of the General Fund, Debt Service Fund, Capital Projects Fund, and Special Revenue Fund. Most government functions are financed through these funds. The modified accrual basis of budgeting is used for all government funds.

Capital Projects Fund - The Capital Projects Fund accounts for financial resources to be used for the acquisition, construction or renovation of capital facilities, or other equipment, that ultimately become City fixed assets.

Debt Service Fund - The Debt Service Fund accounts for the payment of interest and principal on all governmental fund long-term debt, costs related to debt issuance, and other related financing costs.

General Fund - The General Fund is the primary operating fund. It is used to account for all revenue sources and expenditures which are not required to be accounted for in other funds. Revenues are primarily derived from real estate and personal property taxes. The remaining revenues include federal and state distributions, other local taxes, licenses, permits and fees, fines and forfeitures, and charges for goods and services (see Glossary of Terms for definition of Revenue terms).

Special Revenue Funds - These funds are used to account for the proceeds of specific revenue sources (other than expendable trusts or major capital projects) that are legally restricted to expenditures for specified purposes. Special Revenue Funds include, but are not limited to, federal reimbursements, grants, and donations.

PROPRIETARY FUNDS

Proprietary Funds consist of enterprise funds and internal service funds. These funds account for city activities that operate similarly to private sector businesses. Consequently, these funds measure net income, financial position, and changes in financial position. All assets, liabilities, equities, revenue, expenditures, and transfers related to the City's business and quasi-business activities are accounted for through proprietary funds. The accrual basis of accounting is used for all Proprietary Funds.

Enterprise Funds - These funds account for operations (a) that are financed and operated in a manner similar to private business enterprises where the governing body intends for the costs (i.e., expenses, including depreciation) of providing goods or services to the public to be primarily covered on a continuing basis be financed or recovered through user charges; or (b) where periodic determination of revenue earned, expenses incurred, and/or net income is appropriated for capital maintenance, public policy, management control, accountability, or other purposes. (e.g., Department of Public Utilities).

Internal Service Funds - These funds are used for the financing of goods or services provided by one city department or agency to other departments, agencies, or governments, on a cost-reimbursement basis (e.g., Fleet Management).

FIDUCIARY FUNDS

Fiduciary funds account for assets held in a trustee capacity or as an agent for individuals, private organizations, other governments, and other funds. The fiduciary funds include the Retirement System Trust Fund and Agency Funds which are custodial in nature and do not reflect results of operations or have a measurement focus.

POLICIES AND PRACTICES

Financial policies and practices promote financial integrity and are an important priority in the City of Richmond. The following financial policies, practices, and guidelines establish the framework for overall financial planning and management. These broad policies set guidelines against which current budget performance can be measured and programs can be evaluated.

BALANCED BUDGET

The City's budget policies are based upon guidelines and restrictions established by the state Code, the City Charter and Code, and generally accepted accounting principles for governmental entities. These provisions set forth the City's fiscal year, tax year, taxation restrictions, as well as public hearings and advertising requirements. Included in these guidelines and restrictions is the requirement that the City must maintain a balanced budget. The budget is considered balanced if estimated revenues and resources meet planned expenditures.

The City prepares and approves an annual budget. Annually, the City must adopt and execute a budget for such funds as is required in the guidelines and restrictions discussed above. The budget controls the levy of taxes and the expenditure of money for all City purposes during the ensuing fiscal year.

REVENUE POLICIES AND PRACTICES

Multi-year revenue and expenditure forecasts for all funds will be included as a part of the development of the budget. The City will attempt to maintain a stable but diversified revenue base as a means of sheltering it from fluctuations in the economy.

Fund Balance - The City does not intend to use General Fund equity (Rainy Day/Unassigned Fund Balance) to finance current operations. The City's General Fund equity balance has been built over the years to provide the City with sufficient working capital to enable it to finance unforeseen emergencies without borrowing.

Revenue or Tax Anticipation Notes - The City does not intend to issue revenue or tax anticipation notes to fund government operations. The City intends to manage cash in a fashion that will prevent any borrowing to meet working capital needs. Short-term borrowing for this purpose was eliminated with the advent of twice-per-year real estate billing in January 2011.

Bond Anticipation Notes - The City does not intend to issue Bond Anticipation Notes (BANS) for a period of longer than two years. If the City issues a bond anticipation note for a capital project, the BANS will be converted to a long-term bond or redeemed at its expiration.

Fees and Charges - All fees established by the City of Richmond for licenses, permits, fines, services, applications, and other miscellaneous charges shall be set out to recover all or a portion of the City's expense in providing the attendant service.

Restricted Revenue - Restricted revenue (such as Children's Services Act funds, Asset Forfeiture funds, or Reserve Fund for Permanent Public Improvements (RFPP)) will only be used for the purpose intended and in a fiscally responsible manner.

OPERATING BUDGET POLICIES AND PRACTICES

Downturn Reserve Fund - The city strives to maintain a contingency reserve and the unassigned fund balance, which both make up this reserve fund, equal to at least 20 percent of the budgeted general fund operating expenses for the latest fiscal year for which the City Council has adopted a general fund budget.

- **Unassigned Fund Balance** - . The purpose of this fund balance is to help mitigate current and future risks and to provide temporary funding to address unusual, unanticipated, and seemingly insurmountable hardship. This fund balance can only be used after all other reserves or contingency funds have been exhausted.
- **Budget and Revenue Stabilization Contingency Reserve** - The purpose of this reserve is to mitigate current and future risks of catastrophic, unforeseen or unavoidable events that cause a reduction in revenue or an increase in expenditures, either or both.

Reserve	Purpose	Goal
Downturn Reserve Fund, consists of both the unassigned fund balance and the contingency reserve.	Practices of a well-managed government recommend the accumulation of unassigned fund to mitigate current and future risks and to provide for temporary funding of unforeseen emergency or catastrophic needs.	Downturn Reserve of 20% will be maintained.

Revenue Collection - The City strives to achieve an overall real property tax collection and personal property tax collection rate of 97 percent. In addition, the City is enhancing its delinquent tax collections.

Structurally Balanced Budget - The City strives to achieve a structurally balanced budget in which one-time revenue and/or one-time expenditure savings will be used for non-recurring or one-time expenditures.

Revenue and Expenditure Projections - A five-year forecast is produced annually to improve financial planning and decision making.

CAPITAL BUDGET POLICIES AND PRACTICES

Capital Improvement Program Preparation - The five-year Capital Improvement Program is developed annually in accordance with Section 6.19 of the Richmond City Charter. In addition to the guidance set forth by the City Charter, several guiding principles and best practices are used to develop and manage the Capital Improvement Program. These principles are utilized to promote capital infrastructure that supports the City’s vision and priorities by establishing a five-year capital implementation program.

Pay-As-You-Go Capital Improvement Funding - The City will strive to fund a portion of capital improvements with sources of financing that do not increase the City’s debt liability.

BUDGET DOCUMENT DIGEST

DEBT POLICY

Debt Affordability - The level of General Fund supported debt is restricted by the following debt policy:

Debt Policy	Limitation	Status
Debt service, as a percent of the General Fund budget as well as Richmond Public Schools' and the non-local portion of Street Maintenance funding, will not exceed 10 percent.	10%	Met
Debt will not exceed 3.75 percent of total assessed values (real estate, personal property, and machinery & tools).	3.75%	Met
Sixty percent (60%) of General Fund supported debt will be repaid within ten years.	60%	Met

In addition, debt is also be limited by the following:

- To the extent the limitations above are not exceeded, General Obligation debt may be used for enterprise fund capital projects in lieu of revenue bonds with the additional limitations that: coverage must be maintained, and provisions of capitalized interest will be met as though the bond held parity with outstanding revenue bonds; and
- General Fund supported debt is issued for projects with an average life that is consistent with the term of the financing.

CASH MANAGEMENT AND INVESTMENT POLICIES AND PRACTICES

Cash Management and Investment - The City invests public funds in a manner that places the safety of the principal investment as the highest priority. Secondary to safety is the maintenance of liquidity of the investment and optimization of the rate of return. Funds invested are invested in accordance with the Code of Virginia, Investment of Public Funds Act, Chapter 45, Title 2.2, § 2.2-4500 - § 2.2-4518 and the Virginia Security for Public Deposits Act, Chapter 44, Title 2.2, § 2.2-4400 - § 2.2-4411.

INTER-FUND POLICIES AND PRACTICES

Inter-Fund Transfers and Reimbursements - The General Fund will be reimbursed annually by the Enterprise and Internal Service Funds for general and administrative services provided, such as self-insurance, accounting, personnel, and administration.

BUDGET DOCUMENT DIGEST

BUDGET CYCLE

Month	Activity
August	The Department of Budget and Strategic Planning (DBSP) continues the process of implementing Performance Based Budgeting, working towards alignment of strategic priorities, performance, and resource allocation. DBSP helps departments enhance their missions, program goals, and relevant performance measures and assists with development of Strategic Action Plans. DBSP begins drafting Capital Improvement Plan (CIP) instructions and guidelines.
September	The DBSP issues instructions for the Multi-Year Forecast Process (expenditures and revenues). Departments are encouraged to submit information regarding regulatory requirements, legislative changes, demographic impacts and any other changes impacting revenues and expenditures over a five-year period. The DBSP formulates preliminary guidelines for the upcoming Capital and operating budgets. CIP and operating budget guidelines and instructions are finalized and issued to departments. DBSP issues operating budget guidelines and instructions to departments via a Budget Kickoff event.
October - December	CIP and operating requests are returned to DBSP. CIP requests are reviewed and DBSP meets with CIP project managers to discuss and finalize recommendations.
November - December	Capital budget recommendations are presented to the Executive Team for review and feedback. Multi-Year Forecast is completed and submitted to the Mayor and Chief Administrative Officer (CAO) for review. DBSP staff review department operating requests
January	DBSP meets with departments on their operating budget requests. DBSP begins formulating preliminary operating budget recommendations and presents them to Executive Team for review and feedback. Work sessions are scheduled with the mayor to discuss major issues and priorities for the upcoming budget. Multi-Year Forecast is presented to City Council.
February	Budget deliberations are held with the Executive Team to review balancing strategies and funding recommendations for both the operating and capital budgets. Final funding decisions are completed for both the operating and capital budgets and presented to the mayor for review and feedback. Mayor makes final funding recommendations. Proposed operating and capital budget documents are drafted.
March - April	Proposed capital budget is submitted to the City Planning Commission. The mayor presents the proposed operating and capital budgets to the City Council. DBSP distributes proposed budget documents to City Council. The City Council begins the facilitation of budget work sessions to review the Mayor's proposed budget.
April - May	Public hearings are held on the proposed budget. City Council introduces amendments to the budgets and adopts the General Fund, Capital, RPS, Special Fund, Enterprise Fund, and Internal Service Fund budgets. The City Council also adopts the Federal Funds budgets including Housing & Urban Development (HUD).
June - July	The DBSP completes final revisions and makes technical corrections and publishes the Adopted Budget documents. City departments and agencies initiate the implementation of services, programs, and projects in the first year of the adopted biennium.

FINANCIAL SUMMARIES & DETAILS

FINANCIAL SUMMARIES & DETAILS

GENERAL FUND REVENUE FY 2026

Fiscal Year (FY) 2026 General Fund Revenues are projected to be \$1,056,511,879. The Proposed budget for FY 2026 does not include the use of the City's unassigned fund balance. FY 2026 General Fund Revenues are projected to increase by \$54,623,209 or 5.45% compared to the FY 2025 Adopted Budget of \$1,001,888,669.

TOTAL PROPOSED REVENUE \$1,056,511,879

Revenue Sources not visible:

- Revenue from Use of Money and Property: \$13,854,397 (1.31%);
- Transfers-In: \$6,843,481 (0.65%);
- Payments in Lieu of Taxes: \$3,719,871 (0.35%);
- Recovered Costs: \$3,494,760 (0.33%);
- Fines & Forfeitures: \$8,000 (0.001%);
- Utilities: \$55,500 (0.005%)

Note: Some figures throughout this section may not sum due to rounding.

LESS:	
Total General Fund Expenditures	944,358,323
Net transfers and Other Uses	61,657,191
Estimated Ending Fund Balance*	<u>\$268,625,043</u>

**Fund Balance totals are reported in the Annual Comprehensive Financial Report (ACFR) for Fiscal Year 2024 (page 95).*

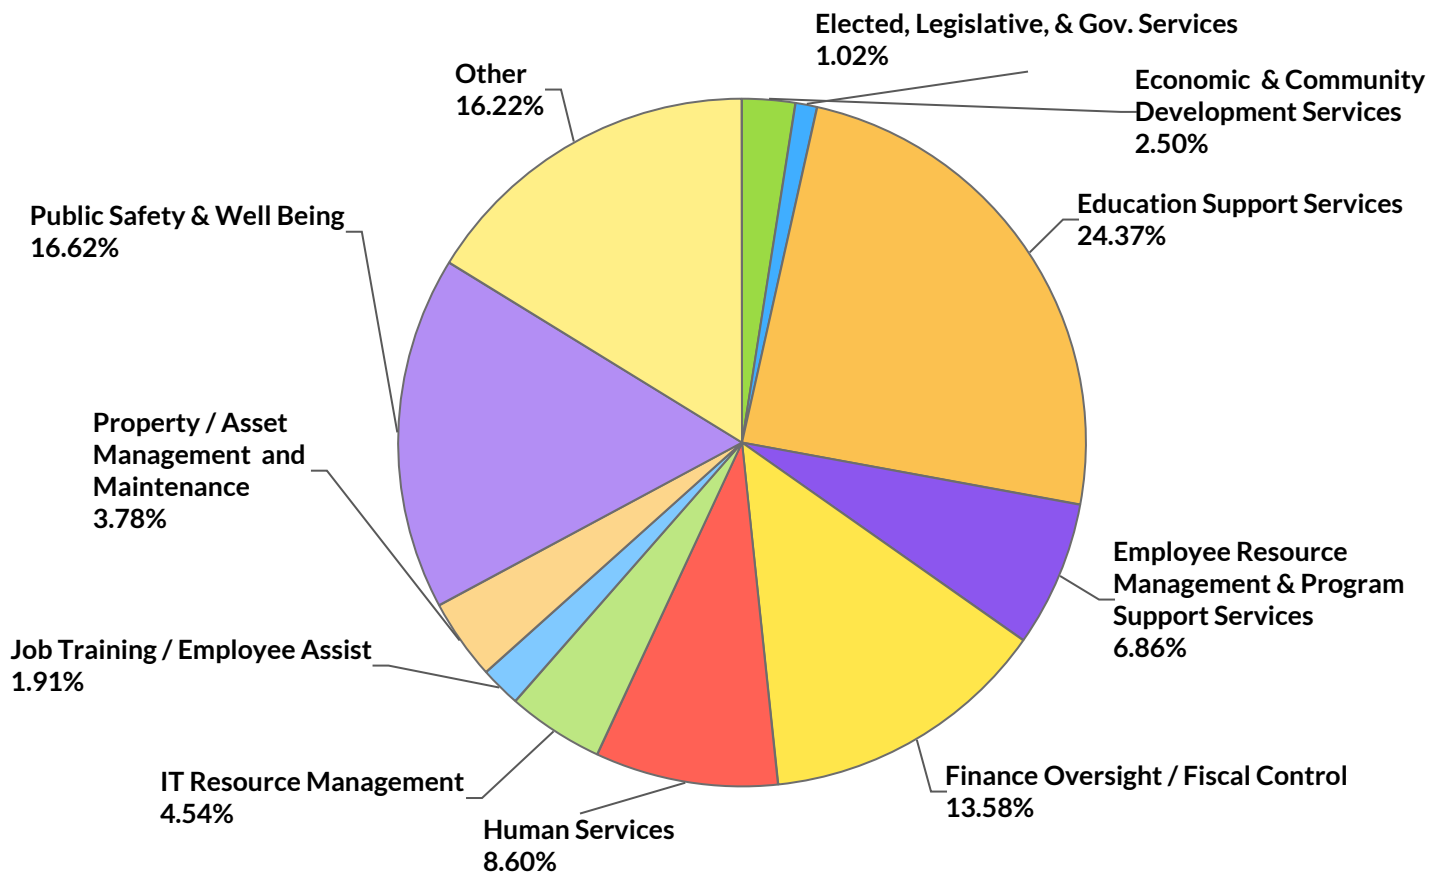

FINANCIAL SUMMARIES & DETAILS

CITYWIDE SERVICE LEVEL BUDGET

A service is defined as a specific work function or combination of activities that is performed in support of a department, program, or organizational unit. Service level budgets align the services citizens expect with what the City can afford. Service level budgeting begins with the documentation of each department's services and mandates, and is then used as part of the outcome-based budgeting process. The best way to achieve the City's strategic priorities for the long term is to align services with strategy and then make the appropriate funding decisions.

In April of 2011, the City of Richmond conducted a Citywide Services Inventory in which all city departments identified the services they provide and indicated the federal, state, or local mandates with which the services were in compliance. Each year during the budget development process, the Department of Budget & Strategic Planning has required departments to submit their budget requests based on that list of Citywide Services. Additionally, departments must also prioritize critical services related to compliance / legal mandate, Mayoral and City Council priorities, and resident benefit. The Citywide Services List consists of approximately 200 services. Each service has been placed in a Service Category. The chart and table below depict the adopted budget allocations and major expenditure percentages by Service Category.

FY 2026 GENERAL FUND SERVICES BY CATEGORY

FINANCIAL SUMMARIES & DETAILS

CIP OVERALL IMPACT ON OPERATING BUDGETS

CIP Category Name	Operational Impact
Capital Investment Opportunities	Replacement projects will lower the long term maintenance costs of the city; however, new construction of new assets may increase operations for staff needs and utilities.
Capital Maintenance Program	Major improvements to existing facilities will reduce maintenance costs by providing newer and updated facilities and equipment.
Capital Transportation Program (Federal/State/Regional funding)	Federal, State, and Regional funding for completing major transportation projects will result in operational cost efficiencies.
Capital Transportation Program (G.O. Bond funding)	The resurfacing and restoration of older streets, along with the installation of cost effective street lighting, will result in operational cost efficiencies.
Capital Vehicle & Equipment	The replacement of older equipment will result in operational cost efficiencies.
Education	Performing needed repairs will result in lower maintenance costs.

FINANCIAL SUMMARIES & DETAILS

Bond Credit Rating

Bond or credit ratings are unbiased assessments of an issuer's general creditworthiness based on pertinent risk indicators. The ability and willingness of an issuer to timely and fully repay the principal and interest of its debt obligations is what determines how highly rated long-term general obligations are. The financial position of the issuer, the issuer's existing and projected debt loads, financial management, and the state of the economy all play a significant role in determining a municipality's credit rating. When determining a price or willingness to hold an investment, an investor frequently places a lot of weight on a bond's credit rating. Standard and Poor's, Fitch Ratings, and Moody's Investors Service, the three major credit rating organizations in the United States, each apply their own.

GENERAL FUND FIVE-YEAR FORECAST

The City of Richmond prepares a five-year General Fund revenue forecast annually. The revenue forecast begins with reviewing economic and revenue historical data, as well as various current economic forecasts. In addition, the city holds an annual economic roundtable in November/December to meet with key business, industry, and other local government experts to discuss the regional and city economic patterns, issues, and outlook.

The City also accounts for the Commonwealth of Virginia's revenue forecast and enacted budget as it relates to the City. Furthermore, inter-departmental collaboration and direct communication with department managers and analysts on a regular basis provides information on one-time revenues that would otherwise not be apparent from strictly analyzing data and figures.

On an ongoing basis, as new economic and revenue data is available, revisions to the General Fund estimates may occur. Refinements are made throughout the spring, until the Mayor's presentation of the proposed budget is released and again as the budget is adopted by City Council.

Note: Some figures throughout this section may not sum due to rounding. Percent change and growth rates referenced are calculated based on the actual (not rounded) amount, which may be found in the General Fund Revenue Summary section.

ECONOMIC BACKDROP/OVERVIEW

National gross domestic product, or GDP (economic activity) grew 2.8 percent in calendar year 2024; the growth was broad-based driven by consumer spending, residential and non-residential investment spending, and state and local government spending. Given the interest rate increases the Federal Reserve (Fed) put in place starting in the spring of 2022, the economy is anticipated to slow, and inflation is expected to moderate moving forward. Since September of 2024, the Fed has moved towards lowering key interest rates to a more neutral position.

Source: U.S. Bureau of Economic Analysis, Seasonally Adjusted, Quarterly

Gross domestic product (GDP) is the value of the goods and services produced by the economy over a period of time. In 2023, the City of Richmond's GDP reached \$27,367,900,000 increasing 5.65 percent from the previous year.

Source: U.S. Bureau of Labor Statistics; Virginia Works (LAUS), 2024 is preliminary

The unemployment rate has an inverse relationship with the economy. Falling when the economy is strong, and increasing when the economy is trending down. Following the COVID-19 pandemic in 2020, the high rates of unemployment have subsided and returned to previous year rates.

GENERAL FUND REVENUE DESCRIPTIONS & TRENDS

Source: S&P Dow Jones Indices LLC, S&P 500

Source: NASDAQ OMX Group, Composite Index

Source: Dow Jones Industrial Average

As of the end of February 2025, the stock market as measured by the S&P 500, NASDAQ, and Dow Jones indices have increased by 30 percent over the last three years and are at all time highs. The stock market is a gauge of the profitability of the companies within each index. The relatively high asset values have increased the wealth of the households that hold them and have likely contributed to increased consumer spending.

Source: U.S. Bureau of Labor Statistic; 12-month percentage change, Consumer Price Index, All Categories, not seasonally adjusted; Knoema, US Inflation Forecast

The Consumer Price Index for All Urban Consumers (CPI-U), measures the monthly change in consumer prices for a representative basket of goods and services. The index remained strong over the past calendar year averaging 3.0 percent. The Federal Open Market Committee (FOMC), the U.S. Federal Reserve system's monetary policymaking body expects that by 2026, inflation will return to the target rate of close to 2.0 percent.

GENERAL FUND REVENUE DESCRIPTIONS & TRENDS

Source: Federal Reserve Bank of St. Louis, Price Consumer Price Index less Food and Energy; U.S. Bureau of Economic Analysis; and Trading Economics

Following the COVID-19 pandemic in 2020, employment gains ran around 5 1/2 percent. Throughout CY 2023, employment gains slowed to a more typical pace of 2 1/2 percent. In CY 2024, nationally the year-over-year growth continued but slowed to 1.2 percent, while at the state level growth stabilized at a 1.7 percent rate. However, since July 2024 growth in the Richmond region has accelerated and surpassed the national and state pace of job creation.

Source: University of Michigan: Consumer Sentiment © [UMCSENT]

Consumer sentiment is vital indicator that measures the optimism consumers feel about their finances and the state of the U.S. economy. Accounting for people's sentiment toward their fiscal standing, and the health of the economy in the short-term, and the overall outlook of long-term growth is vital for indicating the strength or weakness of the consumer spending going forward.

Consumer sentiment observes a steep decline in early 2025, dropping nearly 10 percent from January 2025 to February. The decrease was unanimous across groups by age, income, wealth. All five index components deteriorating.

Source: National Association of REALTORS®

Source: U.S. Census Bureau

The City of Richmond's housing market remains consistently competitive, 2024's median listing price increased to \$405,571, a 6.68 percent growth from the previous year. Steady increases in median listing prices, places the metro in the top #100. Further, building permits offer consistent indication that construction activity remains active, and the local real estate market will continue in the coming years.

GENERAL FUND REVENUE DESCRIPTIONS & TRENDS

GENERAL PROPERTY TAXES

Tax proceeds are the primary source of revenue for the General Fund. The bulk of tax revenue consists of general property taxes, which include real, personal, and business property. Tax proceeds are divided into general property taxes and other local taxes.

Other local taxes include consumer taxes (such as local option sales tax and prepared food tax), utility taxes on electric and gas consumption, state distributed taxes (i.e. communications tax), and business and other taxes.

REAL PROPERTY TAXES

Real property taxes are levied on the assessed value of the real property. Included in this category are taxes on residential and commercial property, property tax payment on public service corporations, area tax, the tax abatement for rehabilitation tax credits - a reduction to the source - and delinquent real estate taxes. The charts below illustrate the trends in assessed values of real estate and the real property tax rates over six years.

Source: City of Richmond - FY 2023 Annual Comprehensive Financial Report (Assessed Value and Estimated Actual Value of Taxable Property)

Although assessed values of real property are expected to grow, with an anticipated 97 percent collection rate of real property taxes. The proposed budget maintains the current real estate tax rate at \$1.20 per \$100 assessed value.

GENERAL FUND REVENUE DESCRIPTIONS & TRENDS

GENERAL FUND REVENUE

FY 2026 General Fund Revenues are projected to increase by \$54.6 million, observing a 5.5 percent increase from the FY 2025 Adopted Budget of \$1,001.9 million. General Property Taxes, account for 57.5 percent of the total General Fund Revenues, with \$607.6 million projected for FY 2026.

Source: City of Richmond - Department of Budget & Strategic Planning

Personal Property Taxes

Personal property taxes includes delinquent personal property tax collections. Personal property taxes are levied on the tangible property of individuals and businesses. For individuals, this tax is primarily on automobiles and recreational vehicles. Business personal property includes motor vehicles, furniture, computers, and fixtures. Business machinery and tools are taxed separately, as permitted by law. The tax rate on all personal property is maintained at \$3.70 per \$100 assessed value.

In 1998, the General Assembly enacted the Personal Property Tax Relief Act (PPTRA) to provide tax relief for qualifying vehicles. In 2004, the State capped the tax relief reimbursement payment made to localities. Since the City's payment from the State will remain constant, changes in personal property values or the number of qualifying vehicles will adjust the percentage of actual tax relief provided. Relief rates are determined and approved by Council during the year in which the relief is provided. That is, as more individuals are approved and vehicle assessments increase for PPTRA, each individual will receive a smaller amount due to the fixed amount of relief.

Other Property Taxes

Other property taxes primarily consist of machinery and tools tax, with minimal revenue added by the mobile home title tax. This tax is anticipated to be flat for FY 2026 as there is no expectation of new revenue sources for this category at this time.

GENERAL FUND REVENUE DESCRIPTIONS & TRENDS

OTHER LOCAL TAXES

Local Sales and Use Tax

The local sales and use tax is a 1.0 percent tax levied on goods and services consumed by individuals and businesses within the city boundaries. This source is primarily driven by disposable income (personal income less income tax withholding and contributions to Social Security and Medicare). After increasing 2.6 percent in FY 2024, the FY 2026 budget anticipates the local sales and use tax to be relatively flat.

Prepared Food Tax

The prepared food tax is a 7.5 percent tax assesses on the value of prepared meals consumed or sold within the city boundaries. After increasing 10.0 percent in FY 2024, the FY 2026 budget anticipates the prepared food tax to increase by 4.6 percent from the FY 2025 budget.

Business, Professional, and Occupational Licenses Fees/Taxes

Business licenses taxes is a license fee based on a percent of gross receipts, paid by business owners operating within the city. The tax rate varies between \$0.19 and \$0.58 per \$100 of gross receipts depending on the business classification. After increasing 5.3 percent in FY 2024, the FY 2026 budget anticipates this source to grow 3.7 percent from the FY 2025 budget.

Other Local Taxes

All other local taxes include the consumer utility tax, bank stock tax, motor vehicle licenses tax, transient lodging tax, and admissions tax. After increasing 1.8 percent in FY 2024, the FY 2026 budget anticipates these sources to increase 3.1 percent from the FY 2025 budget.

- The consumer utility tax is paid by residential, commercial, and industrial consumers of gas and electric utilities. The consumer utility tax rate varies based on the consumer classification.
- The bank stock tax is an annual franchise tax based on the net capital of all banks located within the city boundaries. This tax is \$0.80 on each \$100 of value of net capital.
- The motor vehicle licenses tax is remitted by taxpayers who own or have custody of a motor vehicle, trailer, or semi-trailer that is registered within the city.
- The transient lodging tax is an 8.0 percent tax on rooms rented including hotels, motels, boarding houses, travel campgrounds, and other facilities offering guest rooms for a period of less than 90 consecutive days within the city. In addition, there is a tourism improvement district fee of 2.0 percent on the room charge from lodging businesses with 41 or more rooms.
- The admissions tax is a 7.0 percent charge for admission to a place of amusement or entertainment where the admission charge is more than \$0.50.

All Other Revenue from Local Sources

The largest revenue categories in all other revenue from local sources include: charges for services; miscellaneous revenue; permits, privilege fees and other licenses; and revenue from the use of money and property. After increasing 3.6 percent in FY 2024, the FY 2026 budget anticipates these sources to increase 6.5 percent from the FY 2025 budget.

INTERGOVERNMENTAL REVENUE

Revenue from the Commonwealth

Revenue from the Commonwealth primarily includes categorical aid, which is also referred to as conditional aid or grants that may be spent only for defined purposes, non-categorical aid, which does not have any restrictions, and thirdly categorical aid for shared expenditures. The largest components of categorical aid are targeted for public safety, the sheriff, and welfare and social services. The two largest components of non-categorical aid include the personal property tax reimbursement and the communications sales and use tax.

After increasing 0.2 percent in FY 2024, the FY 2026 budget anticipates that revenue from the Commonwealth will total \$102.9 million, which is 2.0 percent above the FY 2025 budget.

Revenue from the Federal Government

Revenue from the Federal government primarily includes categorical aid for social services. After increasing 96.0 percent in FY 2024 - due largely to ARPA, the FY 2026 budget anticipates that revenue from the Federal government will total \$26.7 million, which is 13.3 percent above the FY 2025 budget.

STRATEGIC MANAGEMENT AND PERFORMANCE

OVERVIEW

The Mayor's Office: Leading Richmond's Future

The Mayor's Office provides leadership and vision to all City agencies and departments. The office is committed to developing strategic plans that use sound fiscal management and reflect the values of our community. The office commits to working collaboratively with all governmental bodies, the private sector, and Richmond's residents to build a unified and thriving city.

Our Mission

The mission of the Mayor's Office is to provide vision and leadership in the creation of municipal policies and priorities. Sec. 5.01 of the City Charter states: "The Mayor shall be the Chief Executive Officer of the City and shall be responsible for the proper administration of City government." The Mayor provides strategic direction and policy guidance to the Chief Administrative Officer and works with the City Council and other elected officials to carry out the will of the voters.

The Mayor's mission is to love and serve the City of Richmond by leading an effective, efficient, and compassionate local government that works for all our residents all of the time. The Mayor's Office is committed to vision of a healthy and thriving Richmond, where everyone's rights are protected and no one gets left behind.

The Mayor's Priorities for Richmond

The Mayor's administration is committed to building these seven pillars of a Thriving Richmond:

- A thriving City Hall that gets things done
- Thriving neighborhoods that meet our housing needs
- Thriving families where every child succeeds
- A thriving economy that leaves no one behind
- Thriving and inclusive communities where everyone's rights are protected
- A thriving and sustainable built environment planned for future generations
- A city that tells its stories and tells the truth about its past

CITY VISION

Richmond is a healthy and thriving city with abundant opportunity, where everyone's rights are protected, and no one is left behind.

CITY MISSION

To become an effective and efficient city government that stewards resources effectively, meets community needs, and earns the trust of residents.

CITY VALUES

- Excellence** — We are committed to achieving the highest standards for the benefit of our community.
- Accountability** — We act in the best interest of the public, use resources responsibly, provide transparency, recognize and take ownership of opportunities to improve our work, and welcome public feedback.
- Compassion** — We care about the well-being of the people we serve (citizens, visitors, workforce, etc.) and we act with respect and empathy towards all.
- Equality and Equity** — We are dedicated to promoting fairness and inclusion in the availability of opportunities for all to improve or maintain a quality of life.
- Unity** — We honor the experiences of all people, regardless of race, gender identity, disability, socio-economic status, sexuality or religion. All are welcome and belong in the City of Richmond.
- Integrity** — We strive to do what is right and do what we say we will do.
- Partnership** — We believe in the power of collaboration to achieve common goals.

PRIORITY AREAS

1. A thriving City Hall (that gets things done)

To transform Richmond's local government into a model public-sector organization that stewards resources effectively, meets community needs, and has the trust of residents.

2. Thriving neighborhoods (that meet our housing needs)

Meet the housing needs of a growing city, so that Richmonders at every income level can afford good housing in safe neighborhoods with strong public amenities.

3. Thriving families (where every child succeeds)

Support the education, health, and development of children and families — in and out of the classroom — so that all kids graduate Richmond Public Schools well-prepared for success and connected to opportunities for further learning and career development.

4. A thriving economy (that leaves no one behind)

Support small and minority-owned businesses and employers providing quality, living-wage job opportunities. Create pathways for disadvantaged residents to move from poverty to stability to wealth building, and direct investments to historically neglected neighborhoods.

5. Thriving and inclusive communities (where everyone's rights are protected)

Protect everyone's rights — specifically the rights of immigrants, LGBTQIA+ residents, other politically targeted groups, and the reproductive rights of women.

6. A thriving and sustainable built environment (planned for future generations)

Shift toward a net zero greenhouse emission local economy through improved public and multimodal transportation, strong stewardship of our natural resources, greening neglected neighborhoods, and a strong commitment to sustainability across all departments.

7. A city that tells its stories (that tells the truth about its past and finds a healing path forward)

Make Richmond a national model for telling the truth about its own history — including slavery, racism, and struggles for Black empowerment since the city's founding. Use the arts as a vehicle for telling these stories and for strengthening connections across the different cultures found in our city.

PRIORITY AREA 1: A THRIVING CITY HALL (THAT GET THINGS DONE)

- Goal 1** – Communicate a clear vision for the city and for City Hall that establishes priorities and promotes collaborative work to attain stated goals.
- Goal 2** – Provide customer-focused, efficient, timely, and high quality public service delivery.
- Goal 3** – Maintain sound financial practices, including financial reporting, to maintain and improve the city’s bond rating.
- Goal 4** – Attract, develop and retain a diverse and highly skilled workforce committed to continuous improvement.
- Goal 5** – Work collaboratively with partners to encourage innovative thinking and ensure responsible management of city resources.
- Goal 6** – Invest in improved technology infrastructure to benefit operations and services.
- Goal 7** – Strengthen the resilience of the City of Richmond, including through enhanced emergency preparedness.
- Goal 8** – Strengthen the Performance Management system and publish annual reports on organizational and departmental performance.
- Goal 9** – Develop and publish comprehensive strategic plan and corresponding public dashboards to regularly update progress.
- Goal 10** – Strengthen a culture of high performance and accountability, working in partnership with collective bargaining units.

PRIORITY AREA 2: THRIVING NEIGHBORHOODS (THAT MEET OUR HOUSING NEEDS)

- Goal 1** – Provide public safety services to create safe neighborhoods.
- Goal 2** – Reduce major crime and other public safety incidents through visibility, public engagement, and other prevention efforts.
- Goal 3** – Facilitate expansion of housing supply at all income levels.
- Goal 4** – Support development of more deeply affordable housing units.
- Goal 5** – Protect long-term residents from involuntary displacement as the City grows.
- Goal 6** – Revitalize or redevelop public housing communities with 1:1 replacement of deeply affordable units and strong protections and supports for current residents.
- Goal 7** – Strengthen efforts to help residents raise income and build wealth.
- Goal 8** – Strengthen eviction prevention efforts to bolster housing stability.
- Goal 9** – Adopt and fund a strategic, coordinated approach to homelessness.
- Goal 10** – Strengthen collaborations with Richmond Redevelopment & Housing Authority and other housing organizations and government entities across the region to develop and implement an ambitious housing plan.
- Goal 11** – Obtain or designate the financial resources and policy tools needed to make a scaled impact on housing affordability in the City.
- Goal 12** – Establish tangible, achievable metrics for progress that are publicized and regularly updated.

PRIORITY AREA 3: THRIVING FAMILIES (WHERE EVERY CHILD SUCCEEDS)

- Goal 1** – Support the Strategic Plan of Richmond Public Schools (DREAMS4RPS) via annual General Funding allocations.
- Goal 2** – Expand access to high-quality early childhood and care opportunities that promote school readiness.
- Goal 3** – Universalize access to high-quality, full-service out-of-school time opportunities, including after-school and summer learning experiences, for all Richmond Public Schools elementary and middle school students.
- Goal 4** – Strengthen technical education, apprenticeships for high school students and young adults.
- Goal 5** – Strengthen pathways to post-secondary education (community college, four-year college, technical education) for RPS students.
- Goal 6** – Collaborate with Richmond Public Schools and community partners to develop a shared strategic plan to meet the holistic needs of Richmond children and families, in and out of school.

PRIORITY AREA 4: A THRIVING ECONOMY (THAT LEAVES NO ONE BEHIND)

- Goal 1** – Increase the size and diversity of the revenue/tax base.
- Goal 2** – Increase the number of quality economic opportunities available to persons below 200% of the poverty line.
- Goal 3** – Strengthen the capacity of residents in high-poverty neighborhoods to prepare for, travel to, and obtain quality employment opportunities.
- Goal 4** – Foster and promote a supportive business environment, including for locally-owned businesses, minority and women-owned firms, and social enterprises.
- Goal 5** – Channel new investment to historically neglected neighborhoods.
- Goal 6** – Proactively connect residents to wealth building opportunities, including employment, business ownership, and home ownership.
- Goal 7** – Creatively use public assets and resources to support the current needs of residents.
- Goal 8** – Strengthen the safety net for individuals and families facing economic crisis.

PRIORITY AREA 5: THRIVING AND INCLUSIVE COMMUNITIES (WHERE EVERYONE'S RIGHTS ARE PROTECTED)

- Goal 1** – Make sure diverse groups are aware of their rights, have accurate information, and have access to resources and information provided by the City of Richmond.
- Goal 2** – Maintain, sustain and expand access to health services of particular importance to women and LGBTQ+ community.
- Goal 3** – Support and expand efforts to close gaps in access to health care and to reduce actual racial inequities in health outcomes, including behavioral health.
- Goal 4** – Improve accessibility of City Hall and City services to immigrants, including non-English speakers.
- Goal 5** – Support the needs of all residents, including the elderly, disabled, and other vulnerable populations.
- Goal 6** – Provide avenues for diverse populations, including historically disadvantaged and politically targeted groups, to voice their opinions and participate in the work of local government.

PRIORITY AREA 6: A THRIVING AND SUSTAINABLE BUILT ENVIRONMENT (PLANNED FOR FUTURE GENERATIONS)

- Goal 1** – Intelligently guide new, sustainable growth consistent with principles of the Richmond 300 and RVA Green 2050 plans.
- Goal 2** – Expand access, revitalize and create new parks, green space, public trails, and access to the James River.
- Goal 3** – Promote convenient, safe, and reliable transportation services that reduce road congestion, air pollution, and carbon emissions.
- Goal 4** – Provide accessible, multi-modal transportation to support economic development.
- Goal 5** – Promote safe, complete streets and related traffic safety measure consistent with Vision Zero goals.
- Goal 6** – Support expanded, coordinated regional transit to promote access to jobs and housing.
- Goal 7** – Support investments in urban forestry and other forms of Green infrastructure .
- Goal 8** – Support sustainable food and waste systems in the City of Richmond.

PRIORITY AREA 7: A CITY THAT TELLS ITS STORIES (THAT TELLS THE TRUTH ABOUT ITS PAST AND FINDS A HEALING PATH FORWARD)

- Goal 1** – Make strategic use of the City’s “memory assets,” beginning with Shockoe, to narrate the City’s history, promote creative reflection on the City’s future, and attract visitors to reflect upon Richmond as a microcosm of the United States.
- Goal 2** – Strategically steward the City’s varied cultural and historical assets.
- Goal 3** – Support a thriving and diverse arts and cultural community that helps tell Richmond’s story and that connects different cultures within the city.
- Goal 4** – Support inclusive access to the arts and to historical resources so all residents of all ages, income levels and backgrounds can participate in and contribute to the city’s unique cultural resources.

BUDGET & STRATEGIC PLANNING

OVERVIEW

The Department of Budget and Strategic Planning monitors expenditures and revenues to ensure that the City is in alignment with its annual plan by providing recommendations and financial management strategies for the city and other entities. The department also oversees citywide grant applications, ensures compliance with grant requirements, matching fund requirements, and the City's comprehensive grant process. Additionally, the department contributes to the goal of efficient and high quality service delivery by playing a central role in the implementation of a set of mission-driven, outcome-oriented, and performance-based management tools to include performance informed budgeting that guide investment to meet identified outcomes and evaluate success toward achieving City objectives.

MISSION

The mission of the Department of Budget and Strategic Planning is to provide corporate, performance informed oversight for the development, analysis, and execution of the City's budgeting and strategic performance management processes as well as grant support in order to balance the needs and resources of the community.

VISION

To implement mission-driven, outcome-oriented, and performance based management tools, to include performance informed budgeting, to meet identified outcomes and evaluate success towards achieving City objectives.

OBJECTIVES

- Enhance internal and external outreach
- Improve service delivery outcomes – improve operational efficiencies and improve internal customer service
- Enhance leadership capabilities and improve the knowledge and skills of departmental personnel

OVERVIEW

This office reassesses all real estate within the corporate limits to ascertain the market value each year. The reassessment objective is to maintain an equitable assessment-sales ratio on all classes of property, correct property descriptions and include all new construction value. Additional responsibilities include: creating and maintaining the land book, maintaining property database information, current property ownership files, and Geographic Information Systems (GIS) layer information.

MISSION

It is the mission of the Richmond Real Estate Assessor's Office to annually make equitable assessments at market value through teamwork, while encouraging citizen participation in the process to produce an assessment roll in accordance with state statutes, and to provide accurate information to the public, all in a courteous, efficient, and professional manner.

VISION

To move the department further into the 21st century with upgraded technology that allows our staff to perform more accurate and equitable real property assessments with an emphasis on professional staff development, improved Computer-Assisted Mass Appraisal (CAMA), appraisal system software, GIS integration, and more analytical tools so the public can have greater trust in the work that we do.

OBJECTIVES

- Real Estate Assessments
- Tax Exemptions by Classification or Designations
- Provide the Department of Finance with revised assessment decisions
- Schedule Board of Equalization (BOE) hearings
- Provide administrative support for the hearings
- Correspond with taxpayers on appeal outcomes

OVERVIEW

The Office of the City Auditor (OCA) plans, conducts, and reports on audits that will result in effective audit coverage of the City of Richmond, focusing on efficient use of resources. The audit process aims to enhance the efficiency and effectiveness of City operations, achieve cost savings, and improve decision-making through better internal control awareness. An audit serves as an independent evaluation of risks, controls, and compliance, helping to identify issues and opportunities for improvement. The work often includes assessing financial reliability to promote efficiency, uncover savings, and prevent fraud. The OCA focuses on transparency and providing an objective report on City operations to foster awareness and improvement.

MISSION

The mission of the City Auditor's Office is to promote open and accountable government through independent audit services.

VISION

To serve as a trusted partner in promoting transparency, accountability, and efficiency in local government by delivering insightful, independent, and impactful audits that enhance public trust and improve government operations.

OBJECTIVES

- Promote efficiency and effectiveness of operations and programs
- Promote full financial accountability, transparency, and public trust
- Promote compliance with relevant laws, regulations, and policies
- Identify and assess risk and internal controls that could affect government operations
- Foster continuance improvement through audit recommendations

OVERVIEW

The Office of the City Clerk is a user-friendly agency, committed to providing prompt, professional, and courteous service. It is the duty of the City Clerk to: maintain the official record of legislation considered by Council; preserve an accurate and concise journal of all City Council proceedings; function as the filing officer for various regulations, protests, petitions, statements of economic interest; assure proper notification to citizens of impending legislation, traffic studies, and agreements; perform Oaths of Office for designated City Officials; process Mayoral vetoes; facilitate board appointments and reappointments by maintaining comprehensive information on Boards, Authorities, Commissions and Committees, managing the database which contains information on various boards and timely processing board applications to aid Council and the Mayor in fulfilling appointments; certify official documents of the City.

MISSION

The mission of the Office of the Richmond City Clerk is to ensure the preservation, integrity, and accessibility of the City's official record through the shared management of the legislative process, to provide administrative and technical support to the City Council, to create and disseminate accurate information concerning legislative decisions and policies, and to protect the City Seal.

VISION

The Office of the Richmond City Clerk is a user-friendly agency, committed to providing prompt, professional, and courteous service.

OBJECTIVES

- Improve the internal and external communication of city operations and build a transparent government for city employees and citizens

OVERVIEW

The Richmond City Council is the official governing body of the City of Richmond and provides legal authority over it per the Richmond City Charter. In the delivery of its duties, the Richmond City Council represents city residents by creating and amending local laws, providing government policy and oversight, levying local taxes, appointing members to boards and commissions, and approving the City's annual budget. Richmond operates a Council-Mayor form of government in which the City is divided into nine voter districts. These Richmond Voting Districts include the: West End 1st Voter District, North Central 2nd Voter District, North Side 3rd Voter District, Southwest 4th Voter District, Central 5th Voter District, Gateway 6th Voter District, East End 7th Voter District, Southside 8th Voter District, and South Central 9th Voter District. Council members serve four-year terms and every two years, elect, from among its members, one person to serve as President and one to serve as Vice President.

Richmond City Council appoints and oversees six offices: Office of the Council Chief of Staff, Office of the City Clerk, Office of the City Auditor, Office of the City Attorney, Office of City Assessor of Real Estate, and Office of the Inspector General.

In the delivery of its duties, Richmond City Council holds an average of 12 official monthly public meetings to discuss, deliberate, and act on laws and policy on behalf of Richmond residents. These include formal meetings; informal meetings; six Council Standing Committee meetings; and Council budget meetings, special meetings, and public hearings and special events that are held on an as-needed basis.

Richmond City Council Standing Committees represent six general focus areas, which include: the Richmond City Council Finance and Economic Development Standing Committee; Education and Human Services Standing Committee; Land Use, Housing and Transportation Standing Committee; Governmental Operations Standing Committee; Organizational Development Standing Committee; and, Public Safety Standing Committee. Richmond City Council also regularly establishes and/or appoints members to serve on approximately 60 local and regional government boards, commissions, committees, and task forces to assist with providing oversight on various topics, programs and services.

MISSION

The mission of Richmond City Council is to represent citizens in creating and amending local laws, providing government policy and oversight, and approving the City's budget.

VISION

Richmond City Council is committed to creating a vibrant community that is a great place to live, love, work, learn, play, visit, and enjoy family

OBJECTIVES

- Represent Richmond residents in creating and amending local laws
- Establish an annual Richmond Government Budget
- Develop Richmond Government policy
- Provide oversight of Richmond Government

OVERVIEW

The Department of Citizen Service and Response is comprised of RVA311. The primary responsibilities of the department is to enable the dissemination of information, enable citizens to request non-emergency services, and to analyze and report the public's citizen requests, and the City's responsiveness in fulfilling citizens' requests.

MISSION

To empower Richmond citizens to get their non-emergency service needs met and help City government understand and respond to the public's needs and concerns effectively, with high citizen satisfaction.

VISION

The department makes it easy for citizens to share their input into City initiatives and to submit requests through their channel of choice. CSR provides the public with the opportunity to provide input into major City initiatives. CSR works with departments to provide citizens with clear expectations when a request is submitted, received timely, and meaningful updates are made to their requests through completion. Citizen Service and Response will offer actionable insights into public feedback, input, service requests, and request fulfillment to City Leadership and the public, in order to anticipate and effectively meet citizen needs.

OBJECTIVES

- Establish a culture of responsiveness and resident-centric perspective for all City departments and personnel.
- Increase transparency and timeliness of information provided to the public
- Provide digital and in-person capabilities to City government agencies for the dissemination of information, and the solicitation and gathering of public input
- Measure requestor satisfaction with departmental fulfillment of requests
- Provide opportunities for citizens to submit and receive updates on requests through phone, internet, and smartphone app
- Provide district-level reporting of citizen requests to stakeholders

Update Personnel Expenditures **FTE: 5.00** **\$417,974**

- Technical adjustment to support personnel costs. Changes reflect updates in staffing due to administrative actions, creation, consolidation, reorganization efforts and the addition of five Customer Care Specialists to address increased workload. It also includes updates for the required contributions to the Richmond Retirement System (RRS), Virginia Retirement System (VRS), FICA, MedFICA, group life, and healthcare premiums. These are routine actions which occur at the beginning of each budget cycle.

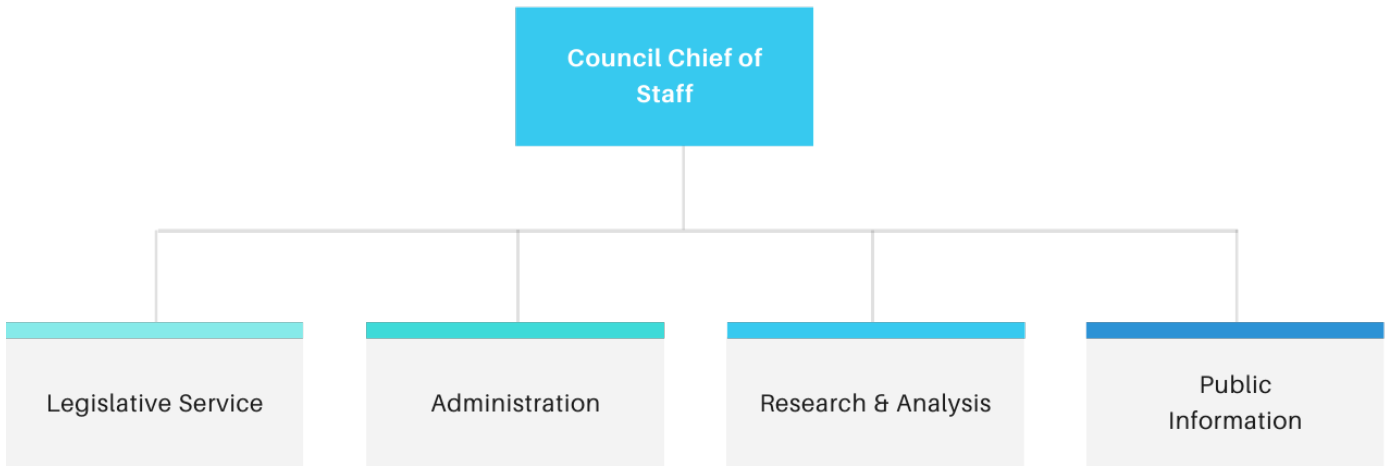

Support Employee Salary Increase **FTE: 0.00** **\$59,892**

- Provide a three and a quarter (3.25) percent salary increase for general employees.

TOTAL **FTE: 5.00** **\$477,866**

OVERVIEW

The Office of Council Chief of Staff supports Richmond City Council by providing general management and control over Richmond City Council operations on behalf of the institution of Council. Responsibilities on behalf of the institution of Council include directing and managing day-to-day and ongoing administrative activities; research, analysis and facilitation of the Richmond Government Budget and proposed city and state legislation; monitoring compliance with established public policy and the Richmond Government Budget; management and delivery of Council Public Information and Special Events; facilitation between Council, Mayor's Office and Chief Administrative Officer and other City department/agencies; and oversight of Council Offices.

MISSION

The mission of the Richmond City Council Office of the Council Chief of Staff is to serve Richmond City Council by providing fiscal and policy analysis and to communicate and connect resources that enhance the lives of Richmond residents through responsible government.

VISION

The Richmond City Council Office of the Council Chief of Staff is committed to supporting the Richmond City Council as an informed and responsive body.

OBJECTIVES

- Support Council in representing Richmond residents in creating and amending local laws
- Support Council in establishing an annual Richmond Government Budget
- Support Council in developing Richmond Government policy
- Support Council in providing oversight of Richmond Government
- Support Council in providing oversight of Council Offices

OVERVIEW

The Department of Finance is responsible for the taxation, accounting, disbursement, risk management, as well as debt and investment functions of the City. The Director of Finance is responsible for the offices of the Treasurer and Commissioner of Revenue.

MISSION

To manage and safeguard the shared capital of the City of Richmond's citizens, businesses, departments, and partners.

VISION

A citizen-focused Finance Department that is streamlined, transparent, and serves as a centralized resource for the City's many departments, offices, and partner organizations.

OBJECTIVES

- Maintain and continuously improve bond ratings for the City of Richmond.
- Maximize investment returns within appropriate risk parameters.
- On time completion of the annual audited and monthly unaudited reports.
- Accurate accounting of all funds (general, special, grant, etc.) of the City of Richmond.
- Ensure prompt payments to the City of Richmond's vendors in accordance with code.
- Maximize revenue collections, for both current and delinquent taxes and fees owed to the City.
- To issue accurate assessments and levies in an effective matter.
- To protect and preserve city assets and work force against losses.

GENERAL SERVICES

OVERVIEW

The Department of General Services is organized into the following primary service units: Capital Project Execution, Real Estate Services and Administration, Parking Services, Fleet Management, and Facilities Management. The department's goals include optimizing the city's real estate portfolio of owned and leased facilities through strategic investments development; procuring and maintaining vehicle assets needed to support city delivered citizen services; and overseeing parking services to provide accessible parking to businesses, residents, and visitors to the city.

MISSION

Provide a variety of support services through fleet, parking, real estate, and special capital project management in a safe, effective, and cost-efficient manner.

VISION

To establish the Department of General Services as a best practice organization in the provision of facility and vehicle needs determination and delivery.

OBJECTIVES

- Support the delivery of capital projects
- Manage the execution of the city's capital funds appropriated for new facility construction and renovations
- Determine facility types and space needs to support city operations
- Generate revenue and economic development opportunities from the disposal of city-owned surplus property
- Ensure sustainable practices are included in facility and fleet operational decision
- Enhance curb management for parking to advance and support vibrant, inclusive, and mobile communities

HUMAN RESOURCES

OVERVIEW

The department implements innovative strategies to administer human capital programs by: delivering cost-efficient and top-tier talent recruitment and selection services; administering competitive and progressive classification, compensation, and performance evaluation systems; developing, overseeing, and keeping record of employee data; providing timely and comprehensive consultation, investigation, and resolution of grievances, disciplinary actions, and complaints; providing expertise and consultation in the areas of human capital policy development and administration, policy review, and interpretation; supporting employee engagement and professional growth by creating and implementing employee training and development initiatives, recognition programs, and specialized incentives; and providing holistic employee health and wellness benefit programs.

MISSION

To provide high-quality, holistic, innovative, and human-centric services for its internal and external customers, who include administrators, staff, and prospective employees of the City of Richmond. The department's services elevate the city to an employer of choice by building a progressive, innovative, and inclusive organization, designing employee wellness and development programs, and administering equitable and consistent policy.

VISION

The department strives to create a positive work culture, establish ethical standards, and promote the city's core values through recruiting and retaining top-tier employees resulting in workplace of choice.

OBJECTIVES

- Continue to strategically and expeditiously select and on-board highly talented individuals with the acumen, aptitude, and attitude to thrive in City of Richmond Government
- Continue to engage City of Richmond employees to ensure that each person is in the right job and has been provided with the right resources to leverage their knowledge skills, and behaviors to meet City of Richmond goals and sustain organizational success
- Attract, develop, and retain a diverse and highly skilled workforce committed to continuous improvement

HUMAN RESOURCES

OBJECTIVES CONT.

- Continue to ensure compliance with federal employment law/federal substance abuse policy requirements, City Personnel Rules, & Administrative Regulations, to include all grievance and Personnel Board hearings. To provide guidance on all applicable federal employment laws and City Policy. Perform research on and revise all employment law-related policies, including Personnel Rules & Administrative Regulations. Ensure compliance with disciplinary procedures.
- Oversee classification and compensation for employees, ensuring compliance with city, state and federal rules/laws

FY 2026 PROPOSED BUDGET ADJUSTMENTS

Update Personnel Expenditures **FTE: 2.00** **\$850,355**

- Technical adjustment to support personnel costs. Changes reflect a realignment of funding for human resource provided services for the Department of Public Utilities. This adjustment is only for reallocation of funding. A corresponding adjustment has been made in Public Utilities to decrease the funding support. It also includes updates for the required contributions to the Richmond Retirement System (RRS), Virginia Retirement System (VRS), FICA, MedFICA, group life, and healthcare premiums. These are routine actions which occur at the beginning of each budget cycle.

Support Employee Salary Increase **FTE: 0.00** **\$163,795**

- Provide a three and a quarter (3.25) percent salary increase for general employees.

Annualize Short-Term and Long-Term Disability Benefits for Employees **FTE: 0.00** **\$750,000**

- Provide additional funds for short-term disability (STD) and long-term disability (LTD) insurance for all employees, absence management of Family Medical Leave Act (FMLA)/Parental Leave, and ADA accommodation to employees. Funds for these benefits were only provided for six months in the prior fiscal year.

Capture Savings **FTE: 0.00** **(\$700,499)**

- Reduce funds for underspent programs. Saving areas include tuition assistance, language incentive, professional development, alternative employee transportation programs and other technology savings.

TOTAL **FTE: 2.00** **\$1,063,651**

THIS PAGE INTENTIONALLY LEFT BLANK

OVERVIEW

The department originally began as part of the City Auditor's Office. In FY 2019, the City Charter was updated and the Inspector General's Office became an independent office. The office audits, inspects, evaluates and investigates the activities, records and individuals affiliated with contracts and procurement undertaken by the City, conducts criminal, civil and administrative investigations relating to the municipal affairs of the City, and reviews legislation, rules, regulations, policies, procedures and transactions.

MISSION

The Inspector General's Office strives to detect and prevent fraud, waste, and abuse and to promote economy, efficiency, and effectiveness in the programs and operations of the City of Richmond Government through independent and objective investigations, inspections, and assistance.

VISION

To be a highly effective organization that promotes positive change throughout the City of Richmond Government with a professional and skilled team that strives for continuous improvement.

OBJECTIVES

- Maintain fraud reporting hotline and fraud app for Richmond citizens and employees of the City of Richmond
- Investigate fraud waste and abuse allegations as outlined by City Code
- Engage in prevention activities to include review of legislation, policies and procedures and provide training and education to city employees to identify and prevent fraud waste and abuse of taxpayer resources
- Conduct joint investigations and projects with other law enforcement agencies
- Increase transparency and timeliness of information
- Foster a culture of organizational excellence citywide
- Provide professional investigations and inspections that will have positive effects to promote change and policy efficiency

INTERGOVERNMENTAL AFFAIRS

OVERVIEW

The Office of Intergovernmental Affairs (OIA) advocates for the City of Richmond's interests before the Virginia General Assembly, state officials, federal agencies, and other decision-making bodies. It serves as the liaison to governmental and non-governmental organizations. It facilitates the communication of legislative priorities between key stakeholders and the city. It serves the dual role of advocating the priorities of the administration and city council.

MISSION

Advance the city's financial and operating legislative priorities with policymakers of the federal, state, and local governments.

VISION

Maintain close working relationships internally and externally to identify and develop legislative priorities. Partner with regional leaders and governmental decision makers to advocate for key legislation that impacts city priorities.

OBJECTIVES

- Develop and maintain relationships with federal, state, regional, and local governments decision makers
- Coordinate with city departments, city leaders, and city council to draft a legislative agenda
- Strategize with the lobbyists regarding federal programs and legislation
- Advocate for the City's interests with the Virginia General Assembly members
- Work with other interested parties to promote legislation, financial support, and projects that are beneficial to the City

OVERVIEW

The Mayor's Office: Leading Richmond's Future

The Mayor's Office provides leadership and vision to all City agencies and departments. The office is committed to developing strategic plans that use sound fiscal management and reflect the values of our community. The office commits to working collaboratively with all governmental bodies, the private sector, and Richmond's residents to build a unified and thriving city.

MISSION

The mission of the Mayor's Office is to provide vision and leadership in the creation of municipal policies and priorities. Sec. 5.01 of the City Charter states: "The Mayor shall be the Chief Executive Officer of the City and shall be responsible for the proper administration of City government." The Mayor provides strategic direction and policy guidance to the Chief Administrative Officer and works with the City Council and other elected officials to carry out the will of the voters.

The Mayor's mission is to love and serve the City of Richmond by leading an effective, efficient, and compassionate local government that works for all our residents all of the time. The Mayor's Office is committed to a healthy and thriving Richmond, where everyone's rights are protected and no one gets left behind.

OBJECTIVES

This office is committed to building these seven pillars of a Thriving Richmond:

- A thriving City Hall that gets things done
- Thriving neighborhoods that meet our housing needs
- Thriving families where every child succeeds
- A thriving economy that leaves no one behind
- Thriving and inclusive communities where everyone's rights are protected
- A thriving and sustainable built environment planned for future generations
- A city that tells its stories and tells the truth about its past

MINORITY BUSINESS DEVELOPMENT

OVERVIEW

The Office of Minority Business Development's (OMBD) programs and services ensure minority-owned, emerging small, and disadvantaged businesses have an equal opportunity to compete for the City's procurement of goods and services. Our programs/services help foster open and competitive procurement practices within the city. OMBD provides goal setting and compliance review of contract goals, as well as conduct training seminars and technical assistance programs that promote minority and small business growth, development, and sustainability.

MISSION

Our mission is to facilitate, produce, and advance opportunities for Minority Business Enterprises (MBE), Emerging Small Businesses (ESB), and Disadvantaged Business Enterprises (DBE) to successfully participate in the full array of contracting opportunities available in the City of Richmond by promoting and executing a wide variety of technical assistance programs.

VISION

Greater economic and social equity in our community through the pursuit of parity in the amount the City of Richmond spends, as well as opportunities for growth and development through procure goods/services and technical assistance using taxpayer dollars and user fees.

OBJECTIVES

- Increase technical assistance activities to attract, retain and grow businesses
- Identify procurement opportunities within the city administration as well as the city's anchor institutions
- Take advantage of the latest technology to enable opportunity and ensure diversity
- Assist in the preparation of MBE/ESB with the goal of qualify for lending opportunities
- Collaborate with internal/external organizations

OVERVIEW

The Office of Strategic Communications and Civic Engagement is responsible for coordinating the City of Richmond's public, media, and marketing relations. This office is further tasked with the organization of publicity/marketing campaigns, managing crises, curating stories, narrative building, proactive storytelling, addressing negative publicity, and focusing on intentional community/neighbor engagement.

The Office of Strategic Communications and Civic Engagement is also responsible for producing professionally written documents, brochures, summaries, books, manuals, and reports as directed by the Chief Administrative Officer. The Office of Strategic Communications and Civic Engagement works with leadership, departments, and frontline employees at the City of Richmond to encourage citizenship and strong communities by building partnerships within the city, with the public/community, nonprofit community-based organizations, businesses, partners, stakeholders, and other governmental institutions. These partnerships enhance resident participation by engaging residents in civic, employment, experiential, and leadership opportunities, and experiences while contributing to the civic, social, and economic well-being of Richmond.

MISSION

To facilitate open communication between Richmond and its stakeholders to encourage public participation and raise awareness of City programs, services and events; increase transparency, and enhance quality of life.

VISION

The Office of Strategic Communications and Civic Engagement is quite diverse in the sense that it must function in dual or multiple roles to meet the demands for public information in this present era. The Office is an intricate part of establishing positive relationships with outside entities, partners, stakeholders, and the community. The Office of Strategic Communications and Civic Engagement looks to educate, inform and empower residents. Through proactive and positive engagement opportunities, residents gain the knowledge needed to contribute as active and informed members of a democratic society in order to promote the growth of a healthy city, local economic vitality, social justice, and the common good.

OBJECTIVES

- Assist the City's departments with public education initiatives and special events
- Draft, design, and distribute all print and electronic materials including brochures, pamphlets, and fliers, to foster public information strategies of all City departments
- Respond to all media and neighbor inquiries regarding City programs, events, etc.
- Develop and manage postings on the City's social media accounts
- Develop civic engagement strategies to authentically engage with residents, stakeholders, and partner

ANIMAL CARE AND CONTROL

OVERVIEW

Richmond Animal Care and Control (RACC) manages and protects the animal population in Richmond, VA, enforces animal ordinances, protects the health and welfare of the citizens, and strives to place as many unwanted animals as possible in loving homes.

MISSION

To provide a safe and healthy community through professional enforcement of animal related laws, while providing and promoting the humane care of every animal in need.

VISION

We strive for a city where every companion animal has a safe and loving forever home. Defining leading animal welfare, public safety and operational practices, RACC will grow as a trusted community resource.

OBJECTIVES

- Continue to improve adoption/foster rates
- Continue to improve completed calls for service
- Continue to provide the best shelter environment for the animals in our care

EMERGENCY COMMUNICATIONS, PREPAREDNESS & RESPONSE

OVERVIEW

Richmond's Department of Emergency Communications, Preparedness and Response answers and dispatches all 911 and non-emergency calls for the city of Richmond. It also provides and supports the public safety infrastructure. Processing hundreds of thousands of calls for service yearly, it is one of the busiest emergency communications centers in Virginia. It also helps the city prepare for, mitigate, respond to, and recover from disasters. After a multi-year process of evaluation, it earned the national Public Safety Communications Accreditation on May 4, 2019, from the Commission on Accreditation for Law Enforcement Agencies Inc. (CALEA).

MISSION

Provide leadership and support through coordination of emergency management resources, collaborative public safety partnerships, and reliable and efficient E-911 emergency services.

VISION

Provide the best emergency and non-emergency support to the people of Richmond.

OBJECTIVES

- Deliver reliable, efficient, and high quality service
- Deliver exceptional crisis management and risk reduction
- Provide the best emergency and non-emergency support to the people of Richmond
- Drive innovation for future readiness of the city
- Build a prepared city

FY 2026 PROPOSED BUDGET ADJUSTMENTS

Update Personnel Expenditures **FTE: 0.85** **\$877,889**

- Technical adjustment to support personnel costs. Changes reflect updates in staffing due to administrative actions, creation, consolidation, or reorganization efforts. This adjustment is only for reallocation of funding and does not reflect an overall increase in staffing. A corresponding adjustment has been made to special funding allocations to support the appropriate FTE count. It also includes updates for the required contributions to the Richmond Retirement System (RRS), Virginia Retirement System (VRS), FICA, MedFICA, group life, and healthcare premiums. These are routine actions which occur at the beginning of each budget cycle.

Support Employee Salary Increase **FTE: 0.00** **\$197,512**

- Provide a three and a quarter (3.25) percent salary increase for general employees.

Support Emergency Dispatch Services **FTE: 22.00** **\$2,143,161**

- Transfer positions from the Special Fund that are providing emergency dispatch services. Due to annual personnel increases, costs for these positions have outpaced the annual Special Fund contribution, and as such these positions are now funded within the General Fund.

Adjust One-time Support Costs **FTE: 0.00** **(\$900,000)**

- Reduce funds provided for the improvement and upgrade to the computer aided dispatch (CAD) and 911 consoles.

Support City Readiness Planning **FTE: 0.00** **\$250,000**

- Provide funds for a grant match to assist with locating and outfitting an Emergency Operations Center to aid city readiness planning.

Support Contractual Agreements **FTE: 0.00** **\$197,543**

- Technical adjustment to account for new and/or increases in existing department contracts. Contracts include Intergraph, Hexagon, Motorola, and code red.

Support Technology Improvements **FTE: 0.00** **\$268,662**

- Provide support for technology improvements and address critical software maintenance, upgrades and needs of the department. Specific projects include equipment replacement and VMware licenses, and maintenance support.

Support Fleet Management Services **FTE: 0.00** **\$17,152**

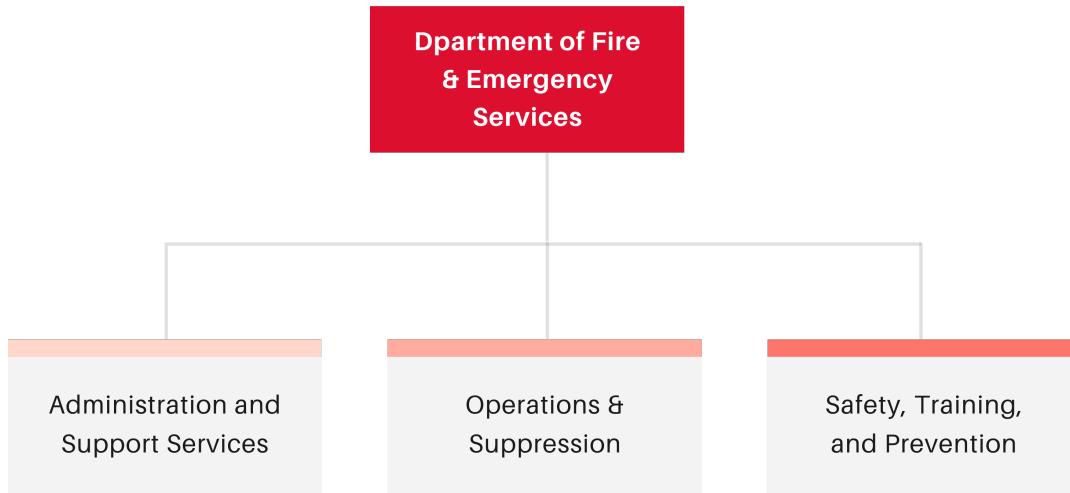

- Technical adjustment to update the funding needed to support expenditures based on an annual cost revision calculation. Fleet Management provides support for vehicle maintenance and repair. This is a routine adjustment which occurs at the beginning of each budget cycle.

TOTAL **FTE: 22.85** **\$3,051,920**

OVERVIEW

The Department of Fire and Emergency Services is an all hazards, emergency service provider responsible for fire code enforcement, fire response, emergency medical response, water/technical rescue response, hazardous materials response, community outreach, fire and injury prevention, disaster response, fire safety education and non-emergency service response. The department operates 24 hours per day and prioritizes the safety of department members and the general public, training and development of staff, logistical support and management of fiscal resources, operating out of twenty fire stations, and three support facilities across the City of Richmond.

MISSION

The mission of the Department of Fire and Emergency Services is to provide safe, effective and efficient emergency services; built on strong relationships and designed to produce high quality results.

VISION

Richmond Fire and Emergency Services will be an inclusive and innovative department that values every employee and citizen, while striving to be a model organization in our community by working together to achieve excellence in every aspect of service.

OBJECTIVES

- Ensure safe and effective service delivery of all hazard types of emergencies
- Ensure safe and effective service delivery of non-emergency calls
- Ensure operational personnel have the necessary equipment, tools and training to be able to perform their tasks safely and effectively
- Ensure that our personnel represent the diversity of our community with exceptional knowledge, skills, training and the highest quality of service-oriented professionalism
- Promote and deliver community outreach, engagement, and education
- Ensure incident operations and training are conducted safely
- Enforce Fire and Life Safety Codes
- Improve Quality of Life, ensuring safety and security

FY 2026 PROPOSED BUDGET ADJUSTMENTS

Update Personnel Expenditures **FTE: 0.00** **\$82,671**

- Technical adjustment to support personnel costs to include updates for the required contributions to the Richmond Retirement System (RRS), Virginia Retirement System (VRS), FICA, MedFICA, group life, and healthcare premiums. These are routine actions which occur at the beginning of each budget cycle. This budget preserves the ability for the department to conduct one or more recruitment classes based on historical attrition and turnover rates.

Increase Sworn Salaries **FTE: 0.00** **\$5,673,718**

- Provide a one-step increase for all sworn officers in the step plan and provide a step pay plan structure increase. The pay plan structure increase is equal to 103 percent of the prior year/July 2024's average of the surrounding jurisdictions, resulting in an overall 8.4 percent increase in the pay structure. The 103 percent application is in accordance with the collective bargaining agreement.

Support Employee Salary Increase **FTE: 0.00** **\$49,320**

- Provide an three and a quarter (3.25) percent salary increase for general employees.

Support Fire and Emergency Response **FTE: 72.00** **\$6,615,023**

- Transfer positions from the Special Fund that support firefighter staffing. Due to the expiration of the 2023 Staffing for Adequate Fire and Emergency Response (SAFER) Grant, a federal grant from the Federal Emergency Management Agency (FEMA), the city is required to maintain the 72 firefighter positions previously funded by the grant. As the grant funds have been depleted, these positions are now supported through the General Fund.

Capture Efficiencies **FTE: (3.00)** **(\$772,322)**

- Reduce three Assistant Battalion Chief positions to support a reorganization effort of senior command.

Support Utility Services **FTE: 0.00** **\$1,946**

- Technical adjustment to update the funding needed to support utility expenditures based on an annual cost revision calculation. This is a routine adjustment which occurs at the beginning of each budget cycle.

Support Fleet Management Services **FTE: 0.00** **\$1,889,033**

- Technical adjustment to update the funding needed to support expenditures based on an annual cost revision calculation. Fleet Management provides support for vehicle maintenance and repair. This is a routine adjustment which occurs at the beginning of each budget cycle.

OVERVIEW

The members of the Richmond Police Department strive to work in partnership with our community in seeking out and solving problems in order to enhance our quality of life to and to make Richmond a safer city. We are committed to preserving the lives, property and rights of all our citizens through proactive community focused policing strategies.

MISSION

The mission of the Richmond Police Department (RPD) is to make the City of Richmond safer through community policing and engagement, to build open and transparent relationships within our diverse and vibrant communities, to reduce crime through relentless follow-up, to problem solve utilizing a collaborative spirit, and provide the highest standard of responsiveness, professionalism and protections guaranteed to all that live, work, and visit our great city.

VISION

The City of Richmond is a thriving community offering safe neighborhoods and an enhanced quality of life through responsive actions, communication, and public trust.

OBJECTIVES

- To make our streets and neighborhoods safer through internal programs, external partnerships, community policing, and civic engagements
- Develop high-impact measures to positively affect citizens
- Meet or exceed national crime clearance averages and achieve significant reductions in target measures
- Build intangible and intellectual assets

FY 2026 PROPOSED BUDGET ADJUSTMENTS

Update Personnel Expenditures

FTE: (0.20) (\$1,247,943)

- Technical adjustment to support personnel costs. Changes reflect updates in staffing due to administrative actions, creation, consolidation, reorganization efforts, or mid-year allocation adjustments based on workload or hours worked. It also includes updates for the required contributions to the Richmond Retirement System (RRS), Virginia Retirement System (VRS), FICA, MedFICA, group life, and healthcare premiums. These are routine actions which occur at the beginning of each budget cycle. This budget preserves the ability for the department to conduct one or more recruitment classes based on historical attrition and turnover rates.

Increase Sworn Salaries

FTE: 0.00 \$7,461,833

- Provide a one-step increase for all sworn officers in the step plan and provide a step pay plan structure increase. The pay plan structure increase is equal to 103 percent of the prior year/July 2024's average of the surrounding jurisdictions, resulting in an overall 8.4 percent increase in the pay structure. The 103 percent application is in accordance with the collective bargaining agreement.

Support Employee Salary Increase

FTE: 0.00 \$260,936

- Provide a three and a quarter (3.25) percent salary increase for general employees.

RICHMOND POLICE DEPARTMENT

FY 2026 PROPOSED BUDGET ADJUSTMENTS CONT.

Capture Efficiencies **FTE: (52.00) (\$4,352,321)**

- Right-size the sworn officer position strength by reducing vacant sworn officer positions. The city is unable to fill to the current allotted position level. This adjustment reflects the actual potential of filling the allotted positions. This budget preserves the ability for the Richmond Police Department to conduct one or more recruitment classes based on historical attrition and turnover rates. Position levels will be monitored and adjusted as needed.

Support Contractual Agreements **FTE: 0.00 \$1,690,572**

- Technical adjustment to account for new and/or increases in existing department contracts. Contracts include body worn cameras, license plate readers, records management, and vehicle rental.

Support Technology Improvements **FTE: 0.00 \$73,785**

- Provide support for technology improvements and address critical software maintenance, upgrades and needs of the department. Specific projects include the various software subscriptions, and the replacement of the law enforcement training system.

Support Utility Services **FTE: 0.00 \$429**

- Technical adjustment to update the funding needed to support utility expenditures based on an annual cost revision calculation. This is a routine adjustment which occurs at the beginning of each budget cycle.

Support Fleet Management Services **FTE: 0.00 (\$99,709)**

- Technical adjustment to update the funding needed to support expenditures based on an annual cost revision calculation. Fleet Management provides support for vehicle maintenance and repair. This is a routine adjustment which occurs at the beginning of each budget cycle.

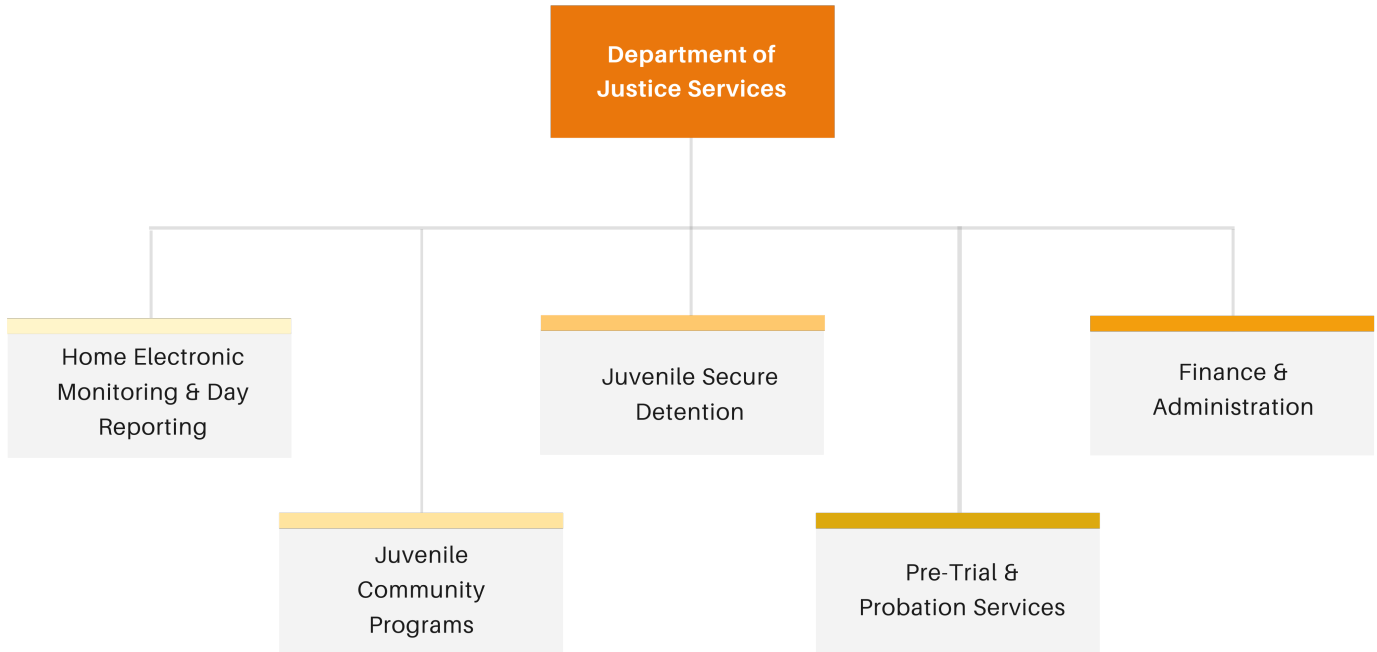

TOTAL **FTE (52.20) \$ 3,787,581**

OVERVIEW

The desired outcomes for the clients of the Department of Justice Services (DJS) and the residents of the City of Richmond are to satisfy all court obligations, address maladaptive behaviors, obtain employment and/or job readiness skills, and reduce the individual's risk of re-offending by addressing criminal thinking and improving decision-making abilities. DJS seeks to unite internal and external stakeholders in partnership with the community in an effort to tackle the underlying causes of its clients' offending, rehabilitate them, or divert them from violating the law.

MISSION

Prevent, reduce, and repair harm to the community by holding vulnerable citizens and court-involved individuals accountable through a range of programs and services designed to transform decision making.

VISION

Safe, productive, and engaged community.

OBJECTIVES

- Promote accountability and decision-making by ensuring client compliance with court and program requirements
- Enhance programs by increasing in-house/onsite treatment services
- Increase awareness and access to wrap-around services
- Maintain a safe and secure Juvenile Detention Center for residents and employees
- Maximize organizational efficiency and improve client service by attracting, hiring, and retaining the right people
- Develop, implement, and update departmental policies and procedures to meet certification standards, the newest developments, and to improve operations
- Provide timely and accurate financial updates
- Improve communication with all DJS staff and stakeholders

OVERVIEW

The Office of Community Wealth Building (OCWB) serves as the collective impact hub for an informed, energized, and aligned community of non-profits, educators, ministries, government agencies, funders, businesses and other Community Wealth Builders. We coordinate the implementation of a service delivery approach that promotes the eradication of barriers that prevent participants from obtaining and maintaining self-sufficiency. We advocate for the transformation of communities and equitable access to the asset-building resources necessary to overcome the perils of generational poverty.

MISSION

The mission of the Office of Community Wealth Building is to facilitate equitable solutions that improve the quality of life and enhance wealth development opportunities for the City of Richmond's most impacted communities.

VISION

A thriving community where all residents have equitable access to opportunities that build wealth and well-being throughout their lives.

OBJECTIVES

- Increase access to workforce development programming for impacted communities
- Provide skills training in career pathways in high demand occupations
- Increase the development of new, strategic partnerships and strengthen existing partnerships
- Increase “community voice” and outreach for impacted communities
- Increase offerings to older youth from impacted communities through the Mayor’s Youth Academy Forward
- Increase year-round programming for youth from impacted communities
- Increase wealth building initiatives to create homeownership, entrepreneurship and other social enterprise opportunities for impacted communities
- Increase efforts in barrier mitigation (i.e. childcare, transportation, etc.)
- Increase professional development opportunities for staff
- Improve departmental culture, accountability, and communication
- Enhance communications strategy/brand to increase awareness of program offerings and resources available for impacted communities

NEIGHBORHOOD & COMMUNITY SERVICES

OVERVIEW

Neighborhood and Community Services (NCS) is a newly established department as of FY 2025. The creation of this department allows the city to build self-sufficiency and resilience by providing a more community minded approach by engaging with residents, businesses, neighborhoods, and civic leagues. The department will work to increase the capacity of community organizations, neighborhood/civic associations, and business associations through coordinated and comprehensive community services. Additionally, this department will house several independent Human Services offices. NCS will oversee and coordinate efforts in the offices of: Neighborhood Engagement, Immigrant and Refugee Engagement, Aging & Disability Services, Equity and Inclusion, Children & Family, and Homeless Services. The areas of this department are to:

- Build a welcoming, accessible, compassionate, and equitable community that meets the needs and goals of residents.
- Foster sustainable and resilient neighborhoods by providing services that help develop the capacity of community organizations, neighborhood associations, civic leagues, and business associations.
- Improve health, education, and well-being indicators for residents across their lifespan - especially those in crisis - through comprehensive community services.
- Lead the community in expanding a welcoming, accessible, compassionate & equitable community that meets the needs and goals of residents.
- Increase collaborative integrated programs, and community solutions to safety, health (mental and physical), and social connection challenges.

MISSION

To provide a coordinated service delivery model that promotes self-sufficiency of the neighborhoods through a community service model.

VISION

Outreach to build programs, services, and deeper partnerships to increase pathways to economic stability through programs, services, and by deepening partnerships with nonprofits, philanthropy, faith organizations, higher education, and businesses institutions.

NEIGHBORHOOD & COMMUNITY SERVICES

OBJECTIVES

The Department of Neighborhood and Community Services is focused on creating a community:

- Foster safe and healthy communities
- Provide coordination that will break down silos, which will enhance connectivity and idea-sharing for stronger intra-neighborhood partnership
- Encourage sustainability and resilience leading to success

FY 2026 PROPOSED BUDGET ADJUSTMENTS

Update Personnel Expenditures **FTE: 11.00** **\$836,422**

- Technical adjustment to support personnel costs. Changes reflect updates in staffing due to administrative actions, creation, consolidation, reorganization efforts, and the addition of Ambassador Connectors and Supervisors. It also includes updates for the required contributions to the Richmond Retirement System (RRS), Virginia Retirement System (VRS), FICA, MedFICA, group life, and healthcare premiums. These are routine actions which occur at the beginning of each budget cycle.

Support Employee Salary Increase **FTE: 0.00** **\$106,101**

- Provide a three and a quarter (3.25) percent salary increase for general employees.

Support Rental Agreement **FTE: 0.00** **\$399,075**

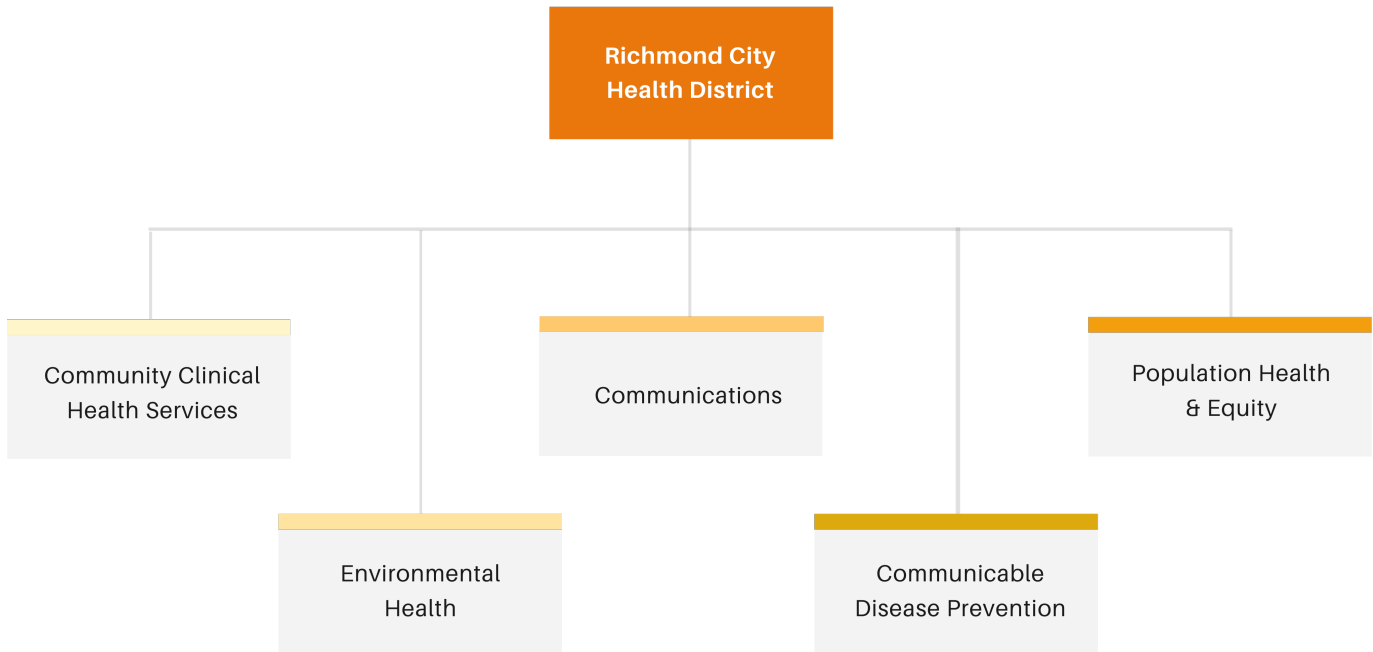

- Provide funds for office space at Southside Plaza. Previously the Department of Social Services (DSS) through reimbursable state funding was paying for the rent. DSS will be relocating to another location in FY 2025 and the state funds will no longer be available for this facility. This adjustment provides general fund support to continue the services provided in this service center.

TOTAL **FTE: 11.00** **\$1,341,598**

THIS PAGE INTENTIONALLY LEFT BLANK

OVERVIEW

The Richmond City Health District (RCHD) provides a comprehensive set of public health programs and services for the City of Richmond. RCHD's efforts include clinic, field, and community based efforts in the areas of reproductive health, communicable disease control, various categorical public health programs, environmental health, and disaster preparedness and response.

MISSION

Protect health, champion equity, and partner to address local needs.

VISION

Thriving communities supporting health for all. Our Values are: Integrity, Collaboration, and Equity and our Operational Values are: Data-informed, Innovative, and Strategic.

OBJECTIVES

- Assess community-based clinical services, outreach, and systems work to be better integrated, with shared processes, plans and outcomes
- Implement changes to retain staff
- Data informed decision making
- Minimize the spread of communicable disease through epidemiological monitoring of infectious diseases
- Build partnerships and a referral network across public, private, and nonprofit sectors to better meet the clinical needs of all residents
- Offer community-informed, culturally appropriate services addressing the evolving needs of the County

FY 2026 PROPOSED BUDGET ADJUSTMENTS

- There are no operating changes to this budget.

SOCIAL SERVICES

OVERVIEW

Richmond Department of Social Services (RDSS) is a state supervised, locally administered social services department. The local department provides financial assistance, case management and services to meet essential human needs. The overarching goal of the department is to increase all participants' capacity to function independently and provide protection for abused and neglected children, the aged, and the disabled. The Economic Support and Independence (ES&I) division focuses on promoting economic stability and independence for single adults and families. The Children, Families, and Adults (CF&A) division focuses on ensuring that families and children are safe and secure in their own homes, foster homes, and in the community.

MISSION

To improve the quality of life for all people of the City of Richmond by strengthening families and individuals through prevention, intervention, and support services that foster self-sufficiency and resilience.

VISION

Human Services: Richmond is a thriving community where all citizens have access to opportunities to build wealth and well-being throughout their lives.

Social Services: Build to Last

OBJECTIVES

- Improve the timeliness, responsiveness and consistency of service delivery to our external and internal customers (meet VDSS requirements regarding timely processing and service delivery to our clients)
- Achieve staffing levels necessary to effectively manage workloads
- Enable the department to be more mobile through the use of enhanced technology

PUBLIC WORKS

OVERVIEW

The Department of Public Works is organized into the following primary service units: Engineering & Technical Services, Operations Management, and Administration & Support Services. Our primary responsibilities include providing services to the citizens of Richmond related to transportation and cleanliness.

MISSION

The Department of Public Works' mission is to provide a clean, safe, and healthy environment.

VISION

The Department of Public Works will become the organizational leader in customer satisfaction by improving communication, assuring organizational alignment and affecting positive change, while preserving our national accreditation.

OBJECTIVES

- Hire temporary workers into permanent positions and ensure a pay rate above the City's poverty rate
- Maintain the aspects of the infrastructure related to road conditions of our streets and concentrate on the addition of equitable transit options within the City
- Ensure timely and efficient service delivery to all internal and external customers
- Create a more knowledgeable and skilled workforce
- Develop security protocol for entering/exiting City of Richmond facility

FY 2026 PROPOSED BUDGET ADJUSTMENTS

Update Personnel Expenditures

FTE: (0.75)

\$940,628

- Technical adjustment to support personnel costs. Changes reflect updates in staffing due to administrative actions, creation, consolidation, or reorganization efforts. This adjustment is only for reallocation of funding and does not reflect an overall decrease in staffing. A corresponding adjustment has been made to special funding allocations to support the appropriate FTE count. It also includes updates for the required contributions to the Richmond Retirement System (RRS), Virginia Retirement System (VRS), FICA, MedFICA, group life, and healthcare premiums. These are routine actions which occur at the beginning of each budget cycle.

Support Employee Salary Increase

FTE: 0.00

\$246,142

- Provide a three and a quarter (3.25) percent salary increase for general employees.

FY 2026 PROPOSED BUDGET ADJUSTMENTS CONT.

Support the Department of General Services **FTE: (47.00) (\$4,210,432)**

- Transfer personnel from the Department of Public Works to support facilities management within the Department of General Services for internal service support coordination through more focused attention in the delivery of facilities management. A corresponding adjustment has been made in the Department of General Services. This is a net neutral adjustment to the overall budget.

FTE: (0.00) (\$15,414,345)

- Transfer operating funds from the Department of Public Works to support facilities management within the Department of General Services for internal service support coordination through more focused attention in the delivery of facilities management. A corresponding adjustment has been made in the Department of General Services. This is a net neutral adjustment to the overall budget.

Increase Transportation Coordination **FTE: 0.00 \$ –**

- Create a Director of Transportation position to provide coordination among the various divisions of the department and with other city departments such as Planning, Development, and Review. The new director will have expertise in multi-disciplinary coordination. Transportation planning involves multiple fields—urban planning, civil engineering, public policy, and community engagement. A certified director will possess the expertise to align these disciplines to create efficient, safe, and sustainable transportation systems. This position is created using the savings from eliminating a vacant Deputy Department Director, Senior.

Adjust Other Expenditures **FTE: 0.00 (\$250,000)**

- Reduce funds for budget alignment and financial sustainability related to alley maintenance.

Support Fleet Management Services **FTE: 0.00 (\$642,270)**

- Technical adjustment to update the funding needed to support expenditures based on an annual cost revision calculation. Fleet Management provides support for vehicle maintenance and repair. This is a routine adjustment which occurs at the beginning of each budget cycle.

Support Technology Improvements **FTE: 0.00 \$1,989**

- Provide support for technology improvements and address critical software maintenance, upgrades and needs of the department. Specific projects include the Bike Share system.

Support Utility Services **FTE: 0.00 \$9,680**

- Technical adjustment to update the funding needed to support utility expenditures based on an annual cost revision calculation. This is a routine adjustment which occurs at the beginning of each budget cycle.

TOTAL **FTE: (47.75) (\$19,318,610)**

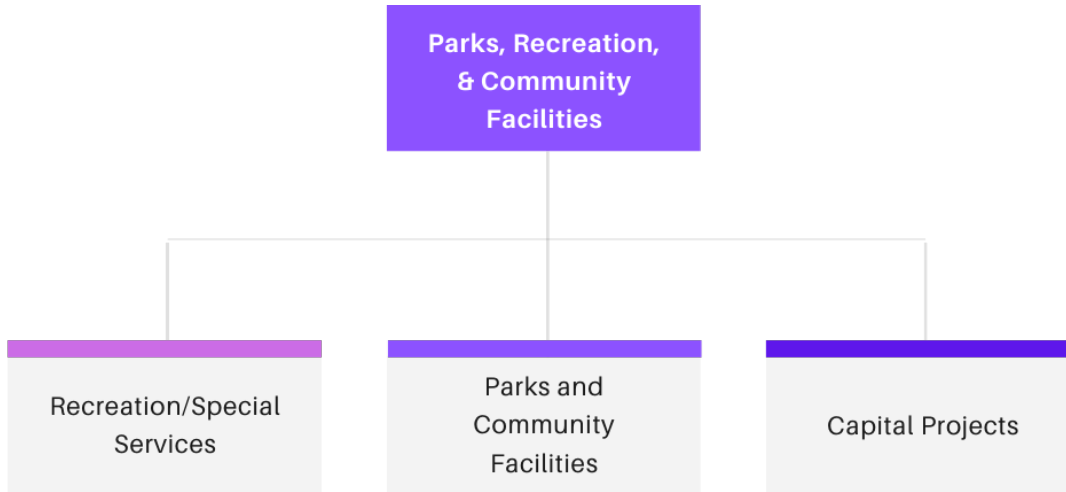

RECREATION & CULTURE

PARKS, RECREATION & COMMUNITY FACILITIES

OVERVIEW

Parks, Recreation & Community Facilities (PRCF) is a professional, accountable, and compassionate department that works to build up Richmond by providing exceptional services and opportunities for a high quality of life for all citizens and strives to preserve, protect, maintain, and improve all of its natural resources, parkland, community facilities, and recreation opportunities for current and future generations. The department provides places and recreational opportunities for all people to gather, celebrate, contemplate and engage in activities that promote health, well-being, community, and the environment.

MISSION

Parks, Recreation, and Community Facilities is committed to Richmond and enriching citizens' quality of life by providing effective, efficient, and high-quality leisure facilities, services, and programs for all generations.

VISION

Richmond is a thriving community where all citizens have access to opportunities to build wealth and well-being throughout their lives.

OBJECTIVES

- Ensure comprehensive services and support to youth, adults and seniors citywide in athletics, aquatics, programming, camps and special initiatives so that citizens have access to high quality activities that enhance skill development, promote social enjoyment and provide opportunities for a healthy lifestyle
- Ensure youth have opportunities to participate in a safe and structured quality out of school programs to promote their success in reading, enhance Standards of Learning (SOL) scores, promote positive character development, and educate youth in constructive use of leisure time
- Ensure attractive, safe access to the river and scenic vistas, manage land for maximum wildlife habitats, and provide information to the public about the land and water resources of parks
- Use social media more heavily to ensure citizens are aware of and encouraged to participate in various services and events

FY 2026 PROPOSED BUDGET ADJUSTMENTS

Update Personnel Expenditures **FTE: 0.25** **\$867,081**

- Technical adjustment to support personnel costs. Changes reflect updates in staffing due to administrative actions, creation, consolidation, reorganization efforts, or mid-year allocation adjustments based on workload or hours worked. It also includes updates for the required contributions to the Richmond Retirement System (RRS), Virginia Retirement System (VRS), FICA, MedFICA, group life, and healthcare premiums. These are routine actions which occur at the beginning of each budget cycle.

Support Employee Salary Increase **FTE: 0.00** **\$366,250**

- Provide a three and a quarter (3.25) percent salary increase for general employees.

Support Utility Services **FTE: 0.00** **\$91,005**

- Technical adjustment to update the funding needed to support utility expenditures based on an annual cost revision calculation. This is a routine adjustment which occurs at the beginning of each budget cycle.

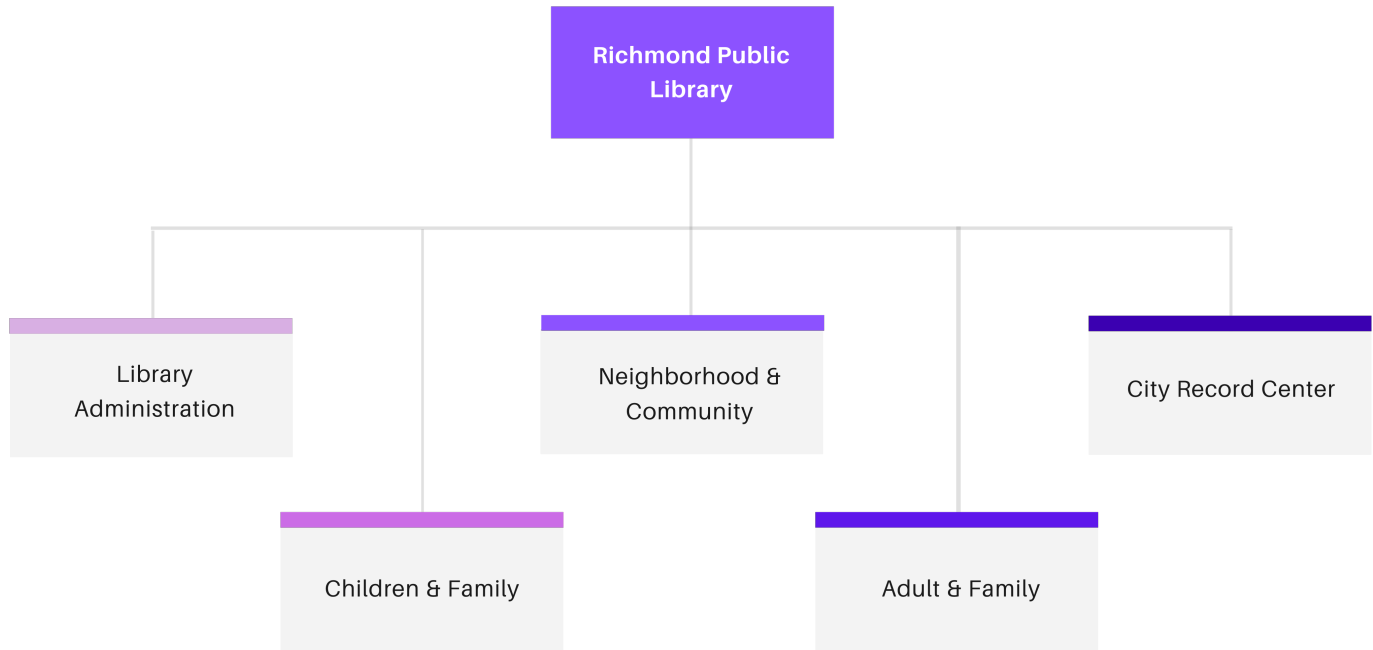

PARKS, RECREATION & COMMUNITY FACILITIES

FY 2026 PROPOSED BUDGET ADJUSTMENTS CONT.

Support Fleet Management Services	FTE: 0.00	\$36,672
<ul style="list-style-type: none"> • Technical adjustment to update the funding needed to support expenditures based on an annual cost revision calculation. Fleet Management provides support for vehicle maintenance and repair. This is a routine adjustment which occurs at the beginning of each budget cycle. 		
Adjust One-time Costs	FTE: 0.00	(\$300,000)
<ul style="list-style-type: none"> • Reduce funds for non-recurring expenditures related to the relocation of department headquarters to the Bon Secours Training Center. 		
Support Out of School Programming	FTE: 0.00	\$457,000
<ul style="list-style-type: none"> • Provide funds to expand out of school time services. This adjustment allows an increase in contractual staff and student participation. Expansion of these services was supported through a budget amendment in FY 2025. These funds will continue support of the expansion in FY 2026. 		
Support Sail 250	FTE: 0.00	\$250,000
<ul style="list-style-type: none"> • Provide funds for parks and recreation programming in various areas of the city including Southside and along the waterways for Richmond's TallShips event in partnership with the statewide Sail VirginiaSM 2026.

TOTAL	FTE: 7.25	\$ 1,904,707

OVERVIEW

The Richmond Public Library's facilities provide learning opportunities for all stages of an individual's growth. They provide resources to children, their parents, and caregivers to help children enter school ready to learn and succeed academically. From locations citywide, the facilities and their staff offer public access computers and training to increase technological knowledge, skills, and competencies. Richmond residents of all ages will thrive and realize success in academic, professional, personal, cultural, and economic pursuits, assisted by relevant services and resources at Richmond Public Library facilities.

MISSION

To inform, enrich, and empower Richmond's residents to enrich lives and expand opportunities for all residents by promoting reading and the active use of cultural, intellectual, and informational resources through a dedication to excellence and professional service.

VISION

To enhance the Library's role as a destination of choice for citizens, a partner of choice for community groups and other organizations seeking greater impact, and a more active and engaging learning institution for all city residents.

OBJECTIVES

- Goal 1: Accessible Libraries: Increase access to library locations and ensure availability of information and resources to residents
- Goal 2: Children's Literacy: Provide services and programs that build and cultivate literacy and a love of reading
- Goal 3: Lifelong Learning: Expand role as the only educational institution that serves the entire community from birth to 100+
- Goal 4: Organizational Strength: Ensure the Library is positioned to anticipate and respond to the changing service needs of the community
- Goal 5: Uniquely Richmond: Connect residents to information and resources that tell a full story of Richmond's past, present and future, and seek untold stories

ECONOMIC DEVELOPMENT

OVERVIEW

The Department of Economic Development is a predominantly outwardly-facing organization that provides assistance and services to businesses with the goal of stimulating job creation and capital investment in the City. The Department of Economic Development globally markets the City of Richmond as a preferred business location to domestic and international prospects, and fosters local business retention and expansion opportunities throughout the City of Richmond, as well as implements real estate strategies to create economic development throughout the City.

MISSION

To aggressively pursue and generate equitable economic opportunities that create high quality jobs for the citizens of the City of Richmond and increase the tax base to support the funding of essential services to Richmond residents.

VISION

Richmond is a premier city for equitable economic development.

OBJECTIVES

- Support minority, small, and local business development and entrepreneurship
- Attract investment in real property and development
- Attract and retain businesses and industries, thereby creating jobs.
- Support the City's efforts to fight poverty and increase employment opportunities.
- Promote mixed-use development, community-based services, amenities, cultural activities, and entertainment
- Promote development through a mixture of strategies and funding sources.
- Continue to implement the established vision for the growth of the City (e.g., Strategic Plan for Equitable Economic Development , Richmond 300, Vision 2020, etc.).
- Create opportunities for social and economic inclusion.

HOUSING & COMMUNITY DEVELOPMENT

OVERVIEW

The Department of Housing and Community Development (HCD) is responsible for managing and implementing programs and investing funds for the development of housing, community revitalization, and housing related services. HCD manages the City's Federal Entitlement funds, from the U.S. Department of Housing and Urban Development (HUD), and American Rescue Plan Act (ARPA) funds, from the U.S. Department of Treasury. HCD also manages funds allocated to the Affordable Housing Trust Fund (AHTF), the Equitable Affordable Housing Program (EAHP), and funds allocated to Department in the Capital Improvement Plan (CIP) and General Fund budgets. Federal and local funds are used to implement programs and support projects that facilitate access to affordable housing and housing related services in collaboration with community partners and other City departments.

MISSION

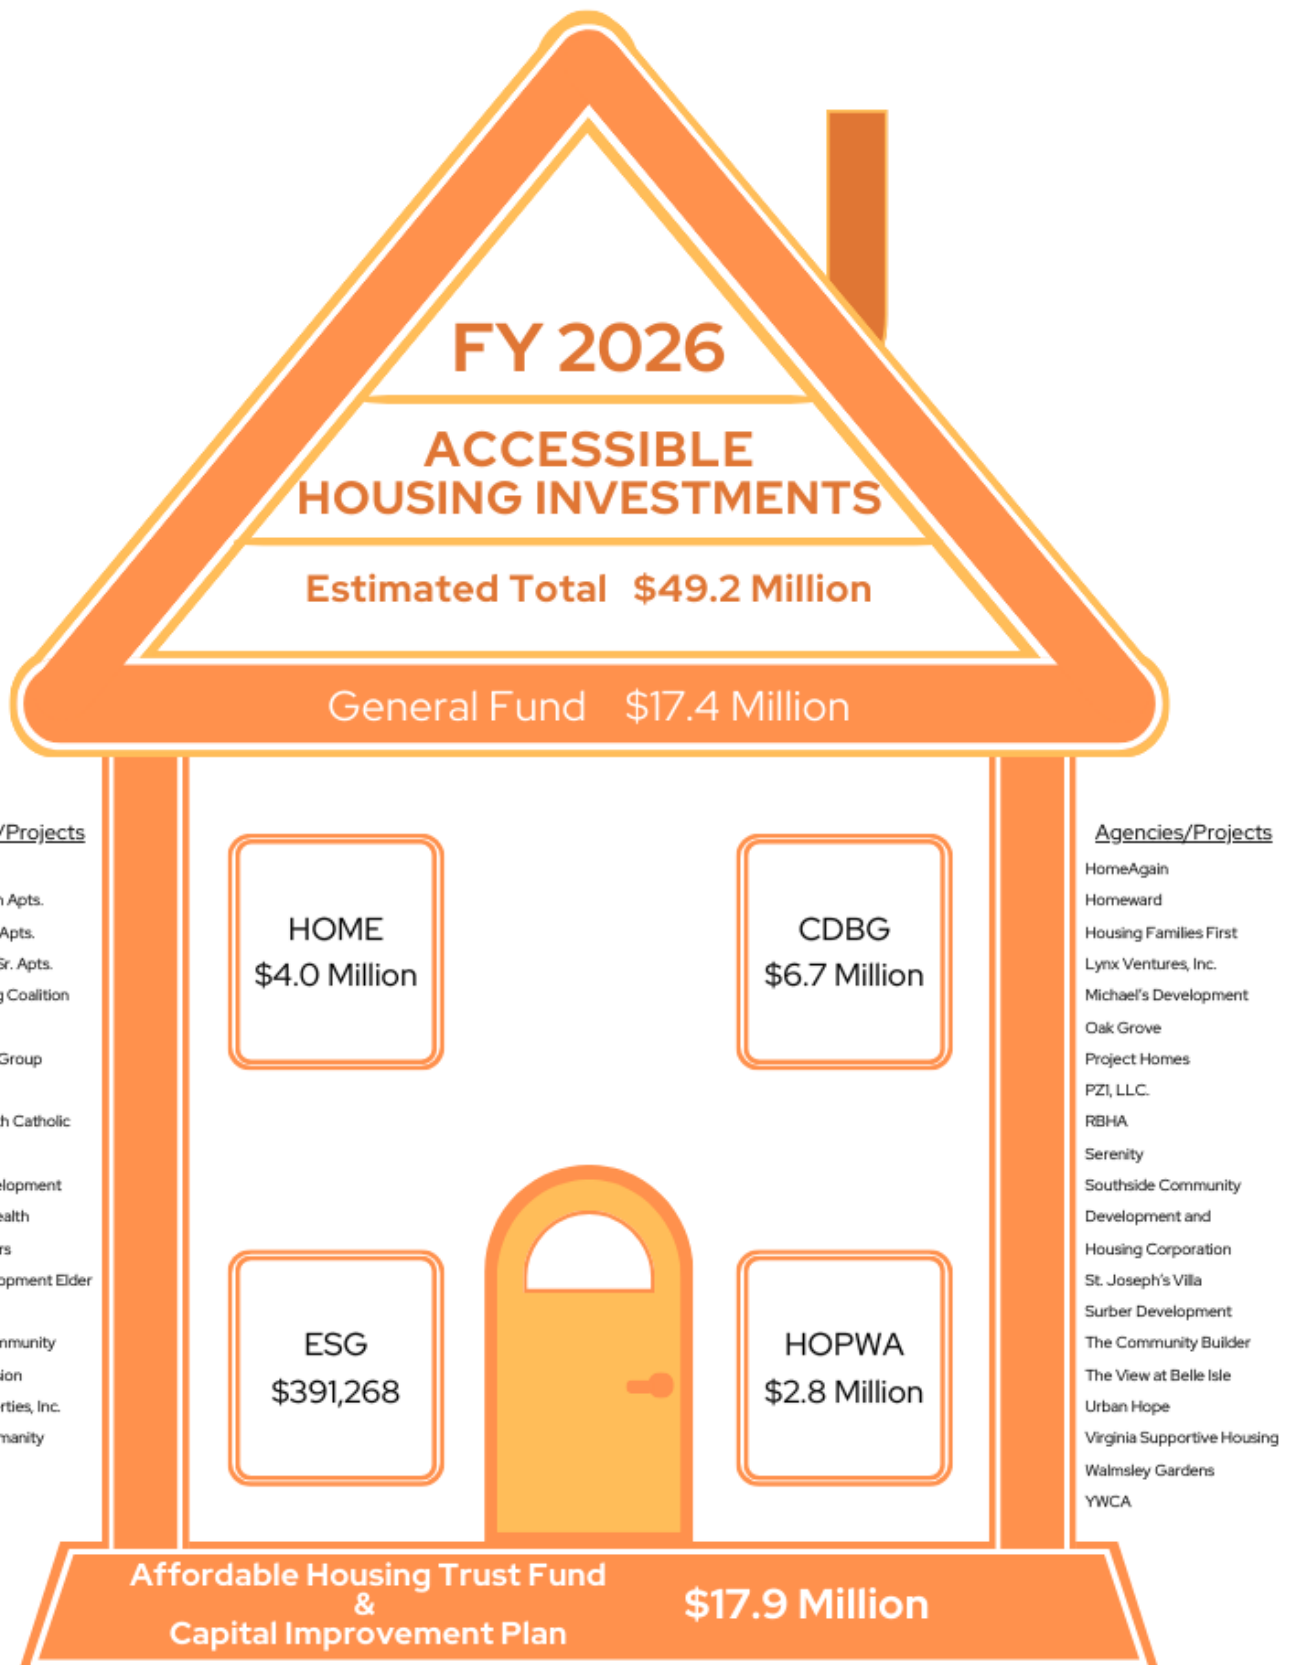

The City of Richmond's Department of Housing and Community Development's (HCD) mission is to build strong, healthy, and thriving mixed-income neighborhoods that meet the needs of all Richmonders by ensuring access to a spectrum of high-quality affordable housing options, both rental and homeownership, that are transit oriented, support commercial enterprises, offer community amenities, and are sustainable and resilient.

VISION

Richmond is an attractive, safe, diverse and inclusive City with neighborhoods of choice. Our City's neighborhoods will be comprised of quality sustainable and affordable housing options for all residents, including low and very low income residents, and well maintained commercial corridors that offer an array of retail and professional services.

OBJECTIVES

- Enhance affordable housing options throughout the City for residents across a spectrum of incomes by aligning available funding and utilizing Federal, ARPA, EAHP, and AHTF funding to leverage private investment in the development and preservation of affordable housing units
- Partner with Richmond Redevelopment Housing Authority (RRHA) to implement the strategic plan for the redevelopment and transformation of the public housing sites into "Communities of Choice"
- Partner with the Department of Human Services, the Greater Richmond Continue of Care, and Richmond area service providers to improve services for individuals experiencing housing instability
- Implement strategies that incentivize and require affordable housing developed to be climate resilient and sustainable, thereby increasing their long-term affordability
- Implement anti-displacement strategies and policies

--------------	--------------------	------------------

OVERVIEW

The primary responsibilities of the Office of Sustainability are to strategically plan, coordinate, and implement the City's climate action, climate resilience, and climate equity initiatives; evaluate the initiatives and component parts to enhance effectiveness; serve as a champion and catalyst to promote awareness and engagement for equitable climate action and resilience initiatives within city government and across the community; and serve as the designated point of public accountability for progress on these initiatives.

MISSION

Serve as the central hub of equitable climate action and resilience.

VISION

The Office of Sustainability envisions a future where all Richmonders, regardless of their identity or neighborhood, thrive in a climate-resilient and climate-neutral community.

OBJECTIVES

- Implement RVAgreen 2050: Climate Equity Action Plan 2030
- Ensure the city and community are on track to reduce greenhouse gas emissions by 45 percent by 2030 and achieve net zero emissions by 2050
- Prepare for, adapt, and improve the community's resilience to local climate impacts
- Maintain committed to the community priorities of:
 - Racial equity and environmental justice;
 - Community wealth;
 - Affordable housing;
 - Neighborhoods;
 - Health and well-being;
 - Engagement and communication

- Division of Land Use and Zoning Administration: rezoning; subdivision; site plan review; inspection and compliance
- Bureau of Permits and Inspections: building code permitting, plan review, inspection, and compliance
- Division of Property Maintenance and Code Enforcement: building code education, inspection, and compliance
- Operations: personnel, finances, equipment, and related internal services

We support the City Planning Commission, Board of Zoning Appeals, Commission of Architectural Review, History and Culture Commission, Public Art Commission, Urban Design Committee, and the Local Board of Building Code Appeals. We collaborate with Richmond Public Schools, the Richmond Redevelopment and Housing Authority, and the Richmond Regional Planning District Commission (PlanRVA) on planning and development matters.

MISSION

Directed by the City Charter and City Code, the Department of Planning and Development Review (PDR) promotes health, safety, morals, comfort, prosperity, and general welfare through the physical development of the City.

VISION

The City of Richmond has a more accessible, productive, resilient, and beautiful built environment.

OBJECTIVES

We convene and connect people, adopt and implement policies, improve and enhance operations, and negotiate and close transactions. Our broad range of activities include, but are not limited to:

- Engaging and educating civic and neighborhood associations, business owners, residents, and potential clients.
- Implementing the master plan (*Richmond 300*) and leading its 2025 update
- Preparing neighborhood, corridor, and node plans
- Managing citywide Cultural Heritage Stewardship Plan, The Shockoe Project, Interpretive Center
- Facilitating City-initiated rezonings, zoning ordinance amendments, and text changes
- Approving building, trade, and elevator permits, plan reviews, certificates of occupancy
- Enforcing zoning, building, and property maintenance codes
- Performing Section 106 review for projects receiving federal funding

FY 2026 PROPOSED BUDGET ADJUSTMENTS

Update Personnel Expenditures	FTE: 12.50	\$2,128,458
<ul style="list-style-type: none">• Technical adjustment to support personnel costs. Changes reflect updates in staffing due to administrative actions, creation, consolidation, and reorganization efforts based on increased workloads. This resulted in the addition of four Program and Operations Supervisors, one Program and Operations Manager, one Management Analyst Associate, four Planners, one Planner Associate, one Property Maintenance Enforcement Inspector, as well as a reallocation of funding of a Planner position. A corresponding adjustment of funding has been made to special fund allocation. It also include updates for the required contributions to the Richmond Retirement System (RRS), Virginia Retirement System (VRS), FICA, MedFICA, group life, and healthcare premiums. These are routine actions which occur at the beginning of each budget cycle.		
Support Employee Salary Increase	FTE: 0.00	\$343,724
<ul style="list-style-type: none">• Provide an three and a quarter (3.25) percent salary increase for general employees.		
Support Fleet Management Services	FTE: 0.00	(\$31,306)
<ul style="list-style-type: none">• Technical adjustment to update the funding needed to support expenditures based on an annual cost revision calculation. Fleet Management provides support for vehicle maintenance and repair. This is a routine adjustment which occurs at the beginning of each budget cycle.		
Support Richmond 300 Master Plan	FTE: 0.00	\$300,000
<ul style="list-style-type: none">• Provide funds to update the Richmond 300 Master Plan since its adoption in 2020. This update will consider changes in federal, state, and local laws; community preferences; economic and social conditions; and actual development activity. The City is required to keep its Master Plan compliant, pursuant to <i>Code of Virginia § 15.2-2223</i>, which mandates that every locality adopt and regularly review a comprehensive plan to guide development and ensure alignment with state planning and transportation requirements.

JUDICIAL

THIS PAGE INTENTIONALLY LEFT BLANK

OVERVIEW

The 13th District Court Service Unit (CSU) is a community program of the Virginia Department of Juvenile Justice that exclusively serves the Richmond Juvenile and Domestic Relations District Court. The CSU is mandated to provide intake, juvenile probation, and juvenile parole functions for the City of Richmond. The CSU provides domestic relations intake services, criminal intake services for juvenile offenders, juvenile probation and parole communication supervision, and monitors court-ordered services for juvenile offenders. CSU operations address public safety, a strategic priority area of the City of Richmond.

MISSION

The mission of the 13th District Court Services Unit is to protect the public through a balanced approach of accountability and comprehensive services that prevent and reduce delinquency through partnerships with families, schools, communities, law enforcement, and others while providing opportunities for delinquent youth to become responsible and productive citizens.

VISION

To protect the public by preparing court-involved youth to be successful citizens. We strive in all work to meet the needs of our youth and staff in the areas of safety, connection, purpose, and fairness.

OBJECTIVES

- Decrease recidivism among juvenile and adult criminal offenders by increasing cognitive thinking skills
- Ensure probation and parole case contact compliance by meeting the Department of Juvenile Justice standards
- Divert juvenile delinquency/status offense intakes to appropriate diversion programs as guided by the Youth Assessment Screening Tool

RICHMOND RECOVERY COURT (FORMERLY ADULT DRUG COURT)

OVERVIEW

The City of Richmond Richmond Recovery Court is a comprehensive substance abuse treatment program that also provides intensive probation supervision, mental health counseling, and ancillary services for using offenders in Richmond's Circuit Court.

MISSION

The Richmond Recovery Court is designed to promote public safety and reduce the recidivism rate of drug-related crime, while increasing the likelihood of successful rehabilitation by providing a comprehensive program of drug treatment services, probation and case management supervision, and intensive judicial monitoring for non-violent offenders with substance use disorders.

VISION

The vision for the Richmond Recovery Court Program is to work with individuals who are engaged in drug related crimes and committed towards making lifestyle changes, by providing them quality substance abuse services as the program seeks to decrease the prevalence of criminal activity in the City of Richmond and advance the safety and well-being of our community.

OBJECTIVES

- Reduce the incidence of drug use by participants assigned to the program
- Serve as an alternative to incarceration and help reduce overcrowding at the jails
- Increase the rate of successful completions of the Richmond Recovery Court program by providing evidence-based treatment solutions to participants of the program
- Decrease the City of Richmond's and taxpayer's cost associated with incarcerating an offender, by providing an alternative to incarceration

CIVIL COURT

OVERVIEW

The General district courts have exclusive authority to hear civil cases with claims of \$4,500 or less and share authority with the circuit courts to hear cases with claims between \$4,500 and \$25,000, and up to \$50,000 in civil cases for personal injury and wrongful death. Examples of civil cases are landlord and tenant disputes, contract disputes and suits in debt.

MISSION

The mission of the Judiciary - Civil Court is to contribute to an orderly society by providing speedy and equitable justice to individuals charged with offenses against state and city laws, and by encouraging respect for the law and the administration of justice.

VISION

To continue providing services to the citizens of the City of Richmond, and Commonwealth of Virginia, according to statutes that govern actions in the General District Courts.

OBJECTIVES

- To effectively manage resources by instilling confidence in the court system among the general public
- To leverage technology to expand and enhance court services
- To maintain the court's efficiency of concluding civil case filings within the time guidelines established by the Supreme Court of Virginia

FY 2026 PROPOSED BUDGET ADJUSTMENTS

- There are no operating changes to this budget.

OVERVIEW

The Richmond General District Court endeavors to provide the best customer service to the citizens of Richmond, as well as the numerous agencies that utilize our court records. Additionally, we strive to collect all the monies due to the City of Richmond that are garnered from convictions in our court, and disburse them to the City in a timely manner. The Richmond General District Court is to provide security and justice to all the citizens of the Commonwealth of Virginia. Our service is for the public safety as well as equal justice for all the citizens.

MISSION

The mission of the Judiciary is to contribute to an orderly society by providing speedy and equitable justice to individuals charged with offenses against State and City laws, and by encouraging respect for law and the administration of justice.

VISION

To continue providing services in a fair, accessible, and responsive manner to the citizens of the City of Richmond and the Commonwealth of Virginia in accordance with the statutes that govern actions of the General District Court.

OBJECTIVES

- Effectively manage resources to instill confidence in the court system among the general public
- Ensure staff are trained by staying current with proposed/enacted legislation and online resources
- Leverage technology to expand and enhance the provision of court services

FY 2026 PROPOSED BUDGET ADJUSTMENTS

- There are no operating changes to this budget.

OVERVIEW

The Juvenile Domestic Relations Court (JDRC) handles cases involving: delinquents, juveniles accused of traffic violations, children in need of services and supervision, children who have been subjected to abuse or neglect, family or household members who have been subjected to abuse, adults accused of child abuse neglect, or of offenses against members of their own family, and adults involved in disputes concerning the support, visitation, parentage or custody of a child. Additionally, the Court also handles cases involving the abandonment of children, foster care and entrusted, agreements, court-ordered rehabilitation service and court consent for medical treatment. Approximately 60 percent of the Court's cases are adult matters and the remaining 40 percent juvenile with a total of 32,739 hearings from January 2022 - December 2022.

MISSION

The mission of the Juvenile Domestic and Relations District Court (JDRC) is to provide an independent forum to: (1) resolve juvenile and domestic relations disputes and other legal matters in a fair, efficient, and effective manner, and (2) protect the rights of all parties before the Court pursuant to the laws of Virginia, Constitution of Virginia, and the United States. The Court will advance the best interests of youth and families and serve and protect the citizens of the Commonwealth of Virginia by holding individuals accountable for their actions.

VISION

To ensure quality court services, stronger youth and families, and a safer community.

OBJECTIVES

- Maintain efficient and effective court administration and operations
- Continue to protect those who cannot protect themselves
- Continue to achieve effective outcomes for youth and families who come before the Court
- Continue to provide appropriate services to aid "at-risk" children and their families while safeguarding the community

SPECIAL MAGISTRATE

OVERVIEW

The Richmond City Magistrate’s Office is a first point of contact for the judicial system and handles arrest and search warrants, mental health processes, and conducts bond hearings.

MISSION

The mission of the Special Magistrates’ Office is to fairly and expeditiously handle requests for arrest and mental health processes.

VISION

To fairly and expeditiously handle requests for arrest and mental health processes.

OBJECTIVES

- To conduct neutral and impartial hearings for the public and law enforcement related to arrest, searches, and bail
- To engage in continuing legal education and training of all staff members, as well as local law enforcement

TRAFFIC COURT

OVERVIEW

The Richmond General District Court is responsible for the trial of misdemeanors, infractions, and preliminary hearings for felonies in violation of the Richmond City Code and the Code of Virginia as well as Parking Regulations of the City of Richmond and college campuses therein. The court hears and grants petitions granting restricted driving privileges and restoration of driving privileges in applicable cases.

MISSION

The mission of the Judiciary- Traffic Court is to contribute to an orderly society by providing speedy and equitable justice to individuals charged with offenses against State and City laws, and by encouraging respect for law and the administration of justice.

VISION

To continue to contribute to an orderly society while encouraging respect for the law.

OBJECTIVES

- To effectively manage resources by instilling confidence in the court system among the general public
- To ensure staff are trained by staying current with proposed/enacted legislation and online resources

**CONSTITUTIONAL
OFFICES**

THIS PAGE INTENTIONALLY LEFT BLANK

OVERVIEW

The Clerk of the Circuit Court ensures that all filings, recordings, practices and procedures of the Clerk's office and the Court are processed and maintained as prescribed by law.

MISSION

The Circuit Court Clerk's Office strives to provide quality, professional service to the public and participants of the judiciary system in a timely and cost-effective manner with courtesy and impartiality. The Clerk's focus includes being accessible to all parties requiring the use of the court system; assisting individuals by providing procedures and guidance, if appropriate; providing administrative support to the Court; recording accurate and reliable information; creating and preserving the Court's records and maintaining the Court's financial accounts.

We aim to continually advance our use of technology, creating an atmosphere that is user-friendly to the citizens, officers of the Court, and representatives of other agencies. The Clerk collects several million dollars in local and state fees and taxes annually.

VISION

The Richmond Circuit Court Clerk's office will be fair and impartial. Our vision is to treat court users with dignity, courtesy, and respect. We will provide accessible services to the community and court users and seek to resolve matters efficiently while providing quality service. We will seek to employ innovative practices and procedures to serve the community and court users better and strive to maintain an adequate and safe courthouse.

OBJECTIVES

- Ensure the efficient and mannerly processing of filings, applications, recordings and trials as prescribed by law
- Ensure accessibility of our offices to all individuals (public, counsel, representatives of many various agencies, etc.) in a courteous and professional manner
- To continue to use technology to advance our levels of customer service and maintenance of our court records

DEPARTMENT OVERVIEW

As a Constitutional Office of the Commonwealth of Virginia, the City Treasurer processes payments for portions of our judicial system including Sheriff's Fees, the Commonwealth Attorney's Office, and General District courts, as well as, managing payments for jurors and witness travel reimbursements.

In 2019, the Treasurer's Office was expanded to include an Office of Financial Empowerment (OFE) where the City Treasurer serves as the Financial Empowerment Ambassador for the city. The OFE identifies viable resources that are readily available to the community to help residents navigate financial barriers helping others discover money options and resources that are empowering. Resources are available online, onsite, through area partners, seminars, workshops and other tools. This includes the Financial Empowerment Pathway offerings where participants from the Richmond Resilience Initiative (Mayor's Guaranteed Income Program) and other city residents can attend financial literacy workshops.

Each year the City Treasurer/OFE host an Annual Financial Literacy Fair for a collaborative event with community partners and offer onsite workshops, seminars, and resources to help equip residents with the tools they need to navigate financial barriers. In conclusion, the OFE also oversees the Community Resource Navigators program where individuals can speak with subject matter experts to identify current and relevant resources to meet their specific needs. The Navigators program was launched in 2021 and continues to serve as a reliable resource for our residents.

MISSION

The mission of the Richmond City Treasurer's Office is to inspire, encourage, and pursue the high possibilities of potential in others through the elimination of financial barriers by **"Making Options and Resources Easy" to access** for all residents.

VISION

"We do MORE: By **"Making Options and Resources Easy"** and accessible".

DEPARTMENT OBJECTIVES

- Further develop the Treasurer's Office of Financial Empowerment with more robust tools to equip our community navigating financial challenges.
- Incorporate onsite Financial Coaching services for residents including one-on-one sessions.
- Expand partnership with the City's Office of Community Wealth Building, as well as Minority & Business Development to create more opportunities to connect resources with city residents and businesses.
- Support the City's Finance Department through customer service for tax collections and other related services.

DEPARTMENT OBJECTIVES CONT.

- Continue to cultivate partnerships with other city agencies to enhance and expand offerings to better serve more city residents
- Provide and promote financial literacy to our youth throughout the city and in our local schools by fostering partnerships throughout the community

FY 2026 PROPOSED BUDGET ADJUSTMENTS

Update Personnel Expenditures FTE: 0.50 \$75,906

- Technical adjustment to support personnel costs. Changes reflect updates in staffing due to administrative actions, creation, consolidation, reorganization efforts and the addition of a part-time Administrative Project Coordinator provided by the Commonwealth of Virginia. It also includes updates for the required contributions to the Richmond Retirement System (RRS), Virginia Retirement System (VRS), FICA, MedFICA, group life, and healthcare premiums. These are routine actions which occur at the beginning of each budget cycle.

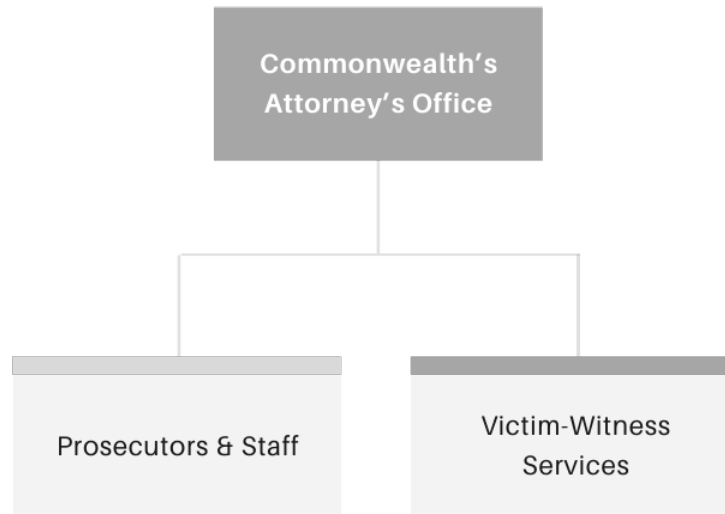

Support State Salary Increase FTE: 0.00 \$5,470

- Provide the projected three percent salary increase for State or Constitutional employees funded through the Commonwealth of Virginia.

TOTAL **FTE: 0.50 \$81,376**

OVERVIEW

The Commonwealth's Attorney's Office prosecutes all levels of criminal and traffic offenses committed in the City of Richmond, with prosecutors and staff dispersed among the Manchester, John Marshall, and Oliver Hill Courthouses. Our jurisdiction includes all adult offenses as well as those committed by and against juveniles. We prioritize investigations of violent offenders in an effort to strategically prosecute them whenever possible.

MISSION

The Office's mission is to protect the safety of the community and the rights of all citizens through the vigorous enforcement of the criminal laws in a fair, impartial and transparent manner. We promote public safety and pursue justice by protecting the rights of crime victims and witnesses, and by ensuring that offenders are appropriately dealt with in the criminal justice system.

VISION

The Office utilizes a multi-pronged approach to remove violent criminals from the community through collaboration with a number of local, state, and federal law enforcement agencies, schools and universities, and other community partners.

OBJECTIVES

- To base bail determinations on the defendant's dangerousness or flight risk, and not on the defendant's ability to pay a monetary bond
- To increase witness cooperation in the prosecution of violent offenses by building trust through community outreach and engagement
- To reduce recidivism by diverting a significant number of eligible felony and misdemeanor offenders to specialized dockets that consider the impact of mental health issues and substance abuse issues on criminogenic behavior
- To support a range of alternatives to incarceration or conviction
- To promote Restorative Justice as an alternative to the traditional criminal justice process
- To exercise prosecutorial discretion to convict those offenders who commit violent or dangerous offenses against the residents of our city

OVERVIEW

The Constitution of Virginia provides that every locality in the state must have an Electoral Board that is responsible for the conduct of all elections to public office within its jurisdiction. The Electoral Board appoints and is assisted in most of these functions by the General Registrar. While all election matters, except absentee voting and campaign finance, fall within the purview of the Electoral Board, voter registration, absentee voting, and campaign finance is the sole province of the General Registrar.

MISSION

The mission of the General Registrar’s Office is to provide opportunities in an equitable and courteous manner for all qualified citizens of the City of Richmond to register to vote; to promote the integrity of the electoral process by maintaining accurate and current voter registration records used in elections; to coordinate elections so that they are conducted in a manner that secures the qualified citizen’s right to vote and ensures that the results accurately reflect the voters’ will; and to be an information resource for citizens regarding voter registration, elections, and elected officials.

VISION

The Electoral Board and Office of the General Registrar envision a community wherein all its citizens understand and are engaged in the selection process for the leaders who will be their voice in city, state, and federal government.

OBJECTIVES

- To respond to 100 percent of Freedom of Information Act requests within five business days

OVERVIEW

The Richmond City Sheriff's Office (RCSO) operates and secures the Richmond City Justice Center (RCJC) and all courthouses in the city, provides seamless inmate transport, and ensures the proficient service of civil process. The Office strives to maintain the highest level of safety and security at these facilities through strict adherence to the Code of Virginia, Department of Corrections (DOC) standards, and measures allowed by the city through its laws and ordinances. The RCSO also provides assistance to other city departments with their security requirements.

MISSION

To maintain a secure jail and a safe court system along with seamless inmate transport and civil process to preserve public safety. We remain committed to performing these duties with unsurpassed integrity and professionalism, with progressive training that incorporates best practices and technology. While partnering with the community, we strive to lower recidivism by providing faith-based and community-based programming that empower returning citizens to become productive members of society.

VISION

Our tomorrow embraces a new standard of excellence in management, operations and customer service. Through extraordinary leadership, superior staff, and a willing and involved community – lives will change for the better. Maintain a high standard of excellence in management, administration, operations, finance and budgeting, evidence-based standards, and customer service. Our values are:

A.C.C.O.U.N.T.A.B.I.L.I.T.Y

- Accessible, Confident, Communicate, Oversight, Understanding, Noble, Trustworthy, Adroit, Building, Integrity, Leadership, Inclusiveness, Trained, Youth Involvement

OBJECTIVES

- Maintain a secure detention facility that is safe for employees and residents
- Ensure safe and secure operations of all court facilities
- Ensure timely and accurate service of civil and criminal papers
- Maintain partnership with community organizations to reduce crime and enhance overall quality of life.
- Maintain communication and a positive image with community groups and the public
- Educate partners within the criminal justice system and public about the Sheriff's Office programs and operations

DEBT SERVICE FUND

OVERVIEW

The Debt Service Fund is used to pay principal and interest due on outstanding short and long-term debt. Revenue for the debt service payments comes largely from General Fund transfers to the Debt Service Fund, as well as other transfers made from other governmental entities. The Constitution of Virginia and the Virginia Public Finance Act provide for the issuance of debt by the City, when authorized by the Council of the City of Richmond. The General Obligation debt paid through the Debt Service Fund carries the full faith and credit of the City.

MISSION

The Debt Service Fund is used to pay General Government debt service on time and in accordance with the City's charter, the Virginia Public Finance Act, and the City's debt policies.

OBJECTIVES

- To maintain the highest possible credit ratings for all short and long term General Obligation debt by making timely debt service payments. The City's current General Obligation credit ratings from the three nationally recognized Rating Agencies are:

Moody's	Aa1
Standard & Poor's	AA+
Fitch Ratings	AAA

- To keep outstanding debt and annual debt service paid within compliance limits prescribed by City Council adopted Debt Management Policy (Resolution # 2017-R088) and at levels consistent with its creditworthiness objective
- To maintain that the amount of tax-supported debt service will not exceed ten (10) percent of the total budgeted expenditures for the General Fund, Richmond Public Schools, and the Special Fund for Highway and Street Maintenance

*FY 2024 Actuals reflect cash based figures. Transfers occurred throughout the fiscal year to other funds and agencies to fund the Diamond District Infrastructure Bond and Pension Obligation Bond Issuance.

GENERAL FUND TRANSFER TO DEBT SERVICE & CAPITAL

OVERVIEW

The General Fund Transfer to Debt Service and Capital includes the general fund costs to the Debt and Capital Improvement Plan (CIP). This funding includes revenue from the meals tax revenue for school construction projects - annual debt payment made on \$150 million General Obligation Bonds issued in 2019 and 2020 - that will be transferred to the Debt Service Fund.

MISSION

General Fund transfer to the Debt Service Fund and CIP provides General Fund support to meet the debt service payments for both short- and long-term debt as authorized by ordinances adopted by the Richmond City Council.

OBJECTIVES

- To finance capital projects of the City which serve all citizens' concerns and needs in the community

GENERAL FUND BUDGET SUMMARY

Budget Summary	FY 2023 Actual	FY 2024 Actual	FY 2025 Adopted	FY 2026 Proposed

OVERVIEW

The Richmond Retirement System (RRS) was first established in 1945 by the Richmond City Council and re-established by the acts of the Virginia General Assembly in 1998, 2005, and 2010. The RRS administers the Defined Benefit and the Defined Contribution 401(a) plans for approximately 9,500 members, retirees, and beneficiaries under provisions outlined in both the Richmond City Charter (5B.01) and Chapter 22 of the City of Richmond code. One employer, the City of Richmond, and its component unit, the Richmond Behavioral Health Authority, participate in the RRS on behalf of their employees.

MISSION

To deliver timely and effective communications and retirement services with integrity and professionalism to its members, Board of Trustees, City officials, Departments, and City Council.

VISION

To be a recognized leader in pension fund management and administration; the standard by which others measure their progress and success. Every employee of the Richmond Retirement System (RRS) displays a devotion to maintaining excellence in public service and embraces the highest standards of excellence, accountability, dependability, and integrity. All participating employers, along with active, former, and vested members, should take pride in knowing that the RRS provides the best retirement services available and is an exemplary steward of their pension funds.

OBJECTIVES

- Provide services in an easy, accessible, consistent, and timely manner

CEMETERIES

OVERVIEW

Parks, Recreation & Community Facilities is a professional, accountable and compassionate department that works to build up Richmond by providing exceptional services and opportunities for a high quality of life for all citizens and strives to preserve, protect, maintain and improve all of its natural resources, parkland, community facilities and recreational opportunities for current and future generations. The department provides places and recreational opportunities for all people to gather, celebrate, contemplate and engage in activities that promote health, well-being, community and the environment.

MISSION

Parks, Recreation, and Community Facilities (PRCF) is committed to Richmond and enriching citizens' quality of life by providing effective, efficient, and high-quality leisure facilities, services, and programs for all generations.

VISION

Richmond is a thriving community where all citizens have access to opportunities to build wealth and well-being throughout their lives.

OBJECTIVES

- Provide a high level of customer service, while striving to provide a high quality, clean, well-maintained cemetery system for the citizens of the City of Richmond and the surrounding areas in an effective and environmentally safe manner

PARKING MANAGEMENT

OVERVIEW

The Parking Enterprise Fund, created in FY 2015, appropriates funds for parking management of off-street and on-street operations to include enforcement, immobilization, meter installations, collections, and maintenance of infrastructure. The Parking Enterprise Fund consists of 11 parking garages, 7 surface lots, with approximately 7,900 off-street spaces. Approximately 8,400 on-street spaces of which approximately 2,670 spaces of a combination of meters and pay stations.

The City recognizes the importance of the provision of quality parking services to its businesses, residents, and visitors, for the on-going and future vibrant economic development of the City.

The Parking Enterprise Fund will allow the City to issue revenue bonds based upon the financial strength and value of the City's current and future parking facilities without affecting the City's General Fund for the construction of future City-owned parking facilities in the City.

MISSION

The City of Richmond's on and off-street parking system shall support existing land uses, assist the city's economic development initiatives, and preserve parking for its residents by providing adequate and high-quality parking resources and related services for all user groups that need to park within the city.

VISION

The Parking Enterprise Fund will provide superior customer service, improving technology, superior facility and equipment maintenance.

OBJECTIVES

- To increase curb management to enhance vibrant, inclusive and mobile communities
- To increase vehicle turnover in parking to support economic empowerment
- To increase the use of Mobile Payments by increases the number of available mobile apps to support efficient and high quality service delivery
- To provide a safe and clean environment for users
- To maintain the parking enterprise infrastructure

OVERVIEW

Organizational Development

The Department of Public Utilities is organized by utility business unit, providing strategic and tactical decision making relative to the production and provision of service to our customer base. Each Utility is supported by our customer service department, financial operations, and administrative operations.

Regional Provider of Service

The Department of Public Utilities is a major regional provider of utility services. This objective represents a regional cooperative venture successfully operating in the metropolitan area. Our ability to provide continued and enhanced services improves the economic forecast for the City as well as the region. DPU will continue to seek opportunities to meet the ever-changing demands of this growing metropolitan area through the provision of quality utility services.

Regulatory

Regulatory requirements at the Federal and State levels represent one of the drivers for continued escalating capital investment and improvement projects. These are major factors in the Water, Stormwater and Wastewater Utilities and are significant for the Gas Utility. The Safe Drinking Water Act, the Lead and Copper Rule, the State Health Department requirements and the Enhanced Surface Water Treatment Rules regulate the Water Utility. The Stormwater Utility is regulated by the Clean Water Act, the Chesapeake Bay Protection Act, the Erosion and Sediment Control Regulations, regulations of the Secretary of the Army for floodwall operations, and the Municipal Separate Storm Sewer System Permit all regulated by the Commonwealth's Department of Environmental Quality. The Wastewater Utility is regulated by the Clean Water Act, Virginia State Water Control Law and the Virginia Pollutant Discharge Elimination System permit with the Commonwealth's Department of Environmental Quality and the implementation of the Environmental Protection Agency's requirements to reduce Combined Sewer Overflow (CSO) discharges to the James River. For the Natural Gas Utility, compliance with the U.S. Department of Transportation's Pipeline and Hazardous Materials Safety Administration (PHMSA) regulations for Distribution Integrity Management Programs (DIMP) will guide Operations & Maintenance and capital reinvestment into the future.

Infrastructure

Richmond, like other older urban communities throughout the country, has an aging infrastructure. Gas mains, water mains, stormwater lines, and sewer lines underneath our streets serve many areas of the City. Because DPU must ensure that it can continue to safely provide reliable and quality utility services, it has the responsibility to continue to actively invest in the maintenance, upgrade and replacement of the facilities, distribution and collection systems.

Commitment to the Community

The Department of Public Utilities continues its community education and outreach programs to enhance customer understanding of key aspects of utility services as well as provide information that will help them manage their utility bills. DPU's MetroCare programs provide assistance to customers who need help with their energy and water bills. Over the past year, DPU connected with over 1,000 citizens through various community events, neighborhood and public meetings. DPU also provides key updates, conservation tips and other relevant information via a bi-monthly customer newsletter, various social media channels and other outlets. Expanded outreach efforts to area youth has also been a focus area through a camp, internships and partnerships with Richmond Public Schools classrooms.

MISSION

The mission of the Department of Public Utilities (DPU) is to provide safe and reliable utility services while creating exceptional value. DPU provides natural gas, water, wastewater, stormwater, and electric street-lighting services in an environmentally and financially responsible way, protecting the public's interest. The fulfillment of our mission is intended to benefit both our customers and employees, and enrich the quality of life in the City of Richmond and beyond.

SERVICES

The Department of Public Utilities is composed of five separate utilities: Gas, Water, Wastewater, Stormwater, and Electric. Each utility operates on a self-sustaining basis, as required by the Charter of the City of Richmond.

Electric Utility

The Electric Utility purchases electricity from Virginia Power and distributes it to over 37,000 streetlights in the municipal system. The Electric Utility installs, maintains, and operates the streetlight infrastructure and five substations throughout a majority of the city. It contracts with Virginia Power to operate and maintain approximately 6,000 streetlights in the southwest area of Richmond. The goal of the electric utility is to provide safe streets for vehicular traffic.

Gas Utility

The gas utility is a municipally owned local distribution company that provides gas service to the City of Richmond, Henrico County, and portions of Chesterfield and Hanover counties. The utility serves approximately 121,000 residential, commercial and industrial customers via approximately 1,936 miles of pipeline. Of the 1,974 miles of gas mains, about 10 percent are cast iron and ductile iron, 22% are steel and the remaining 1,340 miles, or 68%, are polyethylene plastic. In addition to supplying gas to customers, the utility purchases the gas from national suppliers, operates and maintains the eight custody transfer facilities connected to the interstate pipelines, installs and maintains gas mains, and provides routine and emergency services.

A major infrastructure need exists in the Gas Utility as sections of the cast iron gas distribution system are in need of replacement based on Distribution Integrity Management Program calculations. The Gas Utility initiated a 40-year program in 1992 to replace all of the cast iron mains in the system with high density polyethylene (HDPE) pipe and coated steel welded pipe. The Gas Utility has been awarded a \$10 million grant from the Pipeline and Hazardous Materials Safety Administration for cast iron pipe replacement and will continue to apply for additional grant funds in the future to help mitigate the cost of cast iron replacement program. The Gas Utility began operations in the early 1850's when manufactured gas, created from heating coal at the 15th and Dock Streets facility, was distributed through cast iron pipes to the downtown area for streetlights. That facility, the Fulton Gas Works, is currently undergoing Brownfield remediation to return the property to its highest and best use in the Fulton community.

Because of DPU's renewal program, DPU has seen a decrease in the number of leaks that occur in the system and DPU categorized leaks by severity. Class 1 leaks are leaks that represent an existing or probable hazard to life or property and require immediate repair. Class 2 leaks are leaks that are recognized as nonhazardous at the time of detection but justify a scheduled repair. Class 3 leaks are leaks that are non-hazardous at the time of detection and can be reasonably expected to remain non-hazardous.

Stormwater Utility

The Department implemented a Stormwater Utility in July 2009 to manage the stormwater that runs off the properties of city residents and business owners. Funding is used to implement a comprehensive stormwater quality management plan to comply with federal and state mandates. The Utility also provides the design and construction of new and replacement infrastructure for the aging storm sewer system.

The Stormwater Utility maintains approximately 35,000 catch basins, 600 miles of ditches, and 180 miles of storm sewer pipe. The goals of the Stormwater Utility are to protect people and property from flood hazards, prevent infrastructure failures, improve water quality by reducing non-point source pollution, prevent stream bank erosion, and collect, transport, and treat stormwater runoff in the separate storm sewer and combined sewer systems. In addition, the Erosion and Sediment Control Program, Chesapeake Bay Protection Program, Mosquito Control programs, and the floodwall, including its levees and canal systems, are all operated and funded within the Stormwater Utility. The Stormwater Utility also administers the federally mandated industrial source control and pollution prevention program.

SERVICES CONT.

Wastewater Utility

The Wastewater Utility provides wastewater collection and treatment for approximately 64,000 customers in the City of Richmond, as well as small portions of Chesterfield and Henrico Counties. In addition, the City provides wholesale service to Goochland County. The wastewater treatment facility is permitted for 75 MGD dry weather and 140 MGD wet weather and it provides tertiary treatment including removal of the nutrients nitrogen and phosphorus.

The collection system consists of two defined systems (the sanitary sewer collection system and the combined sewer collection system (CSS). The sanitary sewer collection system consists of five sanitary pumping stations, a network of over 40 miles of intercepting sewer lines, and roughly 440 miles of separated sanitary sewer lines. This makes up approximately 1/2 of the system. The CSS has combined sewer overflow control facilities and another 520 miles of collection lines to complete the service area of the City of Richmond. The sanitary sewer collection system (1,000 miles) is a major piece of infrastructure found in the Wastewater Utility and DPU is faced with the need to rehabilitate a significant amount of the sewer system each year. There has been significant work to further reduce the combined sewer overflows, with projects in construction and future projects being developed – all of which are mandated to be completed by 2035.

Our standard is to maintain compliance with all regulations that allow the treated water from the City, that is released back into the James River, and the bio-solids (treated sewage sludge), applied to agricultural lands, to be reused.

Water Utility

The water utility provides retail water service to approximately 67,000 customers in the City of Richmond and wholesale water service directly to Henrico, Chesterfield and Hanover counties, and indirectly to Goochland and Powhatan counties. Current rating capacity for the Water Treatment Plant is 132 Million Gallons per Day (MGD); average consumption is 60 MGD with summer peaks of approximately 90 MGD, and operates in total compliance with the Safe Drinking Water regulation. The distribution system consists of approximately 1,000 miles of mains, twelve pumping stations, one reservoir, and ten ground and/or elevated water storage tanks. This service includes the treatment and distribution of water. In addition to supplying water to customers, the water utility provides water for fire protection throughout the City, installs and maintains fire hydrant water valves and water mains as well as provides routine and emergency services.

DPU is continuously renewing Richmond's water mains and has a multi-year program to renew its water distribution system based on pipe material, failure history and other factors to ensure a water system that meets all regulatory requirements for water pressure, fire protection and water quality. Over 600 miles of mains have been identified for renewal and DPU has planned to replace approximately 10 miles of main each year. DPU also continues work on replacing lead service lines in the City, including the disbursement of grant funds to assist property owners replace lines on private property. This replacement work will be accelerated based on mandates by the US Environmental Protection Agency, which also include a required inventory map to identify all service line materials and additional testing requirements.

UTILITIES RATES

The following rate increases are proposed for FY 2026:

Gas Utility - FY 2026

The average monthly residential gas bill will increase by \$4.88 (or \$0.16 a day) in FY 2026.

Stormwater Utility - FY 2026

The average monthly residential stormwater bill will increase by \$1.04 (or \$0.03 a day) in FY 2026.

Wastewater Utility - FY 2026

The average monthly residential wastewater bill will increase by \$4.55 (or \$0.15 a day) in FY 2026.

Water Utility - FY 2026

The average monthly residential water bill will increase by \$2.36 (or \$0.08 a day) in FY 2026.

PUBLIC UTILITIES

OBJECTIVES

- To improve utility service delivery
- To expand the sustainable environment
- To improve operational efficiencies

OVERVIEW

Fleet Management's key responsibilities are vehicle maintenance and repair, fueling, specification review, acquisition, new vehicle preparation, and disposal. This department believes the people of the City of Richmond should receive excellent and economical city government services. To that end, it is essential that the departments providing these services directly to the public have access to high quality and cost-effective support services. Fleet Management is uniquely qualified to provide leadership and deliver high quality and cost-effective support services in our areas of expertise through our special technical knowledge and our understanding of city culture, rules, needs, and priorities.

MISSION

The mission of Fleet Management is to ensure a highly functional, efficient, and economical fleet for the City of Richmond. Fleet Management operates with the core values of diversity, transparency, professional growth, teamwork, accountability, and integrity.

OBJECTIVES

- Improve service delivery of fleet operations through maintenance
- Improve average maintenance cost per vehicle
- Improve the average age of the fleet

FY 2026 PROPOSED BUDGET ADJUSTMENTS

Update Personnel Expenditures	FTE: 3.00	\$662,130
--------------------------------------	------------------	------------------

- Technical adjustment to support personnel costs. Changes reflect updates in staffing due to administrative actions, creation, consolidation, reorganization efforts, and the addition of two Customer Service Technicians and one Management Analyst. This also includes updates for the required contributions to the Richmond Retirement System (RRS), Virginia Retirement System (VRS), FICA, MedFICA, group life, and healthcare premiums. These are routine actions which occur at the beginning of each budget cycle.

Support Employee Salary Increase	FTE: 0.00	\$97,532
---	------------------	-----------------

- Provide a three and a quarter (3.25) percent salary increase for general employees.

Adjust Operating Expenses	FTE: 0.00	(\$316,952)
----------------------------------	------------------	--------------------

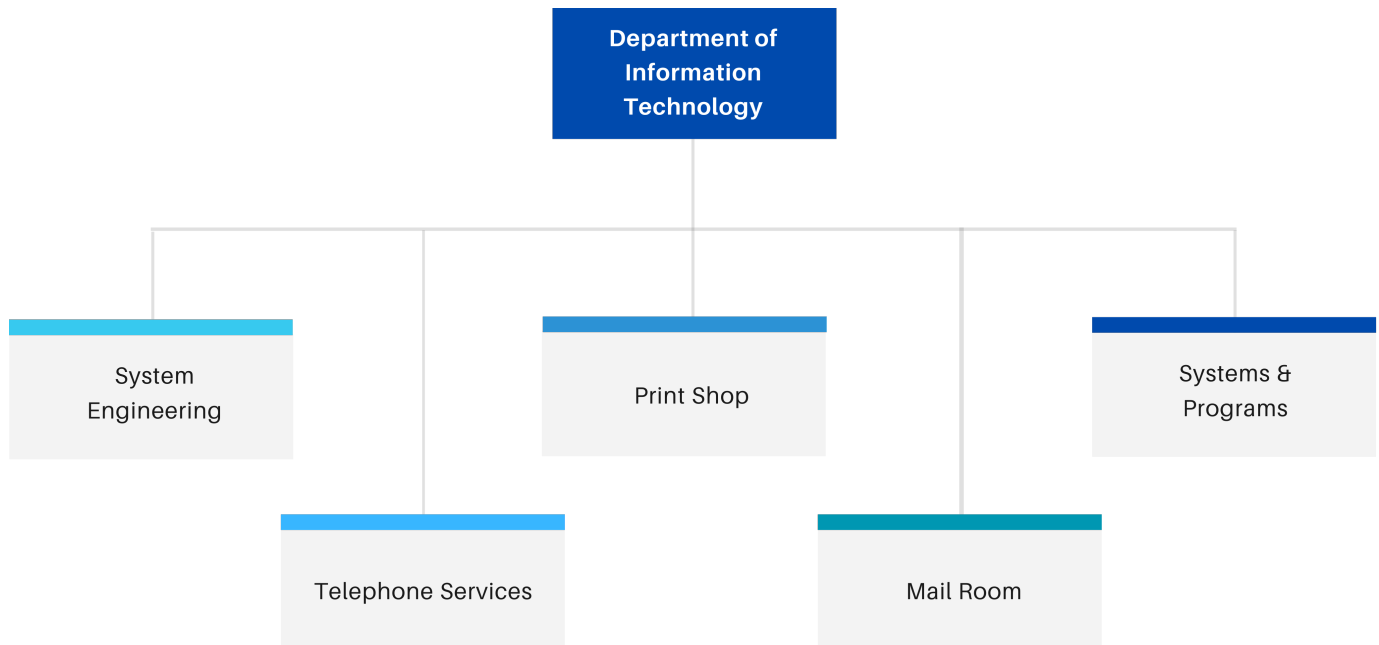

- Routine technical adjustment for operational expenses which occurs annually. These expenses may include updates to reconcile to revenue estimates, indirect costs (if applicable), and material and supplies for essential operations.

TOTAL	FTE: 3.00	\$442,710
--------------	------------------	------------------

OVERVIEW

The Department of Information Technology (DIT) is an internal service organization that develops, implements, and operates complex information systems in support of the technology needs of the City.

MISSION

The Department of Information Technology is an internal service organization that provides centralized IT services for departments through the development, implementation, and operation of technology solutions.

VISION

To deliver secure, reliable, and convenient technology services.

OBJECTIVES

- Operate existing IT services that enable the City to deliver its mission-critical services
- Mitigate risks arising from IT infrastructure and software components that are at or past life-expectancy
- Reduce complexity by right-sizing the technology services to match available financial and human capital

OVERVIEW

The Radio Shop, as a part of the Department of Emergency Communications, Preparedness and Response (DECPR), is charged with the installation and maintenance of electronic equipment used by city, state, and federal agencies. This includes installing and maintaining mobile and portable radio subscribers, pagers, system infrastructure, 911 dispatch consoles, antenna tower sites, mobile data computers, emergency vehicle lights and sirens, public address systems, fire station alerting, and other wireless communications equipment and networks.

MISSION

The Department of Emergency Communications, Preparedness and Response (DECPR) provides leadership and support to reduce the loss of life and property through coordination of emergency management resources, collaborative public safety partnerships and reliable and efficient E-911 emergency services.

VISION

The Department of Emergency Communications Preparedness, and Response (DECPR) sustains citizen trust by providing reliable emergency preparedness management and communications services in a timely and efficient manner. DECPR maintains and improves the capability to successfully work together to mitigate against, prepare for, respond to, and recover from all hazards, emergencies and disasters.

OBJECTIVES

- Successfully implement the City's new 800 MHz Radio System
- Meet evolving technology needs and upgrades for operational effectiveness
- Reduce cost by providing efficient installation and repair of radios and vehicle equipment

RISK MANAGEMENT

OVERVIEW

The City's Bureau of Risk Management directs strategic planning, provides operational control, and establishes rules, policies, and procedures to accomplish risk management goals related to employee and workplace safety, loss control, claims, insurance, and self-insurance program objectives. The City is committed to the preservation and protection of its human, physical, and financial assets. This policy builds on this commitment by providing the policy of risk management, including the objectives of the risk management program and the responsibilities of all city employees.

MISSION

To protect the employees and assets of the City of Richmond from loss and damage and provide effective, proactive risk management.

VISION

To provide prompt claims management and responses, aid in accident investigations and provide life safety and property safety inspections, and recommendations.

OBJECTIVES

- To provide to the extent possible an exposure-free work and service environment for employees, citizens, and visitors
- To protect and preserve city assets and work force; wherever possible, against losses which could deplete City resources or impair the City's ability to meet its legal obligations to provide services to its citizens
- To institute all practical measures to eliminate or control injury to citizens, employees, and visitors; loss to property or other loss producing conditions
- To implement sound business practices of risk financing that protect the city against catastrophic loss
- To administer claims against the city ethically, efficiently, and in the best interests of the City

CENTRAL APPROPRIATIONS

OVERVIEW

The City of Richmond provides funds for programs and services that may span over several departments through Central Appropriations. These funds are used for a variety of purposes, including supplemental compensation and benefit payments to employees and retirees, economic development incentives, support for citywide strategic priority programs, internal expenses, and transfers.

Central Appropriations is divided into five categories:

Affordable Housing Performance Grants: Designated for grant payments per contractual agreement for the following housing projects:

- The Cove (512 Hull Street)
- 7000 Carnation
- Afton Avenue Apartments
- Oak Grove
- 700 West 44th Apartments
- 1203 East Brookland Park Boulevard
- Saint Elizabeth Apartments
- Bellevue Gardens
- The Ashley
- Bainbridge Senior Apartments
- The 95 Apartments
- The View at Belle Isle

Compensation and Benefits: Designated for employee benefit payouts, retiree bonus compensation, and tax relief programs.

Economic Development Incentives Designated for economic incentive payments per contractual agreement, and are typically administered by the Economic Development Authority (EDA).

General Administration: Designated for citywide strategic priorities, and utility assistance programs.

Transfers Out: Support operations for Risk Management and the Department of Information Technology.

A brief description of the use of funds is provided for those included in the FY 2026 Proposed Budget.

OUTSIDE AGENCIES

OVERVIEW

The City of Richmond provides funds for organizational subsidies and partner agencies that either span several city departments or are not department-specific through appropriations to outside agencies, pursuant to *Code of Virginia* § 15.2-953. These funds are used for a variety of purposes, including regional partnership agreements, as well as support to non-profits.

These funds are divided into two categories:

- Organizational Subsidy:** Several of the entities funded in this category reflect the City's contribution to regional efforts in partnership with surrounding counties. This category includes support for, but not limited to:
- Greater Richmond Transit Company (GRTC)
 - Richmond Region Tourism (RRT)
 - Richmond Ambulance Authority (RAA)
 - Greater Richmond Convention Center Authority (GRCCA)
 - Richmond Behavioral Health Authority (RBHA)

Partner Agencies: Designed for partnerships with outside organizations and agencies as vital to optimally support citywide priorities.

A brief description of the use of funds is provided for those included in the FY 2026 Proposed Budget.

FISCAL SUMMARY

Category	FY 2023 Actual	FY 2024 Actual	FY 2025 Adopted	FY 2026 Proposed

HUD OVERVIEW

OVERVIEW

The City of Richmond provides funds for critical housing and community development programs through annual entitlement grants from the U.S. Department of Housing and Urban Development (HUD). These funds support affordable housing, economic development, homelessness prevention, and essential services for low- and moderate-income residents. The City's HUD allocations include Community Development Block Grants (CDBG), CDBG-CV (COVID-19 response), the HOME Investment Partnerships Program (HOME), the Emergency Solutions Grant (ESG), and Housing Opportunities for Persons with AIDS (HOPWA).

Schedule of Expenditures of Federal Awards (SEFA) reports audited actuals for FY 2023-2024 federal expenditures. FY 2026 Proposed amounts and project allocation are subject to adjustment, modification, or reallocation within the prescribed funding categories or project budget, and are contingent upon the actual funding received.

Federal Entitlements are divided into five categories:

Community Development Block Grants: (CDBG)	Funds housing, infrastructure, economic development, and public service initiatives, including: <ul style="list-style-type: none"> - Community Development Block Grants - Economic Development - Planning and Administration - Public Services
Community Development Block Grants - Cares Act (CDBG - CV)	Special allocation of CDBG funds to address needs related to the COVID-19 pandemic, including rental assistance, small business relief, and public health measures.
HOME Investment Partnership: (HOME)	Provides funding to develop and preserve affordable housing through rental assistance, homeownership programs, and housing rehabilitation.
Emergency Solutions Grant: (ESG)	Supports services to prevent and reduce homelessness, including emergency shelter operations, rapid rehousing, and homelessness prevention programs.
Housing Opportunities for Persons with AIDS: (HOPWA)	Provides housing assistance and supportive services for low-income individuals and families living with HIV/AIDS.

FISCAL SUMMARY

Category	FY 2023 Actual	FY 2024 Actual	FY 2025 Adopted	FY 2026 Proposed

GRANTS AND SPECIAL FUND SUMMARIES

SPECIAL FUND INTRODUCTION AND SUMMARY

SPECIAL FUND BUDGET

Special Funds are designed to account for revenues appropriated for a specified purpose, that are restricted, and that require segregation into separate funds for accounting purposes, with the exception of major capital projects. Special Funds are primarily derived from user fees, assessments, and grants, rather than property taxes, and are appropriated either at the time the Annual Fiscal Plan is adopted by City Council or through mid-year ordinances approved by City Council. The City's total Special Fund Budget for FY 2026 is \$191,001,530 .

SPECIAL FUND DEPARTMENT DETAIL

SPECIAL FUND DETAIL BY DEPARTMENT

Department	FY 2023 Actual	FY 2024 Actual	FY 2025 Adopted	FY 2026 Proposed
ANIMAL CARE AND CONTROL				
Provide for dog and cat annual license program. The funding is provided by city residents obtaining a license for their pet as required by city and state regulations. License funds can only be used for the salary and expenses of the animal control officers and necessary staff, the care and maintenance of a pound, the maintenance of a rabies control program, payments as a bounty to any person neutering or spaying a dog up to the amount of one year of the license tax as provided by ordinance, payments for compensation as provided in state code 3.2-6553 and efforts to promote sterilization of dogs and cats. Any part or all of any surplus remaining in the fund on December 31 of any year may be transferred by the governing body of such locality into the general fund.				
Pet License Collections	75,000	152,854	100,000	100,000
CAO				
Provide for the Public, Educational, and Governmental (PEG) cable television programming. The funding is provided by a PEG fee paid by cable television providers in the City and supports operation of a television studio facility and associated equipment. This facility may be used by the local government, local public school system, local junior colleges, colleges, and universities, and the local citizens.				
Cable and Electronic Communications	—	33,317	—	—
CIRCUIT COURT				
The Technology Trust Fund is funded by recording fees and clerk's fees collected by Circuit Court Clerks. The State Compensation Board reimburses localities from the Fund for technology expenses of the Circuit Court Clerks used to achieve this goal.				
Technology Trust Fund	250,000	85,642	250,000	300,000
The Code of Virginia establishes fees collected by the clerks of circuit courts in accounts that the Code refers to as "non-reverting funds." The clerk maintains these in the court's accounts. The Code of Virginia requires these funds to be used for court technology enhancements or other related operating expenses.				
Clerk's Non-Reverting Fund	360,000	43,418	25,000	360,000
Annual grants are awarded to the Circuit Court by the Library of Virginia, with money coming from the Virginia Circuit Court Records Preservation Program. According to state law, records preserved under this program must be kept permanently and maintained by the Clerk of the Circuit Court.				
Library of VA Records Preservation Grant	50,000	—	10,000	50,000
CITY ATTORNEY				
Support the reduction of delinquent real estate tax payments through collection efforts and to return delinquent properties to productive use via the tax sale process.				
Delinquent Tax Sales	696,435	308,394	696,435	696,435
CITY COUNCIL				
Provide for the Public, Educational, and Governmental (PEG) cable television programming. The funding is provided by a PEG fee paid by cable television providers in the City, and supports operation of a television studio facility and associated equipment. This facility may be used by the local government; local public school system; local junior colleges, colleges, and universities; and the local citizens.

PARKS, RECREATION & COMMUNITY FACILITIES CONT.				
Federal program that provides reimbursements for nutritious meals and snacks to eligible children and adults who are enrolled for care at participating child care centers, day care homes, and adult day care centers.				
Child & Adult Care Food Program	600,000	–	–	–
Promote various "Dogwood Dell" programming throughout the year				
Carpenter Foundation Grant	25,000	26,141	25,000	25,000
Program created to develop job skills for at-risk populations. Program participants will develop skills in grounds maintenance, administrative support, equipment use, electrical and plumbing work, HVAC technical services, horticulture, basic carpentry, and heavy equipment operation while performing essential maintenance in Parent Resource Center Facilities. As a result, individuals gain marketable skills and forge social connections which mitigates recidivism.				
Workforce Development	–	359,108	–	–
The AmeriCorps Program for 2022 is referred to as the Richmond Healthy Futures Opioid Prevention and Economic Opportunities Program (RHOPE), a multi-faceted program designed to target the Corporation for National and Community Service focus areas of Healthy Futures and Economic Opportunity. Specifically, RHOPE will expand opioid abuse and heroin use prevention and recovery services to help address the intensifying Opioid Crisis in Richmond. This program will focus on the Corporation for National and Community Service focus areas of Volunteer Recruitment and Utilization and Healthy Futures: Reducing and/or Preventing Prescription Drug and Opioid Abuse. Provide economic opportunities for returning citizens, many of whom have been adversely impacted by substance abuse that create barriers obtaining employment.				
AmeriCorps	380,503	–	–	–
No Kid Hungry is a national campaign run by Share Our Strength, a nonprofit working to solve problems of hunger and poverty in the United States and around the world.				
No Kid Hungry	5,000	–	–	–
The Composting and Food Waste Reduction Pilot Project titled Richmond Compost Initiative is led by the City of Richmond Community Garden Program, Richmond Grows Gardens. Through this pilot project, the City will establish a network of food scrap drop-off stations across the City of Richmond, collaborating with community gardens, libraries, businesses, and community organizations to learn how to best grow this community garden composting program across the City. The success of the pilot will lay the groundwork for a culture of composting and carbon capture in a major American city.				
Richmond Compost Initiative	28,010	17,852	–	–
Support for the 17th Street Farmer's Market, an open-air market located in Shockoe Bottom where farmers and artisans sell locally-grown and hand-made items.				
17th Street Farmer's Market	256,124	395,460	256,124	256,124
Deliver integrated in-school and after school programs to Richmond youth who meet specific criteria that are reflective of the Center for Disease Control's (CDC) indicated risk factors for youth violence. The program endeavors to build CDC-defined protective factors in participating youth so that they are measurably less likely to engage in gun violence.				
Youth Gun Violence Prevention Program	–	88,190	–	–

PARKS, RECREATION & COMMUNITY FACILITIES CONT.				
The People's Garden supports Richmond Grows Garden's community garden and agriculture sites that grow fresh food, support wildlife habitat, develop welcoming greenspaces for the community to enjoy, and provide education and training in sustainable agriculture practices. Funding provides gardens with native plants for pollinator habitat and integrated pest management, tools for empowering communities to care for the gardens, infrastructure for storage, seating, outdoor learning, water access, and materials to engage communities to participate in hands on opportunities and educational programming.				
People's Garden	-	3,032	-	-
Stabilize the Byrd Park Pump House. Funding requested will repair masonry, provide thermal and moisture protection, replace the roof, and provide safety and accessibility upgrades to save the building for public use. Renovations will increase accessibility to the building, provide opportunities for education, reinvigorate a portion of the James River Park System, provide additional office space, allow for event rentals, and other programmatic uses.				
Pumphouse Improvements	-	-	-	-
Focus on bio-retention, permeable surfaces and native plants at Westover and Whitcomb community centers.				
Green Infrastructure (National Fish and Wildlife Foundation)	-	-	750,000	-
The Richmond Environment is a two-year School District Capacity Building project funded in part by the National Oceanic and Atmospheric Administration (NOAA) whose primary objective is to give Richmond Public School (RPS) students a greater understanding and sense of ownership of their local watershed. This project's key partners, James River Park System, Alliance for the Chesapeake Bay, and RPS will engage our community as a whole to develop an Environmental Literacy Plan (ELP) for RPS that is rooted in environmental justice and is specific to this unique urban landscape, fraught with historic inequity and gifted with wild land.				
Bay Watershed Education and Training	172,202	-	-	-
Provide public, accessible, community-envisioned greenspaces in areas of South Richmond. Grant provides compensation to residents returning from incarceration and provide them training with tools, equipment, landscaping, invasive species removal, trail construction, etc. Also, the grant engages Southside ReLeaf, Virginia Community Voice, and Groundwork RVA - three community based nonprofit organizations that lead community engagement, resident empowerment, training, and the development of a master plan for Southside greening and new park onboarding.				
Community Project Funding	1,000,000	-	-	-
Funds for the purpose of providing public, accessible, community-envisioned greenspaces in areas of South Richmond. Funding will be used to expand the Parks and Recreation Workforce Development Program.				
Community Project Funding (New Parks in Southside Richmond)	-	-	1,000,000	-
Focusing on infrastructure improvements, bridge repairs and restrooms at Broad Rock Creek Park.				
Land Improvement (Department of Conservation and Recreation)	-	-	1,000,000	-
Funding focusing on infrastructure improvements, bridge repairs and restrooms at Broad Rock Creek Park.				
Tennis Grants (USTA)	-	-	25,000	-

RICHMOND PUBLIC SCHOOLS

RICHMOND PUBLIC SCHOOLS

OVERVIEW

Richmond Public Schools (RPS) proudly serves approximately 22,000 amazing students in preschool through grade 12. Our division is comprised of 25 elementary schools, including one charter school, seven middle schools, five comprehensive high schools, three specialty schools and five preschool centers.

Grounded by our three core values - equity, engagement and excellence - and guided by our strategic plan, [Dreams4RPS](#), we are committed to creating schools that are engines of opportunities for ALL of our children and building a school division that actively fights against systemic injustices and institutionalized racism.

MISSION

Richmond Public Schools will prepare our students to become successful, contributing members of society through innovative and compassionate learning communities.

OBJECTIVES

- Top 10 Goals for RPS Strategic Plan Dreams4RPS
 - Achieve 100% full accreditation.
 - Increase the graduation rate as well as the percentage of graduates attending a 4-year or 2- year college, entering the workforce in a living wage job, or participating in national service – overall and for each subgroup (race, economic status, IEP status, and ELL status).
 - Increase the proficiency and advanced rates in reading, writing, math, science, and social studies – overall and for each subgroup.
 - Increase teacher retention – overall and for each subgroup.
 - Decrease the gaps in proficiency and advanced rates – by race, economic status, ELL status, and IEP status.
 - Increase student satisfaction (for example, with school culture, building cleanliness, and engagement level of classes); family satisfaction (for example, with school safety, academic rigor, and timeliness of transportation); and staff satisfaction (for example, with level of support, freedom to offer feedback, and availability of resources) – overall and for each subgroup.
 - Increase student enrollment – overall and for each subgroup.
 - Decrease chronic absenteeism – overall and for each subgroup.
 - Decrease suspensions – overall and for each subgroup.
 - Increase funding from local, state, federal, and philanthropic sources.

LEGAL AUTHORIZATION

Pursuant to state law, all school divisions are fiscally dependent on the local government. As a fiscally dependent school division, RPS does not levy taxes or issue debt. All funds are appropriated to RPS by the Richmond City Council, which has authority to tax and incur debt.

The School Board derives its authority from the Commonwealth and has the constitutional responsibility to provide education to the residents of Richmond.

FISCAL SUMMARY

Budget Summary	FY 2023 Actual	FY 2024 Actual	FY 2025 Adopted	FY 2026 Proposed
Operating	\$200,307,625	\$221,460,106	\$239,280,792	\$248,880,792
Total General Fund	\$200,307,625	\$221,460,106	\$239,280,792	\$248,880,792
Special Fund	–	–	31,556,981	33,696,629
Capital Improvement Plan	2,500,000	217,500,000	2,500,000	2,500,000
Total Summary	\$202,807,625	\$438,960,106	\$273,337,773	\$285,077,421
Per Capita	\$894.91	\$1,934.03	\$1,193.43	\$1,223.30

FY 2026 PROPOSED GENERAL FUND BUDGET ADJUSTMENTS

Increase Local Support \$9,600,000

- Provide locally generated dollars to support public education for the City of Richmond's children in grades K-12.

TOTAL **\$9,600,000**

**An additional \$400,000 has been allocated in Non-Departmental for stormwater bills for Richmond Public Schools in FY2026, with this addition the total contribution to RPS is \$10 million.*

FY 2026 PROPOSED CAPITAL IMPROVEMENT PROGRAM BUDGET ADJUSTMENTS

Maintain Education related Capital Improvement Projects \$2,500,000

- Maintain Richmond Public Schools facilities, such as roofs, boiler replacements, and electrical upgrades.

TOTAL **\$2,500,000**

RICHMOND PUBLIC SCHOOLS

Contained in this section is the budget for Richmond Public Schools, as approved by the School Board. It consists of the General Fund Operating Budget Revenues, Revenue Fund Summary for All Funds, Expenditures by Object Group for General Fund, Expenditures by Group for All Funds, General Fund Expenditures by Object Category, etc. The City of Richmond's FY 2026 Proposed Annual Fiscal Plan recommends a General Fund appropriation of \$248,880,792 to Richmond Public Schools.

For more information on the Richmond Public Schools Board Approved Budget for FY 2025-2026, please visit <https://www.rvaschools.net>.

March 4, 2025

Honorable Mayor Danny Avula
City of Richmond
900 East Broad Street, Suite 201
Richmond, Virginia 23219

Dear Mayor Avula:

On behalf of the School Board of the City of Richmond, it is my pleasure to submit our FY26 budget and spending plan. This budget is representative of the culmination of months of organizational assessment, long range planning, and public input. The School Board's approved budget for FY26 is reflected below:

General Fund Budget	\$445,710,769
Special Revenue Budget	\$101,077,309
Capital Improvement Fund Budget - FY26	\$14,800,000

Highlights of the FY26 financial plan include funding to support our five Dreams4RPS priorities, as outlined below:

- For Academics, we continue to prioritize reading supports with expansion of literacy training in middle and high school, as we also propose new investments in multilingual learners, extended time and graduation.
- For Talent, we are honoring all of our collective bargaining agreements, while adding staff to manage the complex requirements of our collective bargaining commitments. We continue to invest in teacher incentives in efforts to reduce our vacancy rate.
- For Wellness, we are maintaining our partnerships with mental health professionals. This will allow for earlier identification, intervention, and provision of preventative services for a greater number of RPS students and families to have accessibility to services both inside and outside of school. We propose raising the minimum salary of our Care and Safety Associates to remain competitive with neighboring school districts and other employers in the Richmond area.
- For Engagement, we are maintaining our investment in attendance as well as adding staff to expand communication and outreach to our multilingual community.
- For Operations, we have added positions to the facilities team and are making investments in a new student information system to provide better customer service to families and staff.
- Finally, we are adding critical staff for payroll operations, identifying nearly \$3.9 million in non-personnel reductions, and proposing \$14.8 million in CIP improvements, primarily for HVAC/roof repairs and fire safety.

The School Board is ready to work with your administration and the City Council to clarify any items in the budget.

Sincerely,

Mrs. Shavonda Fernandez, Chair
9th District

**RICHMOND PUBLIC SCHOOLS
2025-26 BUDGET**

Demographics

Average Daily Membership

March 31 Average Daily Membership, or ADM, is the student enrollment count that drives most state funding for public education. ADM is the total days in membership for all students, grades K through 12, over the school year divided by the number of days school was in session. School divisions receive state funding based on their students' ADM as of March 31st of the fiscal year. The budget is based on a projected FY2026 March 31 student ADM of 20,149.

An additional measure of student population is fall membership. Fall membership reflects the number of students enrolled in Richmond Public Schools on September 30th. Data are collected by school and reported by grade assignment and ethnicity. Excluded from the September 30 count are special education preschool pupils, pupils in hospitals, clinics or detention homes, and local programs such as vocational and alternative education centers (i.e., centers or schools which receive, but do not officially enroll students). September 2025 membership is projected to be 21,961 with approximately 1,123 Pre-K students.

Free and Reduced Lunch Population

Free and reduced lunch population is a measure of poverty. As reported in the Department of Education's April 1, 2023 report, RPS is one of five school divisions in the Commonwealth operating under the USDA Community Eligibility Provision (CEP) with 20,689 or 100% of our students receiving free meals under the Federal school lunch program.

RPS applied and received approval to operate a (CEP) program effective July 1, 2014, whereby all students can eat breakfast and lunch for free. This works well in districts with significant poverty. RPS no longer captures free or reduced eligibility information from students.

CIP OVERVIEW, HIGHLIGHTS & FUNDING SOURCES

CAPITAL IMPROVEMENT PROGRAM

BACKGROUND

The City continues to emphasize the importance of addressing its infrastructure needs while also investing in neighborhood projects and improvements. The Capital Improvement Program (CIP) is used to invest in and develop capital projects strategically. A project that is included in the capital budget is broadly defined as requiring the expenditure of public funds for the purchase, construction, enhancement, or replacement of physical infrastructure/assets.

To be included in the CIP, a project should cost more than \$100,000 and must have an expected useful life greater than the life-span of any debt used to fund the project. Projects include improvements to roadways, sidewalks, and bikeways; improvements to neighborhood parks, libraries, and recreational facilities; construction and major renovations of schools and other City facilities; economic development activities; acquisition of property; and the efficient operation of the water, sewage and gas systems. Other costs associated with the capital budget include, but are not limited to, architectural and engineering fees and site development.

In line with good fiscal planning and charter requirements, a long-range planning process is used to develop a five-year CIP. Each capital project included in the five-year program has been recommended for additional or new funding in the first fiscal year of the plan and/or included as a planned project in the subsequent four fiscal years. Because of the multi-year nature of the CIP, it is a “living” document that outlines the project’s past and future.

View of the James River from the Belle Isle Suspension Bridge.

CAPITAL IMPROVEMENT PROGRAM

GUIDING PRINCIPLES

The projects included in this budget are recommended based on the following principles:

- Closing and/or updating prior year capital projects and identifying new capital or funding needs;
- Community, legislative, and administrative priorities and regional consideration;
- Pay-as-you-go revenues are maximized;
- Preserve the existing tax base.

To guide the CIP decision-making process, projects, both new and existing, were evaluated on the degree to which they meet the following objectives or criteria:

- Address health concerns, safety or emergency needs;
- Ensure basic infrastructure is maintained and improved so that the useful life is maximized;
- Meet a legal or contractual obligation or federal or state mandate;
- Leverage outside funding including federal, state, regional or private funding;
- Result in unacceptable outcomes if the project is deferred;
- Enjoy broad community support; and
- Support the priority initiatives included in one or more of the city's seven focus areas.

Indoor Basketball Court at Southside Community Center.

CAPITAL IMPROVEMENT PROGRAM

SUMMARY OF CIP FUNDING AND MAJOR CIP PROJECTS

The Proposed General Fund CIP totals \$870.4 million for FY 2026 - 2030. Of that amount, \$180.4 million is included in Fiscal Year 2026.

FY 2026 - 2030 Proposed Capital Improvement Plan: Funding by Category

The city's top priorities of schools and roads will receive 73.4 percent of the proposed funding. Funding for school modernization, maintenance, and new construction is funded at \$212.5 million. Transportation infrastructure is funded at \$426.7 million. This includes funding for complete streets at \$105.0 million; construction of the Fall Line Trail at \$39.0 million; major bridge improvements at \$20.0 million; and improvements to major thoroughfares such as Hull Street funded at \$50.6 million. Funding for capital investment opportunities including affordable housing development, redevelopment of Creighton Court, and the Shockoe Project, totals \$88.5 million. Maintenance of city facilities and the city flood system totals \$83.6 million, and maintenance and replacement of the city's fleet totals \$59.2 million.

DEBT MANAGEMENT POLICIES

A key component of the CIP is the availability of debt capacity and affordability to finance CIP projects. The CIP is funded based on the following policies:

- The amount of tax supported debt service will not exceed ten percent (10%) of the total budgeted expenditures for the General Fund and Richmond Public Schools plus the non-local portion of the recurring special funds for Street Maintenance.
- The City will not incur tax supported general obligation debt in excess of three and three-quarter percent (3.75%) of its total taxable assessed values;
- Tax supported general obligation debt will be structured in a manner such that not less than 60 percent of the outstanding debt will be retired in 10 years;
- The City will issue debt with an average life that is consistent with the useful life of the project with a maximum maturity of 30 years; and,
- The City will strive to provide cash funding for a portion of the five-year CIP.

As part of the debt management policy, several changes have been incorporated into the CIP's debt management strategy. These strategies are in keeping with other well-managed governments within the Commonwealth, particularly those rated AAA by the three rating agencies. The Proposed debt utilized in funding the FY 2026 - FY 2030 Capital Improvement Program is within each of the limitations described above.

CAPITAL IMPROVEMENT PROGRAM

FUNDING THE CAPITAL IMPROVEMENT PROGRAM

Funding Source	Description
General Obligation Bonds (Debt)	The City's debt is defined by the sources of repayment, general fund supported debt service and non-general fund supported debt. General fund supported debt is pledged to be repaid from tax revenue and is referred to as general obligation or G.O. bonds. Other self-supported debt, which is typically issued for utilities and communications projects, is intended to be repaid from revenue derived from other sources, such as fees or user charges.
Special Revenue Funds	These are direct cash contributions to specific CIP projects directly related to the special fund.
Transportation Alternative Program (TAP)	These are federal funds allocated on a competitive basis by the Commonwealth for projects related to pedestrian, bike, trails, historical and scenic improvements to the transportation network. Funding requires a local 20 percent match.
Congestion Mitigation and Air Quality Improvement Program (CMAQ)	This is a federal grant program for transportation projects with an aim to improve air quality passed through the State to the municipality via a statutory formula based on population and air quality classification as designated by the Environmental Protection Agency (EPA). These funds are budgeted for specific projects through the federally-mandated regional Metropolitan Planning Organization or MPO.
Highway Safety Improvement Program (HSIP)	This is a core federal-aid program with the purpose to achieve a significant reduction in traffic fatalities and serious injuries on all public roads, including non-State-owned roads and roads on tribal land. The HSIP requires a data-driven, strategic approach to improving highway safety on all public roads with a focus on performance.
State of Good Repair (SGR)	This program provides funding for deteriorated pavements and Poor Condition -- structurally deficient (SD) -- bridges owned or maintained by the Virginia Department of Transportation (VDOT) and/or localities, as approved by the Commonwealth Transportation Board (CTB).
Smart Scale	SMART SCALE is a statewide program that distributes funding based on a transparent and objective evaluation of projects that determines how effectively they help the state achieve its transportation goals.
Central Virginia Transportation Authority (CVTA)	The Central Virginia Transportation Authority is an authority in central Virginia established by House Bill 1541, passed in 2020, that provides new funding opportunities for priority transportation investments across the region. The Authority will administer transportation funding generated through the imposition of an additional regional 0.7 percent sales and use tax (revenue collection begins October 2020) and a wholesale gas tax of 7.6 cents per gallon of gasoline and 7.7 cents per gallon of diesel fuel (revenue collection begins July 2020). CVTA funding can be allocated for local, regional, or Greater Richmond Transit Company (GRTC) projects. CVTA local funding is for smaller, localized projects, while CVTA regional funding is for larger, cross-jurisdictional initiatives.
Revenue Sharing	The Revenue Sharing Program provides additional funding for use by a county, city, or town to construct, reconstruct, improve or maintain the highway systems within such county, city, or town and for eligible rural additions in certain counties of the Commonwealth. Locality funds are matched, dollar for dollar, that have state funds, with statutory limitations on the amount of state funds authorized per locality.
MPO RSTP	Regional Surface Transportation Program (RSTP) funds are provided to Metropolitan Planning Organizations.
Pay-As-You-Go-Funds (Cash)	This is revenue allocated as a direct cash contribution.
Other Funding Sources - Prior Appropriations	These dollars represent debt appropriations formerly allocated to other Capital Projects that have either been (1) completed under budget or (2) discontinued.

CAPITAL IMPROVEMENT PROGRAM

PROJECT CATEGORY DESCRIPTIONS

Category	Description
General Fund Supported Projects:	
Capital Planning Projects	This project provides funding for advanced planning and design of future capital projects.
Capital Investment Opportunities	These projects may provide funds for public infrastructure improvements designed to enhance and support private sector investments in a variety of neighborhood and commercial areas of the City, resulting in improved quality of life, cultural enrichment, and increased tourism.
Capital Maintenance Program	Improve the City's public buildings infrastructure by providing adequate maintenance and construction of new and updated facilities.
Capital Transportation Program (Federal/State/Regional funding)	Improve the City's roadway infrastructure system and satisfy the Commonwealth of Virginia's mandate regarding the Urban Roadways Program. This encompasses improvements to primary and secondary vehicular passageways, bridges, sidewalks, street lighting, signalization, safety, and other street and highway-related projects. These projects are funded primarily by federal and state transportation grants, but may have also received G.O. Bond allocations as matching or supplemental funding.
Capital Transportation Program (G.O. Bond funding)	Improve the City's roadway infrastructure system and satisfy the Commonwealth of Virginia's mandate regarding the Urban Roadways Program. This encompasses improvements to primary and secondary vehicular passageways, bridges, sidewalks, street lighting, signalization, safety, and other street and highway-related projects. These projects are funded primarily by general obligation bond (G.O. bond) debt.
Capital Vehicle & Equipment	Upgrade and maintain the City's vehicular inventory by providing funding for the purchase and maintenance of new and existing vehicles and related equipment.
Education	Enhance the educational infrastructure of the City to improve instructional service delivery. These projects are most likely to be school-related activities, but can be any educational capital-type project. This area includes construction projects to improve, replace, or build new elementary, middle, and high school facilities. Related funds for the acquisition of property and designs are also included.
Non-General Fund (Utility) Supported Projects:	
Gas Utility	Improve the gas infrastructure system and perpetuate economic vitality.
Stormwater Utility	Improve the stormwater infrastructure system, including miscellaneous drainage improvements, system repairs and rehabilitation, system cleaning, and drainage studies, in neighborhoods citywide.
Wastewater Utility	Improve the wastewater infrastructure system, including the operation and maintenance of collection sewers, pump stations, and sewer force mains.
Water Utility	Improve the water infrastructure and perpetuate economic vitality.

CAPITAL IMPROVEMENT PROGRAM

PROJECT INFORMATION

Category	Description
Capital Improvement Funding Breakdowns	
Capital Improvement Program Funding Sources	Lists the sources of revenue the City uses to fund capital projects.
Capital Improvement Program Uses of Funds	Lists the projects proposed in the first year of the five-year plan.
Capital Improvement Program Five-Year Program Summary	A summary of the five-year plan including all projects planned and/or approved in the proposed year and the four planned years.
Project Pages	
Project Detail by Project Category	Projects shown on the five-year plan are listed individually with a description, history and key milestones, and a detailed financial breakdown.
Project Title	Provides a descriptive name for the project.
Category	Identifies the category in which the project is grouped (Education, Capital Investment Opportunities, etc.).
Department	Identifies the City department that functions as the key liaison for the project.
Location	Identifies the physical location of the project by council district. For generalized projects impacting multiple or all council districts, the location is identified as Citywide (CW) .
Priority Area	Identifies which priority area(s) the project supports. These include: 1.) Adult and Youth Education / Strong Futures for Children, Adults, and Families; 2.) Public Safety, Health, and Wellness / Safe Neighborhoods; 3.) Economic Empowerment / Planned Growth, Economic Progress, and Affordable Housing and Responsive, Accountable, and Innovative Government; 4.) Efficient and High-Quality Service Delivery; and 5.) Vibrant, Inclusive, and Mobile Communities.
Award (#) Number	Financial account used to track project expenditures.
Project (#) Number	Financial account used to track project expenditures.
Description & Scope	Provides a brief and informative description of the project.
History & Key Milestones	Provides a brief and informative overview of the project's history and key milestones that will be used to measure the progress of the project.
Funding Sources	Indicates the type of funding source for the project (G.O. Bonds, Federal, etc.).
Financial Summary	The financial summary provides detailed information on the amounts appropriated for the project. This section is detailed below.
Financial Summary - Project Pages	
FY 2026 Proposed	Indicates the proposed amounts for the project. Amounts listed in FY 2027 - FY 2030 are planned amounts for the project in the upcoming years.
FY 2025 Adopted	Indicates amounts that were approved for the project when the budget was authorized in the previous fiscal year.
Change	Calculates the difference between funding in the FY 2026 Proposed CIP and the FY 2025 Adopted CIP.
Operating Budget Impact	Indicates an ongoing operating budget expense once the project is complete. These expenses will not be paid from the capital budget.
Prior Year Funding	Indicates the dollars previously contributed to this project through previous budget appropriations.
Prior Year Available	Indicates the portion of funding remaining from the prior year's funding as of December 31, 2024.
Remaining Need	Indicates the additional amount of capital funding needed to complete the project beyond the prior year funding, and the sum of the five-year Adopted funding.
FY 2026 Budget Distribution	Amounts indicated are a projection of how funds will be spent in the first year of funding.
TBD: A "To Be Determined" (TBD)	This is a placeholder that is used for projects that have been identified as priorities based on the City's guiding principles and project areas. Costs for these projects will be determined at a later time. These TBD costs may be located in either the first year of the FY 2026 budget year or the out-years of the five-year CIP.

CAPITAL IMPROVEMENT PROGRAM

OPERATING IMPACT OF MAJOR CIP PROJECTS

The departments are requested to assess the impact new projects may have on future operating costs. Not all projects have quantifiable measurements even if greater efficiency or effectiveness is the expected result. Also, some projects may be undertaken due to the need for enhanced health and/or safety factors. The operating costs of a project, and any savings resulting from the project, are captured in the operating budget. The city carefully considers all potential operating impacts before including a project in the five-year plan. These considerations are also included in the city's five-year forecast.

Pedestrian Crossing at the intersection of Cary Street and 9th Street.

CAPITAL IMPROVEMENT PROGRAM

CIP HIGHLIGHTS

This section highlights capital project-related accomplishments within the past year, including groundbreakings, ongoing construction projects, and completed projects.

UPCOMING PROJECTS

On February 27, 2024, city leaders unveiled The Shockoe Project, a comprehensive plan for interpretation of the story of the Shockoe Bottom area's history involving generations of enslaved and free Africans who were trapped in the slave trade before the end of the Civil War. City and state funding has been allocated for the planning, designing, land acquisition, and construction of a multi-use enslaved African cultural and heritage park-like campus that will surround the future National Slavery Museum in Shockoe Bottom.

On August 28, 2024, a ceremonial groundbreaking was held for the Bryan Park segment of the Fall Line Trail, a regional multi-use trail that was conceptualized in 2019. The Fall Line Trail will connect Petersburg to Ashland, through the heart of Richmond. The Fall Line Trail provides, through a multi-jurisdictional trail system, opportunities for active transportation, recreation, and economic development across the region.

Rendering of the future Shockoe Project Campus.

CAPITAL IMPROVEMENT PROGRAM

UNDER CONSTRUCTION

Projects currently under construction include two community centers (T.B. Smith, and Lucks Field), two fire stations (12 and 21), and the First Police Precinct.

Ongoing construction, First Police Precinct.

Ongoing construction, Fire Station 21.

CAPITAL IMPROVEMENT PROGRAM

COMPLETED PROJECTS

Completed projects include Southside Community Center, pedestrian safety improvements to Jefferson Avenue and Belvidere Street, installation of a gateway sign on Hull Street at the city limits, and pedestrian crossing improvements at various intersections throughout the city.

Left: Southside Community Center after construction. Right: Jefferson Avenue after construction.

Left: Belvidere Street at Rowe Street after construction. Right: Hull Street Corridor gateway sign.

Completed crosswalks. Left: Iron Bridge Road at Belmont Road. Right: Richmond Highway at Bellemeade Road.

CAPITAL INVESTMENT OPPORTUNITIES

CAPITAL INVESTMENT OPPORTUNITIES

BROWN'S ISLAND IMPROVEMENTS

Category:	Capital Investment Opportunities	Priority Area:	Public Safety, Health, & Wellness
Department:	Parks & Recreation	Award #:	501320
Location:	6 th District	Project #:	109602

Description & Scope: Provide funding for implementation of the Brown's Island Improvement Plan, which includes developing river and canal terraces, play spaces for children, more trees and landscaping, more ADA accessibility and other pedestrian improvements, shade, seating, and drinking water, and permanent restrooms, among other amenities.

History & Key Milestones: In 2012, City Council adopted the Richmond Riverfront Plan, which included recommendations to transform Brown's Island into a destination for recreation, exploration, socializing, and music/cultural events. The Brown's Island Improvement Plan is a more detailed conceptual plan developed by Venture Richmond and 3North to move these recommendations forward. The plan received conceptual approval from the City Planning Commission in December 2019.

Funding Sources(s): G.O. Bonds

CAPITAL INVESTMENT OPPORTUNITIES

CREIGHTON COURT REDEVELOPMENT

Category: Capital Investment Opportunities
Department: DPW, HCD
Location: 7th District

Priority Area: Public Safety, Health, & Wellness
Award #: 501330
Project #: N/A

Description & Scope: Provide funding for the installation of infrastructure to support redevelopment of the Creighton Court neighborhood, including, but not limited to, roads, curbs, gutter, sidewalks, paving, streetscaping, underground utilities, and stormwater management.

History & Key Milestones: Funding has also been allocated in previous years to this project through the American Rescue Plan Act (ARPA).

Funding Sources(s): G.O. Bonds

CAPITAL INVESTMENT OPPORTUNITIES

JOHN MARSHALL COURTS BUILDING REPLACEMENT

Category: Capital Investment Opportunities
Department: Public Works
Location: 6th District

Priority Area: Efficient & High-Quality Service Delivery
Award #: New
Project #: New

Description & Scope: Provide funding for the planning and design of a new John Marshall Courts building.

History & Key Milestones: The existing John Marshall Court facility has reached the end of its useful life cycle and has substantial deferred maintenance and physical security issues that are not feasible to address. Two potential city-owned sites were identified, and the Marshall Plaza site was selected for the new court building, once the Department of Social Services has vacated the property.

CAPITAL INVESTMENT OPPORTUNITIES

PERCENT FOR ART

Category:	Capital Investment Opportunities	Priority Area:	Economic Empowerment
Department:	PDR, DPW, DPU, PRCF	Award #:	1308131/291C031/500201/500328/501098
Location:	Citywide	Project #:	104689/101525

Description & Scope: Provide funding for the addition of public art throughout the city. The Percent for Art program ensures a dedicated stream of funding for Public Art, and strives to develop public art that reflects Richmond’s history and culture by commissioning inspiring artwork in a diversity of styles and media by regional, national, and international artists.

History & Key Milestones: In 1991, the Planning Commission, on the recommendation of City Council, appointed a Public Art Commission (PAC) to administer a Public Art Program. In January 1997, Council passed Ordinance 97-3-41, formalizing the Percent-for-the-Art process mandating its funding through the Capital Improvement budget. The Percent for Art Program is modeled after similar ordinances in 27 states and 350 cities nationwide. Since the inception of the Public Art Commission in 1991, 44 projects valued at \$1.43 million have been installed that need to be inventoried, assessed, and maintained on a regular basis. In 2018, the adopted Public Art Master Plan provided a vision for the future of public art in Richmond.

Funding Source(s): G.O. Bonds

THE SHOCKOE PROJECT

Category:	Capital Investment Opportunities	Priority Area:	Public Safety, Health, & Wellness
Department:	Public Works	Award #:	501066/501179
Location:	7 th District	Project #:	108115

Description & Scope: Provide funding for the planning, designing, land acquisition, and construction of a multi-use enslaved African cultural and heritage park-like campus that will surround the future National Slavery Museum in Shockoe Bottom.

History & Key Milestones: This project was originally named *Enslaved African Heritage Campus*. The project reflects significant advocacy over many decades by numerous individuals and organizations to properly recognize and memorialize the impact of the trade in enslaved Africans that was centered in Shockoe. The notion of a campus in Shockoe came from the Center for Design Engagement that envisioned a project combining a memorial park and museum with other development opportunities to create equity.

CAPITAL MAINTENANCE PROGRAM

CAPITAL MAINTENANCE PROGRAM

FLOODWALL, LEVEE, DAM, FISHWAY, & CANAL SYSTEM MAINTENANCE

Category: Capital Maintenance Program

Department: Public Utilities

Location: Citywide

Priority Area: Efficient & High-Quality Service Delivery

Award #: 501252

Project #: 108601

Description & Scope: Provide funding for maintenance and renewal of the city's floodwalls, levees, dams, fishway, and canal system. These are significant assets for public health and safety, and the protection of property. The primary assets include the northside and southside flood protection systems, the Water Treatment Plant flood protection system, the lower and upper Kanawha Canals, Haxall Canal, and Manchester Canals, Great Shiplock lock and dam, dams including Boshers' Dam (includes fishway), Manchester Dam, Brown's Island Dam, Belle Isle Dam and Williams Island Dam, and impounding structures, including Byrd Park lakes, Bryan Park lakes, Forest Hill Lake, Hobby Hill Lake, Cherokee Lake, and Lochinvar Lake.

History & Key Milestones: This project was first introduced in the FY 2024 - 2028 CIP.

Funding Source: G.O. Bonds

CAPITAL MAINTENANCE PROGRAM

GENERALIZED CAPITAL MAINTENANCE PROGRAM OVERVIEW

The following table lists the projects that will be funded through the Generalized Capital Maintenance Program Project in Fiscal Year 2026:

Project Name	FY 2026 Proposed Amount
Calhoun Community Center Renovations	2,300,000
Cemetery Improvements	250,000
City Hall - Chiller Replacement (#1)	1,750,000
City Hall - Electrical Upgrades	450,000
City Hall - Mechanical Upgrades (all floors)	1,950,000
City Hall - MEP Upgrades	500,000
City Hall - Security Upgrades	250,000
Fire Station 6 - Fire Protection	120,000
Fire Station 15 - Roof Replacement	300,000
Fire Station 18 - Roof Replacement	300,000
Fleet Management - Electrical/Generator Replacement	650,000
James River Park Infrastructure	100,000
Lakes, Aquatics & Fountains	250,000
Major Parks Maintenance	1,000,000
Manchester Courthouse - Fire Panel & System Upgrades	162,500
Neighborhood Parks Maintenance	775,000
Oliver Hill Courthouse - Fire Panel & System Upgrades	162,500
Oliver Hill Courthouse - Interior LED Lighting, Courtroom Bench Renovations (all courts)	500,000
Parks and Recreation Building Maintenance	500,000
Police Training Academy - Gun Range HVAC Replacement	600,000
RACC Facility Improvements	1,500,000
Richmond City Justice Center - Various Upgrades	250,000
Third Police Precinct - Parking Deck Upgrade	1,500,000
Total	16,120,000

CAPITAL TRANSPORTATION PROGRAM (FEDERAL/STATE/ REGIONAL FUNDS)

TRANSPORTATION (FED/STATE/REGIONAL FUNDS)

ARTHUR ASHE BOULEVARD BRIDGE REPLACEMENT

Category:	Transportation - Federal/State/Regional	Priority Area:	Public Safety, Health, & Wellness
Department:	Public Works	Award #:	501254/501303/501356
Location:	2 nd District	Project #:	108670

Description & Scope: Provide funding for design and construction of a replacement bridge for the current Arthur Ashe Boulevard over CSX Transportation (CSXT) Railroad Bridge. The proposed bridge will span two existing CSXT railway lines and two proposed tracks: one for high-speed passenger rail and the other for a freight line.

History & Key Milestones: The bridge extends over the CSXT railroad and is structurally deficient with emergency temporary supports recently installed and sub-standard vertical clearances over CSXT. The bridge provides a critical connection between the City of Richmond's urban and commercial centers and regional transportation infrastructure, including interstate highways I-95 and I-64. The total project cost estimate is \$35 million, and has received funding to date through sources including a Federal RAISE grant, a donation from CSXT, and G.O. Bonds from the City.

Funding Source(s): G.O. Bonds

TRANSPORTATION (FED/STATE/REGIONAL FUNDS)

AUTOMATED TRAFFIC SIGNAL PERFORMANCE MEASURES

Category: Transportation - Federal/State/Regional **Priority Area:** Public Safety, Health, & Wellness
Department: Public Works **Award #:** 501285
Location: Citywide **Project #:** 108871

Description & Scope: Provide funding for the implementation of Automated Traffic Signal Performance Measures (ATSPM) on at least 17 corridors outside the downtown grid area (i.e. US Routes 1, 33, 60, 250, 360; State Routes 6, 10, 147, 161, 197; Brook Road, Commerce Road, Forest Hill Avenue, Grove Avenue, and Monument Avenue).

History & Key Milestones: In 2023, the Richmond Region Transportation Planning Organization recommended an allocation of \$7.432 million from the Congestion Mitigation and Air Quality (CMAQ) program to implement ATSPM (UPC 118148).

Funding Source(s): CMAQ

TRANSPORTATION (FED/STATE/REGIONAL FUNDS)

BIKE LANES/BOULEVARD (STREET CONVERSION)

Category: Transportation - Federal/State/Regional
Department: Public Works
Location: Citywide

Priority Area: Public Safety, Health, & Wellness
Award #: 500309/501168
Project #: Multiple

Description & Scope: Provide funding for design and construction of bike lanes, including separated, protected, buffered, and contraflow bike lanes, as well as bike boulevards along selected corridors. Bike-related signage will also be provided. The project also includes infrastructure improvements and equipment that support and/or enhance bike infrastructure and bicycle use, such as those necessary to support the bike share system or sweeping lanes. These lanes are typically accomplished via roadway conversions or “road diets” where existing roadways are reconfigured to reallocate space to create a multi-modal environment.

History & Key Milestones: Consistent with the City’s Bicycle Master Plan, designated bike lanes will help complete a network of bikeways. Bike boulevards are also planned along strategic corridors where dedicated bike lanes cannot be added.

Funding Source(s): G.O Bonds

BROAD STREET STREETScape - PHASE II WITH BRT EXPANSION

Category:	Transportation - Federal/State/Regional	Priority Area:	Public Safety, Health, & Wellness
Department:	Public Works	Award #:	New
Location:	1 st & 2 nd Districts	Project #:	New

Description & Scope: Provide funding for multimodal safety and operational improvements to the 0.5 mile stretch of Broad Street from Hamilton Street to Commonwealth Avenue. Improvements include two new Bus Rapid Transit (BRT) curbside stations, sidewalk and ADA accessible ramp improvements, pedestrian crossing improvements, access management, and other streetscape amenities.

History & Key Milestones: The Department of Public Works secured \$26.8 million in round four Smart Scale funds from the Virginia Department of Transportation (VDOT) for this project.

Funding Source(s): Smart Scale

TRANSPORTATION (FED/STATE/REGIONAL FUNDS)

CAPITAL TRAIL/CANAL WALK CONNECTOR TO BROWN'S ISLAND - PHASE I

Category: Transportation - Federal/State/Regional
Department: Public Works
Location: 6th District

Priority Area: Public Safety, Health, & Wellness
Award #: 500926/ 500927
Project #: 106381

Description & Scope: Provide funding for improvements to the Virginia Capital Trail (VCT) connection to the Tyler T. Potterfield Memorial Bridge located on Brown's Island, via the Canal Walk in downtown Richmond. Improvements include construction of an ADA-accessible ramp from the south side of the Canal Walk up to street grade at Virginia Street and E. Byrd Street; a barrier-separated bike lane extending along E. Byrd Street to the City floodwall, and a short segment of paved path accessing the walkway along Haxall Point.

History & Key Milestones: The Department of Public Works secured \$487,000 in Federal Transportation Alternative (TAP) funding from the Virginia Department of Transportation (VDOT) for Phase I of this project. In FY 2025, VDOT deallocated \$309,000 in TAP funding, requiring the city to fund the rest of the project.

Funding Source(s): G.O. Bonds

CARNATION STREET SIDEWALKS - PHASE II

Category:	Transportation - Federal/State/Regional	Priority Area:	Public Safety, Health, & Wellness
Department:	Public Works	Award #:	New
Location:	9 th District	Project #:	New

Description & Scope: Provide funding for construction of a new 5-foot wide sidewalk for approximately 0.2 miles along eastbound Carnation Street from Hioaks Road to Warwick Road.

History & Key Milestones: This is a new project in the FY 2026 - 2030 CIP. The Department of Public Works secured a \$698,400 Federal Transportation Alternatives Program (TAP) grant in the 2025 application process that requires a 20 percent funding match from the City.

Funding Source(s): TAP, G.O. Bonds; *FY 2026 Allocation - TAP (\$698,400), G.O. Bonds (\$174,600)*

CARY STREET SIDEWALK IMPROVEMENTS

Category:	Transportation - Federal/State/Regional	Priority Area:	Public Safety, Health, & Wellness
Department:	Public Works	Award #:	New
Location:	1 st District	Project #:	New

Description & Scope: Provide funding for the installation of dedicated pedestrian infrastructure along Cary Street at the intersection of Three Chopt Road where existing pedestrian infrastructure is lacking. New sidewalk and islands are proposed on the south side of the intersection to provide a safe connection from the adjacent neighborhoods to St. Catherine's School immediately north of the intersection, and to provide a safe refuge for pedestrians to cross Cary Street. A section of sidewalk is also proposed on St. Catherine's Lane to complete the safe pedestrian-specific link across the intersection.

History & Key Milestones: This is a new project in the FY 2026 - 2030 CIP. The Department of Public Works secured a \$469,000 Federal Transportation Alternatives Program (TAP) grant during the 2025 application process that requires a 20 percent funding match from the City.

Funding Source(s): TAP, G.O. Bonds; *FY 2026 Allocation - TAP (\$469,000), G.O. Bonds (\$117,000)*

TRANSPORTATION (FED/STATE/REGIONAL FUNDS)

CENTRALIZED TRANSIT SIGNAL PRIORITY & EMERGENCY VEHICLE PREEMPTION

Category: Transportation - Federal/State/Regional **Priority Area:** Public Safety, Health, & Wellness
Department: Public Works **Award #:** 500928/501256
Location: Citywide **Project #:** 106483

Description & Scope: Provide funding for integration of the City's traffic signal system with the Region's Automated Vehicle Location (AVL) systems to improve safety operations and travel speeds for transit vehicles (TV), emergency vehicles (EV), and other City-operated vehicles equipped with AVL.

History & Key Milestones: This project will leverage the expanded City ATMS fiber optic communication network upgrade. The developed software interface will provide a link between Centracos and the AVL software platforms to exchange location, speed, headway and destination data for TVs and EVs. The interface logic will utilize this data in Centracos to determine traffic signal locations where TSP or EVP should be granted to support on-time arrival and reduce delays.

Funding Source(s): G.O. Bonds

CLAY STREET STREETScape

Category:	Transportation - Federal/State/Regional	Priority Area:	Public Safety, Health, & Wellness
Department:	Public Works	Award #:	New
Location:	2 nd District	Project #:	New

Description & Scope: Provide funding to convert and improve the typical section of Clay Street from a two-lane, one-way street to a two-lane, two-way street along the 0.5 mile stretch between Arthur Ashe Boulevard and Belleville Street by providing a 10' travel lane in each direction, a 6' bike lane along the eastbound side of the corridor, and a parking lane on both sides of the corridor between Sheppard Street and Roseneath Road. This project will further improve multimodal safety and operations by providing traffic calming and access management through curb bump-outs and removing redundant entrances to parcels, and by providing bike, pedestrian, and transit access improvements and crossing accommodations at two intersections and at two bus stops.

History & Key Milestones: The Department of Public Works secured a \$18,771,000 Federal Smart Scale grant in FY 2024 for this project, with no matching funds required from the City.

Funding Source(s): Smart Scale

TRANSPORTATION (FED/STATE/REGIONAL FUNDS)

COMPLETE STREETS

Category: Transportation - Federal/State/Regional
Department: Public Works
Location: Citywide

Priority Area: Public Safety, Health, & Wellness
Award #: 501100/501216
Project #: Multiple

Description & Scope: Provide funding for street improvements within the public right-of-way, including traffic calming measures, pedestrian safety crossing improvements, sidewalks, ADA compliance, streets, alleys, traffic control devices, and resurfacing/paving. Complete streets is a transportation policy and design approach that requires streets to be planned, designed, operated, and maintained to enable safe, convenient and comfortable travel and access for users of all ages and abilities regardless of their mode of transportation. This project will continue to fund the multiple aspects of complete streets for all citizens of the City of Richmond.

History & Key Milestones: This program was first approved in the FY 2022 - 2026 CIP. This project consists of the former projects: Citywide Traffic Calming, Pedestrian Safety Crossing Improvements, Sidewalk Projects, Streets, Sidewalks, and Alley Improvements, Traffic Control Installation, and Transportation Projects.

Funding Source(s): G.O. Bonds, CVTA; FY 2026 Allocation - G.O. Bonds (\$16.0 million), CVTA (\$5.0 million)

DEEPWATER TERMINAL ROAD CONNECTOR TO GOODES STREET

Category:	Transportation - Federal/State/Regional	Priority Area:	Public Safety, Health, & Wellness
Department:	Public Works	Award #:	500473/500491/500948/501184
Location:	8 th District	Project #:	102186

Description & Scope: Provide funding for design and construction to extend Deepwater Terminal Road 0.69 miles north to Goodes Street. The project will consist of a two-lane roadway with shoulders and drainage ditches. The roadway extension will require utility relocations and right of way acquisitions.

History & Key Milestones: This project is currently in the right of way acquisition phase. Due to inflation, construction costs have increased significantly and an additional \$2.3 million is needed to fund construction of this project.

Funding Source(s): MPO RSTP, G.O. Bonds; *FY 2026 Allocation - MPO RSTP (\$1.3 million)*

FALL LINE TRAIL - WALMSLEY BOULEVARD TO BELLEMEADE ROAD

Category:	Transportation - Federal/State/Regional	Priority Area:	Public Safety, Health, & Wellness
Department:	Public Works	Award #:	501182
Location:	8 th District	Project #:	108036

Description & Scope: Provide funding for construction of a 10 foot shared use path to connect Richmond Highway at Walmsley Boulevard to Bellemeade Road at Commerce Road using the city's Vision Zero and Better Streets approach. The path will include shoulder/curb and gutter improvements, a multimodal space with buffer zone featuring streetscape and landscaping (e.g., trees or a grass strip) and street furniture (e.g., benches and trash cans) as appropriate.

History & Key Milestones: This project was first funded in FY 2023 and was previous titled "Fall Line Trail - Southern Section to Chesterfield County Connection".

Department:	Public Works	Award #:	New
Location:	7 th District	Project #:	New

Description & Scope: Provide funding for a 10' paved path, street crossing improvements at Main Street and at Williamsburg Avenue, roadway lighting improvements at Williamsburg Avenue, Government Road, and Jennie Scher Road, and bike, pedestrian and transit access improvements at eight transit stops/stations.

History & Key Milestones: Gillies Creek Greenway is a proposed 0.4 mile shared use path extension from the James River riverfront and Virginia Capital Trail to Williamsburg Avenue to improve multimodal safety and enhance bike, pedestrian & transit connectivity to the Pulse BRT, Gillies Creek Park, and major developments. This project is the final link between the Gillies Creek Greenway spur with the 52-mile regional trail.

Funding Source(s): Smart Scale

GILLIES CREEK GREENWAY - PHASE IV

Category:	Transportation - Federal/State/Regional	Priority Area:	Public Safety, Health, & Wellness
Department:	Public Works	Award #:	New
Location:	7 th District	Project #:	New

Description & Scope: Provide funding for construction of a shared-use path along Jennie Scher Road from the intersection of Stony Run Road to E. Richmond Road, adding about 0.45 miles of dedicated bike and pedestrian infrastructure to the existing greenway. The project will include a dedicate bridge structure over the Gillies Creek spillway which is currently traversed by a two-lane roadway bridge on Jennie Scher Road. The northern terminus of this phase of the Greenway will extend it to within 600' of the Oakwood neighborhood and the nearby single-family and multi-family housing. The northern terminus of this phase of the Greenway provide improved multi-modal access to Oakwood Cemetery, as well as the East End and Evergreen cemeteries.

History & Key Milestones: This is a new project in the FY 2026 - 2030 CIP. The Department of Public Works secured a \$1,490,000 Federal Congestion Mitigation and Air Quality (CMAQ) program grant through the 2025 application process that requires no matching City funds.

Funding Source(s): CMAQ

GOVERNMENT ROAD SLOPE REPAIR

Category: Transportation - Federal/State/Regional **Priority Area:** Public Safety, Health, & Wellness
Department: Public Works **Award #:** 501185
Location: 7th District **Project #:** 108031

Description & Scope: Provide funding for a geotechnical study, design and long-term stabilization of the Chimborazo Park slope failure in the vicinity of Government Road. Phase I is estimated at \$1.35 million to stabilize Government Road and Phase II is estimated at \$2.8 million to stabilize Park Access Road. Phase III is estimated at a cost of \$3.3 million to stabilize the remaining part of the Government Road in the future.

History & Key Milestones: This project was a part of the Miscellaneous Gaston Account in 2004 (\$250,000) for Slope Stabilization. In FY 2013, this project received \$250,000 in State Revenue Sharing (RSP) funds.

Funding Source(s): Revenue Sharing

HULL STREET IMPROVEMENTS PHASE I: HEY ROAD TO WARWICK ROAD

Category: Transportation - Federal/State/Regional	Priority Area: Public Safety, Health, & Wellness
Department: Public Works	Award #: 500197
Location: 9 th District	Project #: 103068/100875

Description & Scope: Provide funding for improvements to Hull Street Road from Hey Road to Warwick Road, with a total length of 1.25 miles. The project will consist of a raised median, turn lanes, curbs, gutters, bike lanes, new side walk and shared use path on the north side of Hull Street and new sidewalks on the south side of Hull Street, street lighting and an underground drainage system. The project will also improve access management along the corridor and will coordinate signal timings, thus providing a multi-modal transportation corridor.

History & Key Milestones: This project first appeared in the FY 2005 -2009 CIP.

Funding Source(s): Smart Scale, HSIP, Revenue Sharing; *FY 2026 Allocation: Smart Scale (\$3.06 million), HSIP (\$6.06 million)*

HULL STREET OVER MANCHESTER CANAL BRIDGE REPLACEMENT

Category:	Transportation - Federal/State/Regional	Priority Area:	Public Safety, Health, & Wellness
Department:	Public Works	Award #:	501259
Location:	6 th District	Project #:	106563

Description & Scope: Provide funding for design and construction of the replacement of the Hull Street over Manchester Canal Bridge.

History & Key Milestones: The Hull Street over Manchester Canal Bridge was built circa 1920 and was rehabilitated in the early 2000s. The project has been funded under the Revenue Sharing program (awards 500315 and 500262) in the amount of \$5.0 million. The Virginia Department of Transportation (VDOT) has also appropriated \$1.6 million in State of Good Repair (SGR) funds for the design and construction of the bridge replacement.

Funding Source(s): State of Good Repair

HULL STREET SHARED USE PATH

Category:	Transportation - Federal/State/Regional	Priority Area:	Public Safety, Health, & Wellness
Department:	Public Works	Award #:	New
Location:	9 th District	Project #:	New

Description & Scope: Provide funding for improvements to the 0.7 mile stretch of Hull Street between Arizona Drive and McGuire Drive and along the 0.15 mile stretch of Belt Boulevard between Hull Street and Southside Plaza. This project will provide a 10' shared use path with 8' buffer along the north side of Hull Street and along the west side of Belt Boulevard to complete the missing link between the funded improvements along Hull Street at Arizona Drive, at the intersection of Hull Street and Belt Boulevard, and the James River Branch Trail. This project will also provide access management improvements, bike, pedestrian, and transit improvements at three transit stops including a transit pullover bay, and safety improvements including pulling in the existing westbound channelized right turn and southbound channelized right turn into the intersection at Belt Boulevard, and removing the westbound auxiliary lane along Hull Street from Belt Boulevard to Arizona Drive.

History & Key Milestones: This project was first introduced in the FY 2025 - 2029 CIP.

Funding Source(s): Smart Scale

TRANSPORTATION (FED/STATE/REGIONAL FUNDS)

JAHNKE ROAD IMPROVEMENTS: BLAKEMORE ROAD TO FOREST HILL AVENUE

Category:	Transportation - Federal/State/Regional	Priority Area:	Public Safety, Health, & Wellness
Department:	Public Works	Award #:	2918949/500235/500236/500238/500239/ 500240/500243/500244
Location:	4 th District	Project #:	Multiple

Description & Scope: Provide funding for improvements to Jahnke Road between Blakemore Road and Forest Hill Avenue through the installation of a median with left turn lanes, curbs, gutters, sidewalks, shared use paths, landscaping, and an underground drainage system. The roadway will remain two travel lanes with landscaping. The existing traffic signals will be upgraded.

History & Key Milestones: This project has been a part of Richmond's master plan since the early 1970's and was the target of a 1993-95 safety study. The project is in the final phase of development. In FY 2024, PlanRVA approved an allocation of \$3.0 million in federal RSTP funds to help fund the construction of this project.

JAMES RIVER BRANCH TRAIL

Category:	Transportation - Federal/State/Regional	Priority Area:	Public Safety, Health, & Wellness
Department:	Public Works	Award #:	501159
Location:	5 th , 8 th , & 9 th District	Project #:	107910

Description & Scope: Provide funding for construction of a 20 foot wide shared-use path and greenway along the abandoned James River Branch Railroad corridor with a total length of 2 miles.

History & Key Milestones: On February 28, 2022, Council Ordinance #2022-034 amended the FY 2023 - 2027 Capital Improvement Plan to appropriate \$4,122,214 from the Virginia Department of Transportation (VDOT) for the acquisition of CSX properties required to construct the trail. The city was later informed by VDOT that funding would be reduced to \$3.7 million; this adjustment was made through the FY 2025 - 2029 CIP. Additionally, this project received \$9.0 million in funding from the American Rescue Plan Act (ARPA).

Location: 7th District

Project #: 105867

Description & Scope: Provide funding for improvements to the Jefferson Avenue corridor, reconstructing a portion of the 1/3-mile corridor to include traffic calming, pedestrian and bicycle infrastructure, and green infrastructure.

History & Key Milestones: In 2015, the City, with the EPA and HUD through a Greening America's Capital technical assistance grant, created a design project that improves pedestrian and bicyclist mobility and safety, encourages investment in vacant and underutilized parcels along the corridor, utilizes green infrastructure to improve storm water quality, and improves the streetscape and appearance of the corridor. The design concepts serve as the basis for this funding request.

Funding Source(s): G.O. Bonds, Revenue Sharing; *FY 2026 Allocation - G.O. Bonds (\$349,000), Revenue Sharing (\$346,000)*

TRANSPORTATION (FED/STATE/REGIONAL FUNDS)

MAJOR BRIDGE IMPROVEMENT PROGRAM

Category: Transportation - Federal/State/Regional
Department: Public Works
Location: Citywide

Priority Area: Public Safety, Health, & Wellness
Award #: 500315/500562
Project #: Multiple

Description & Scope: Provide funding for the rehabilitation or replacement of deteriorated and structurally deficient bridges.

History & Key Milestones: Past allocations have been used to leverage funds from the VDOT Revenue Sharing Program for projects such as the Lynhaven Avenue over Broad Rock Creek Bridge, the Martin Luther King/Leigh Street Viaduct, E. Richmond Rd. over Stony Run, E. Richmond Rd. over Gillies Creek and Riverside Drive over Rattlesnake Creek.

Funding Source(s): G.O. Bonds

FINANCIAL SUMMARY

	FY 2025	FY 2026	FY 2027	FY 2028	FY 2029	FY 2030	TOTAL FY 2026 - 2030
FY 2026 Proposed	—	4,000,000	4,000,000	4,000,000	4,000,000	4,000,000	20,000,000

MAYMONT AREA SIDEWALKS - PHASE III

Category:	Transportation - Federal/State/Regional	Priority Area:	Public Safety, Health, & Wellness
Department:	Public Works	Award #:	New
Location:	5 th District	Project #:	New

Description & Scope: Provide funding for construction of new sidewalks on three streets within the Maymont neighborhood: Dakota Avenue from South Meadow Street to Texas Avenue; Nevada Avenue from Hampton Street to Greenville Avenue; New York Avenue from Hampton Street to Texas Avenue in addition to the two ADA ramps at the intersections of New York Avenue with Texas Avenue and New York Avenue with South Hampton Avenue.

History & Key Milestones: This is a new project in the FY 2026 - 2030 CIP. The Department of Public Works secured a \$720,000 Federal Transportation Alternatives Program grant through the 2025 application process and requires a 20 percent funding match from the City. This is the third phase of the Maymont area neighborhood sidewalks improvement projects. Phase I was completed in 2023. Phase II construction is scheduled to be completed by summer 2025.

Funding Source(s): TAP, G.O. Bonds; FY 2026 Allocation - TAP (\$720,000), G.O. Bonds (\$180,000)

TRANSPORTATION (FED/STATE/REGIONAL FUNDS)

NICHOLSON STREET STREETScape

Category: Transportation - Federal/State/Regional
Department: Public Works
Location: 7th District

Priority Area: Public Safety, Health, & Wellness
Award #: 501265/501266
Project #: 108678

Description & Scope: Provide funding for pedestrian safety improvements along Nicholson Street between Williamsburg Avenue and East Main Street. Street enhancements along Nicholson Street include: sidewalks, landscaping, lighting, street side parking and intersection and pedestrian safety improvements at Williamsburg Avenue.

History & Key Milestones: The original scope for this project was included in the Main Street/Williamsburg Avenue Intersection Improvement project. Due to budget constraints of that project, funding for this phase is proposed as a separate budget request. This project has received both Revenue Sharing and G.O. Bond funding in previous years.

Funding Source(s): G.O. Bonds

PATTERSON AVENUE BIKE LANES

Category:	Transportation - Federal/State/Regional	Priority Area:	Public Safety, Health, & Wellness
Department:	Public Works	Award #:	New
Location:	1 st District	Project #:	New

Description & Scope: Provide funding for construction to extend the recently completed parking-protected bike lanes on Patterson Avenue from Commonwealth Avenue to Willow Lawn Drive. The project will extend the existing lanes approximately one mile, connecting to Willow Lawn Drive which in turn accesses the westernmost GRTC Pulse BRT station. This project will more than double the existing protected bike lanes on Patterson Avenue.

History & Key Milestones: This is a new project in the FY 2026 - 2030 CIP. The Department of Public Works secured a \$611,200 Federal Transportation Alternatives Program Grant that requires a 20 percent funding match from the City.

Funding Source(s): TAP, G.O. Bonds; *FY 2026 Allocation - TAP (\$611,200), G.O. Bonds (\$152,800)*

TRANSPORTATION (FED/STATE/REGIONAL FUNDS)

RICHMOND-HENRICO TURNPIKE IMPROVEMENTS

Category: Transportation - Federal/State/Regional **Priority Area:** Public Safety, Health, & Wellness
Department: Public Works **Award #:** 501337
Location: 6th District **Project #:** N/A

Description & Scope: Provide funding for safety improvements to Richmond-Henrico Turnpike, including roadway widening, pavement reconstruction, pavement markings and the installation of guardrail along Richmond-Henrico Turnpike from Fourquaren Drive to Dove Street.

History & Key Milestones: Richmond-Henrico Turnpike is a two-lane road with minimal shoulders. There is a deep wooded ravine adjacent to the roadway that is a hazard in its present-day condition. Currently, there is no guardrail between Fourquaren Drive and Dove Street, no adequate pavement structure, and the pavement surface has deteriorated due to old age.

Funding Source(s): G.O. Bonds, Revenue Sharing; *FY 2026 Allocation: G.O. Bonds (\$1.5 million), Revenue Sharing (\$401,000)*

RICHMOND HIGHWAY IMPROVEMENTS - PHASE II

Category:	Transportation - Federal/State/Regional	Priority Area:	Public Safety, Health, & Wellness
Department:	Public Works	Award #:	501181
Location:	8 th District	Project #:	108665

Description & Scope: Provide funding for multi-modal safety and operations improvements along the 0.4-mile stretch of Richmond Highway between Maury Street and Hull Street by providing dedicated left-turn lanes for adjoining streets in both directions at its intersections with Decatur Street and Maury Street, adding pedestrian signal control accommodations and crossing improvements at Decatur, Stockton, and Maury, filling in missing sidewalks for Americans with Disabilities (ADA) compliance, consolidating/eliminating unnecessary driveway entrances, and providing bike, pedestrian & transit access improvements along the corridor.

History & Key Milestones: The City secured \$12.2 million in Smart Scale funding through its Round 4 application.

Funding Source(s): Smart Scale, CVTA (Local); *FY 2026 Allocation: Smart Scale (\$5.6 million)*

RICHMOND SIGNAL SYSTEM - PHASE IV

Category:	Transportation - Federal/State/Regional	Priority Area:	Public Safety, Health, & Wellness
Department:	Public Works	Award #:	501180
Location:	Citywide	Project #:	108199

Description & Scope: Provide funding for the integration of intersections with traffic control signals to the City's traffic management software. The project includes installation of new system networks, servers, computers, conduits, fiber optic cable, wireless communication, traffic monitoring cameras and traffic signal controllers, cabinets, and other traffic signal equipment, such as transit signal priority and emergency vehicle preemption.

History & Key Milestones: In 2020, the Richmond Region Transportation Planning Organization recommended an allocation of \$5.5 million from the Congestion Mitigation and Air Quality (CMAQ) program to expand the City's traffic signal system.

Funding Source(s): G.O. Bonds

RICHMOND SIGNAL SYSTEM - SMART CITY TRAFFIC SIGNAL CONTROLLERS

Category: Transportation - Federal/State/Regional	Priority Area: Public Safety, Health, & Wellness
Department: Public Works	Award #: 501367
Location: Cltywide	Project #: 109648

Description & Scope: Provide funding for the replacement of approximately 300 traffic controllers in preparation for using advanced technologies as well as approximately 70 traffic cabinets to house the equipment. This project will manage requests and grant permission for transit priority and preemption at the City’s traffic signals and provide advanced control for the signalized intersections where the Automated Traffic Signal Performance Measures (ATSPM) are going to be deployed as well as connected, autonomous vehicle use.

History & Key Milestones: The Department of Public Works secured a \$7,267,000 Federal Congestion Mitigation and Air Quality Program grant to prepare the City of Richmond for advanced congestion management technologies.

Funding Source(s): CMAQ

RIVERFRONT/ORLEANS BRT STREETSCAPE IMPROVEMENTS

Category: Transportation - Federal/State/Regional **Priority Area:** Public Safety, Health, & Wellness
Department: Public Works **Award #:** 501171
Location: 7th District **Project #:** 108322

Description & Scope: Provide funding for streetscape improvements around the East Riverfront and Orleans BRT Stations, a project area bound by Virginia Capital Trail to the west, Carlisle Avenue to the east, Broad Street to the north, and Hatcher Street to the south. The Complete Streets process will be used to add streetscape improvements including a combo of new sidewalks and sidewalk widening for a consistent sidewalk width, ADA-compliant curb ramps, crosswalks, and pedestrian scale lighting.

History & Key Milestones: The Department of Public Works secured \$2.1 million in Round 3 Smart Scale Funding for this project.

TRANSPORTATION (FED/STATE/REGIONAL FUNDS)

SYSTEMIC SAFETY IMPROVEMENTS AT SIGNAL-CONTROLLED INTERSECTIONS

Category: Transportation - Federal/State/Regional **Priority Area:** Public Safety, Health, & Wellness
Department: Public Works **Award #:** 501324
Location: Citywide **Project #:** 109297

Description & Scope: Provide funding for implementation of systemic safety countermeasures, including flashing yellow arrow installation at approximately 255 locations, replacement of approximately 772 traffic signal heads with new retro-reflective backplates, and installation of high visibility crosswalks at approximately 338 locations.

History & Key Milestones: The Department of Public Works (DPW) secured Federal Highway Safety Improvement Program (HSIP) funding secured from the Virginia Department of Transportation (UPC 123019) for the FY 2025 to FY 2027 budget. VDOT selected this project based on a competitive statewide application process and it is now included in the VDOT's Six-Year Improvement Program.

Funding Source(s): HSIP

BROOKLAND PARK BOULEVARD STREETScape IMPROVEMENTS

Category: Transportation - G.O. Bonds
Department: Public Works
Location: 3rd District

Priority Area: Public Safety, Health, & Wellness
Award #: New
Project #: New

Description & Scope: Provide funding for Phase 2 and Phase 3 of streetscape improvements along Brookland Park Boulevard. Improvements include street lighting, landscaping, traffic calming, pedestrian facilities and drainage improvements. Phase 2 stretches from Fendall Avenue to Hanes Avenue and North Avenue to Barton Avenue, and Phase 3 stretches from Montrose Avenue to Fendall Avenue.

History & Key Milestones: Phase 1 (Hanes Avenue to North Avenue) construction was completed in November 2020.

Funding Source(s): G.O. Bonds

CHEROKEE ROAD ROADSIDE SAFETY IMPROVEMENTS

Category: Transportation - G.O. Bonds

Priority Area: Public Safety, Health, & Wellness

Department: Public Works

Award #: New

Location: 4th District

Project #: New

Description & Scope: Provide funding for construction of a six foot wide paved shoulder on the north side of Cherokee Road between North Huguenot Road and Forest Hill Avenue. Additionally, the project will improve safety and drainage for the Cherokee Road corridor by adding swales on each side of the roadway.

History & Key Milestones: A formal study of this corridor was completed in 1999.

Funding Source(s): G.O. Bonds

MATCHING FUNDS FOR FEDERAL / STATE GRANTS (VDOT)

Category: Transportation - G.O. Bonds	Priority Area: Public Safety, Health, & Wellness
Department: Public Works	Award #: 500427
Location: Citywide	Project #: Multiple

Description & Scope: Provide funding for ineligible expenses and matching funds associated with federal and state grant programs. These programs include transportation alternative, revenue sharing, smart scale, CMAQ, and RSTP. Eligible programs include various multi-modal transportation projects.

History & Key Milestones: Each year, the City submits an application to VDOT for various grant programs that offer funding for transportation improvements. These programs are federal and state funds that require matching funds from the recipient.

Funding Source(s): G.O. Bonds

RICHMOND FIBER OPTIC NETWORK SYSTEM

Category: Transportation - G.O. Bonds	Priority Area: Public Safety, Health, & Wellness
Department: Public Works	Award #: 500420
Location: Citywide	Project #: 101848/104408

Description & Scope: Provide funding to implement a City-owned fiber optic network. This fiber optic network system project will create a citywide fiber optic cable infrastructure that can be used to advance many technology initiatives. Fiber optics offers unlimited capacity, long life, and superior resilience to downtime. In addition to supporting City buildings, the system will be used to support fire station alerting, cameras, next generation 9-1-1, and next generation radio systems.

History & Key Milestones: Several City-occupied buildings have been connected to this fiber optic network system, including City Hall, the Main Library, and the Fire Department Headquarters.

Funding Source(s): G.O. Bonds

TRANSPORTATION (G.O. BOND FUNDS)

SAFETY IMPROVEMENT PROGRAM CONTINGENCY ACCOUNT

Category: Transportation - G.O. Bonds	Priority Area: Public Safety, Health, & Wellness
Department: Public Works	Award #: 500421
Location: Citywide	Project #: Multiple

Description & Scope: Provide funding for a contingency account for Vision Zero transportation safety improvement projects that have been awarded by the Virginia Department of Transportation (VDOT) to the City of Richmond.

History & Key Milestones: This award has provided contingency funds for more than a decade in order to meet needs. Funds shown under “Prior Year Available” are currently encumbered to implement existing safety projects. As grant applications are assembled, only conceptual sketches are done because there is no guarantee for funding at that time. As grants are approved, additional issues with the project may be discovered during the detail engineering process, requiring additional funding to complete the project and meet design standards.

Funding Source(s): G.O. Bonds

TRANSPORTATION (G.O. BOND FUNDS)

STREET LIGHTING - GENERAL

Category: Transportation - G.O. Bonds
Department: Public Works
Location: Citywide

Priority Area: Public Safety, Health, & Wellness
Award #: 500087/500088/500089/500659
Project #: Multiple

Description & Scope: Provide funding for installation of new street lights at various locations based on requests of citizens, the Police Department, and the Department of Public Works Traffic Engineering Division. This project also provides for an upgrade to the electric distribution system, upgrades to four electric sub-stations, and ancillary electric work required due to CIP projects undertaken by other departments within the City of Richmond.

History & Key Milestones: Prior funding has been used to implement a phased upgrade program..

Funding Source(s): G.O. Bonds

TRANSPORTATION (G.O. BOND FUNDS)

STREET LIGHTING - LED CONVERSION

Category: Transportation - G.O. Bonds
Department: Public Works
Location: Citywide

Priority Area: Public Safety, Health, & Wellness
Award #: 500884
Project #: Multiple

Description & Scope: Provide funding for street lighting projects including the installation of LED street lights based on a transition to newer lighting technology, and conversion of current street lighting to LED street lights.

History & Key Milestones: The Department of Public Utilities (DPU) participated in a LED pilot program assisted by experts from Virginia Tech Transportation Institute, securing assistance with analysis of the selected LED lighting components under evaluation, cost-benefit impacts and to help establish LED standards for the City. The LED project has completed its pilot phase, which was funded via prior O&M funds that were allocated for LED technology testing and evaluation. As of FY 2019 - 2020, the LED Pilot program has transitioned to a system phased conversion from HPFS to LED lighting via the standards, technology and lighting level ranges developed during the pilot phase.

Funding Source(s): G.O. Bonds

FINANCIAL SUMMARY

VEHICLE REPLACEMENT

Category: Capital Vehicle & Equipment
Department: Public Works
Location: Citywide

Priority Area: Efficient & High-Quality Service Delivery
Award #: 500136/500164/500557
Project #: 100801

Description & Scope: Provide funding for the purchase of replacement vehicles and equipment used to provide services throughout the city. The city's fleet consists of approximately 2100 vehicles and pieces of equipment. For a funding breakdown of this program, please see the next page.

History & Key Milestones: The goal of the fleet replacement program is to strike a balance of minimizing replacement cost versus maintenance and fuel cost.

Funding Source(s): Pay-as-you-Go

VEHICLE REPLACEMENT PROJECT OVERVIEW

The following table lists the planned distribution of Fleet funding through the Vehicle Replacement Project in Fiscal Year 2026:

Department	Item	FY 2026 Proposed Amount
Richmond Fire Department	4 Trucks/Administrative Vehicles	4,000,000
Richmond Police Department	16 Vehicles	800,000
DPW, Animal Care & Control, Parks	Various Vehicles (25 total)	2,645,600
DPW - Solid Waste Management	6 Refuse Trucks	2,000,000
Radio Shop	Supporting RPD Vehicles	554,400
Total		10,000,000

EDUCATION

SCHOOL CAPITAL MAINTENANCE

Category: Education	Priority Area: Adult & Youth Education
Department: Richmond Public Schools	Award #: 7808111/500492/500840
Location: Citywide	Project #: 102335/102339

Description & Scope: Provide funding for maintenance of Richmond Public Schools facilities, such as roof and boiler replacements, and electrical upgrades.

History & Key Milestones: This project has provided numerous improvements to buildings and facilities throughout the school system, including, but not limited to: roof repairs and replacements, boilers, chillers, cooling tower repairs and replacements, HVAC repairs and replacements and electrical modifications to enable the buildings to support changing information technology infrastructure.

Funding Source(s): G.O. Bonds

SCHOOL MODERNIZATION

Category: Education	Priority Area: Adult & Youth Education
Department: Richmond Public Schools	Award #: 501261
Location: Citywide	Project #: 102335/109632

Description & Scope: Provide funding for construction of new schools within the city.

History & Key Milestones: This is a new project. According to City Charter § 6.15:3, the mayor shall “present a fully funded plan to modernize the city’s K-12 educational infrastructure consistent with national standards...” that did not involve raising taxes or alternatively, declare that such a plan is not feasible. Richmond Public Schools has identified \$800 Million of capital funding needs over 20 years, which serves as the basis for the adopted Richmond Public School Capital Funding Plan. This capital project successfully provides \$800 million of school capital investment over 20 years.

GAS UTILITY NEW BUSINESS

Category: Utilities

Department: Public Utilities

Location: Citywide

Priority Area: Efficient & High-Quality Service Delivery

Award #: 500002/22/24/26/28/316

Project #: Various

Description & Scope: Provide funding for the ongoing installation of new gas mains, services, meters, and regulators to serve new customers in the City of Richmond and the counties of Chesterfield, Hanover, and Henrico. For each request to provide gas service, a determination is made whether the project provides a positive return to the gas utility.

History & Key Milestones: This project has been funded throughout the years to provide service to new customers.

Funding Source(s): Pay-as-you-Go

GAS UTILITY SYSTEM REPLACEMENT

Category:	Utilities	Priority Area:	Efficient & High-Quality Service Delivery
Department:	Public Utilities	Award #:	500001/44/45/47/48/49/50/655
Location:	Citywide	Project #:	Various

Description & Scope: Provide funding for the replacement of gas mains, services, meters, and regulators. The primary projects included in this program are replacement of old gas mains, replacement or renewal of old gas services and response to water infiltration. Also, included are ancillary projects to renew or replace mains in conjunction with projects being done by other City agencies or the State. This project also allows for the purchase of replacement vehicles and equipment used to provide services throughout the Department of Public Utilities' Gas Utility service territory.

History & Key Milestones: The City is in the 23rd year of a 40 year plan to replace all our cast iron gas mains. New federal regulations requiring Distribution Integrity Management programs were effective on August 2, 2011.

Funding Source(s): Utility Revenue Bonds, Pay-as-you-Go

STORMWATER FACILITIES IMPROVEMENTS

Category: Utilities
Department: Public Utilities
Location: Citywide

Priority Area: Efficient & High-Quality Service Delivery
Award #: 500084/500085/500086/5000658
Project #: Various

Description & Scope: Provide funding for citywide rehabilitation and upgrade of stormwater sewers and associated facilities, inspection and replacement programs, miscellaneous stormwater extensions, and emergency replacements. This project also allows for the purchase of replacement vehicles and equipment used to provide services throughout the Department of Public Utilities' Stormwater Utility service territory.

History & Key Milestones: This project has been funded to rehabilitate and/or replace drainage structures, ditches and culverts throughout the city. Development and use of "Green" technology has proven to be a positive step toward the reduction of untreated urban runoff into the City's rivers and streams. A proactive approach is being taken to meet federal, state and local regulations.

COMBINED SEWER OVERFLOW

Category: Utilities
Department: Public Utilities
Location: Citywide

Priority Area: Efficient & High-Quality Service Delivery
Award #: 500081
Project #: Various

Description & Scope: Provide funding for implementation of the City of Richmond's Combined Sewer Overflow (CSO) Plan. The program includes design, engineering and construction of CSO conveyance facilities on the north and south sides of the James River, increases the wet weather treatment capacity at the Wastewater Treatment Plant, expansion of the Shockoe Retention Basin, and other smaller CSO control projects.

History & Key Milestones: As part of its VPDES Permit, CSO Special Order by Consent and the Regional Water Quality Management Plan (208 Plan), the City of Richmond is required to develop and implement a plan to control CSO discharges and meet Virginia water quality standards, as well as an ongoing CSO monitoring program and financial status review. The Interim Plan includes 10 projects, the first of which is under active construction near Gillies Creek.

Funding Source(s): Utility Revenue Bonds, DEQ/VRA Funds, Pay-as-you-Go

SANITARY SEWERS

Category: Utilities	Priority Area: Efficient & High-Quality Service Delivery
Department: Public Utilities	Award #: 500082/500083/500123
Location: Citywide	Project #: Various

Description & Scope: Provide funding for rehabilitation and upgrade of sanitary sewers, inspection and replacement programs, miscellaneous sewer extensions, and emergency replacements. This project includes the Shockoe Bottom Drainage Projects (SBD 1-7) and the Battery Park Drainage Project. Also included are ancillary projects to renew or replace sewers in conjunction with projects being done by other City agencies or the State.

History & Key Milestones: This project has been funded continuously over an extended period of time. Up until 2005, the annual sewer rehabilitation budget was about \$4.0 million per year, only covering emergency needs. Since then, this program has taken a more proactive role to rehabilitate sanitary sewers for an additional 50-100 years of life expectancy.

WATER PLANT & PUMPING IMPROVEMENTS

Category: Utilities
Department: Public Utilities
Location: Citywide

Priority Area: Efficient & High-Quality Service Delivery
Award #: 500074/76/105/106
Project #: Various

Description & Scope: Provide funding to replace systems that have reached or surpassed their useful service lives, maintain compliance with new drinking water quality regulations, and to meet county wholesale water contract capacity requirements.

History & Key Milestones: A comprehensive study of the City of Richmond’s water purification plant and pumping system indicated that substantial improvements were needed to meet projected water demand and to comply with the requirements of the Safe Drinking Water Act and State Health Department regulations. The program for accomplishing these improvements began in the mid-1970s. The plant’s present certified capacity is 132 million gallons per day (MGD).

WATER TRANSMISSION MAIN IMPROVEMENTS

Category: Utilities
Department: Public Utilities
Location: Citywide

Priority Area: Efficient & High-Quality Service Delivery
Award #: 500065-500069/500071/500073
Project #: Various

Description & Scope: Provide funding for construction of water transmission mains and tanks to provide service to the City of Richmond as well as Henrico, Hanover, and Chesterfield Counties, maximizing use of the City's water purification plant. All projects undertaken for the exclusive benefit of Henrico, Hanover, and Chesterfield Counties are funded 100 percent by each county, effectively lowering the cost of service for all customers of the water utility.

History & Key Milestones: Past projects included new transmission mains to facilitate increased water sales to Henrico, Chesterfield, and Hanover Counties, and in FY 2012, the Hioaks Elevated Water Tank in the southwestern portion of the City was completed. In FY 2013, DPU completed the replacement of a large section of the 36" Korah 3 transmission main in the Kanawha Canal.

Funding Source(s): Utility Revenue Bonds, Pay-as-you-Go

UTILITIES

WATER DISTRIBUTION SYSTEM IMPROVEMENTS

Category: Utilities	Priority Area: Efficient & High-Quality Service Delivery
Department: Public Utilities	Award #: 500052/59/60/61/62/63/64/656
Location: Citywide	Project #: Various

Description & Scope: Provide funding for installation of water mains to serve new customers and meter programs for the rehabilitation of existing water mains and services. It is estimated to replace 58,000 feet of main and 300 to 500 services in FY 2025. Also included are ancillary projects to renew or replace mains in conjunction with projects being done by other City of Richmond agencies or the State. This project also allows for the purchase of replacement vehicles and equipment used to provide services throughout the Department of Public Utilities' Water Utility service territory.

History & Key Milestones: This project has been funded continuously over a historical period of time, but only to the extent to be reactive to emergency situations. However, recent funding has been on a more proactive basis as many of the water mains have reached or surpassed their useful lives.

Funding Source(s): Utility Revenue Bonds, Pay-as-you-Go

ACTIVE PROJECTS

ACTIVE PROJECTS

ACTIVE PROJECTS OVERVIEW

Active projects are classified as ongoing capital projects that have been funded in previous Capital Improvement Plans, but are not receiving any new funding in the current 5-year CIP plan. For example, if \$1,000,000 was awarded to a Community Center Renovation project in the FY 2025-2029 CIP, but it did not receive funding in the FY 2026-2030 CIP, then it would be considered an active project. In most instances, these projects have either received the full amount of funding necessary to complete the project, or are unable to be funded in the current plan due to limited debt capacity.

ACTIVE PROJECTS LISTING

The city continues to report on the status of its active projects until construction has been completed, through both the *Active Projects* section of the CIP document, as well as our quarterly CIP report to the Richmond City Council. The table provides a full, comprehensive listing of all CIP projects classified as active, with the following information provided:

- **Project Name** - name of the CIP project
- **Award/Project Numbers** - award and project number assigned to the project in the city's financial database for accounting and billing purposes. Award numbers are displayed in bold.
- **Category** - category of the project.
- **Description** - brief description of the scope of work for the project
- **Total Project Cost** - total cost of the project
- **Prior Year Appropriation** - total amount of funding allocated over the life of the project (life-to-date appropriations)
- **Prior Year Available** - total amount of funding available for the project (life-to-date appropriations *minus* life-to-date expenditures) as of the close of the most recent fiscal quarter (December 31, 2024).

Active Projects - FY 2026 - 2030 Proposed Capital Improvement Plan						
Project Name	Award/Project #'s	Category	Description	Total Project Cost	Prior Year Appropriation	Prior Year Available
5 th District Traffic Calming	501319/NA	Transportation (G.O. Bonds)	Traffic calming improvements within the city's 5th district.	375,000	375,000	375,000
6 th District Street Paving, Sidewalks, & Green Space	500849/NA	Transportation (G.O. Bonds)	Street paving, sidewalk installation/repair, traffic calming measures, engineering/design of park land and green space in the 6th district.	275,744	275,744	275,744
800 MHz Radio System Update & Equipment Replacement	2308302/500250/501017/ 100221	Capital Maintenance Program	Upgrade and replace wireless communications equipment that will address the City's public safety communication needs.	40,133,872	40,133,872	9,346,502
Animal Care & Control Adoption Center	501361/109581	Capital Investment Opportunities	Purchase of a new facility for animal adoptions.	2,000,000	2,000,000	—
Bike Parking (Racks)	2908023/500435/101939	Transportation (G.O. Bonds)	Provides secure and properly located bike parking throughout the city where demand currently exists.	225,000	225,000	61,649
Biotech Research Park Roadway Improvements	500322/500326/100572/100931/101520	Transportation (Fed/State/Regional)	Street, traffic, and streetscape improvements related to the Biotechnology Research Park.	4,399,000	4,399,000	1,016,571

ACTIVE PROJECTS

Active Projects - FY 2026 - 2030 Proposed Capital Improvement Plan						
Project Name	Award/Project #'s	Category	Description	Total Project Cost	Prior Year Appropriation	Prior Year Available
Blanton Avenue, Garrett Street, and Park Drive Pedestrian & Vehicular Safety Improvements	501169/108034	Transportation (G.O. Bonds)	Improve intersection geometrics, replace impervious asphalt with green infrastructure, and provide positive guidance for motor vehicles and bicycles traveling through the intersection.	100,000	100,000	100,000
Brookland Park Boulevard Parking Lots	2918100/NA	Capital Investment Opportunities	Acquisition and improvement of vacant lots to be used as a fenced surface parking lot that will accommodate 5 to 6 angled (45 degree) parking spaces to be used by business owners in the corridor.	150,000	150,000	150,000

Neighborhood Park Renovations	1308907/500222/101012	Capital Maintenance Program	Renovations to neighborhood parks within the City.	9,077,740	9,077,740	(751,513)
Neighborhoods in Bloom	5008105C/500396/101758	Capital Investment Opportunities	Provides infrastructure investment in selected neighborhoods in order to increase neighborhood attractiveness on projects and create opportunities for residential development.	6,001,125	6,001,125	797,909
New Curb & Gutter Program - Urban	2948186/500266/Multiple	Transportation (Fed/State/Regional)	New curb and gutter installation throughout the City on a priority basis.	2,228,000	2,228,000	547,267
New Sidewalk Program - Urban	2948187/500337/Multiple	Transportation (Fed/State/Regional)	Installation of new sidewalks in locations throughout the City.	1,300,000	1,300,000	20,422
Oak Grove Playground Upgrades	500845/105819	Capital Investment Opportunities	Upgrades to the Oak Grove Playground, located at 2200 Gordon Avenue.	300,000	100,000	14,052

ACTIVE PROJECTS

Active Projects - FY 2026 - 2030 Proposed Capital Improvement Plan						
Project Name	Award/Project #'s	Category	Description	Total Project Cost	Prior Year Appropriation	Prior Year Available
Oliver Hill Courts Building	2308799/500257/ Multiple	Capital Maintenance Program	Life safety upgrades, security upgrades, update and expand building access control and monitoring systems, energy conservation retrofits, building envelope upgrades, mechanical, electrical, and plumbing upgrades, and/or future building expansion.	5,152,741	5,152,741	569,233
Parks and Recreation Building Maintenance	1308115/500194/ 100486	Capital Maintenance Program	Repair, improve, and maintain the City's existing parks and recreation building facilities.	7,559,801	7,559,801	(160,571)
Parks Improvement Projects	501240/501241/ Multiple	Capital Investment Opportunities	Improvements to parks throughout the city.	10,988,156	10,988,156	9,673,308
Police Equestrian Community Center	500719/104674	Capital Investment Opportunities	Improvements to the Richmond Police Department Headquarters and its police horse stables.	1,495,559	745,559	521,342
Police Headquarters Building	500702/104583/ 106168/105156/ 105342/105510/ 106697	Capital Maintenance Program	Improvement and renovation of the Police Headquarters building.	2,445,000	2,195,000	174,413
RAA Building and Property Improvements	2308239/500248/ 501032/100219	Capital Maintenance Program	Renovations to the Richmond Ambulance Authority (RAA) building at 2400 Hermitage Road.	1,950,000	1,950,000	749,580
Revenue Administration System Replacement	500924/106685	Capital Investment Opportunities	Replacement of the City's current Revenue Administration system.	4,800,000	4,800,000	(273,561)
Richmond Highway Improvements	2918752/500599/ 102969	Transportation (Fed/State/Regional)	Improvements to the intersection at Hopkins Road and Richmond Highway. The scope will focus on the re-alignment of the intersection, a new traffic signal and improved pedestrian accommodations.	15,325,000	773,000	334,617
Richmond Signal System Retiming Improvements	501210/108294	Transportation (Fed/State/Regional)	Retiming of traffic signals within city limits.	1,765,000	1,765,000	95,464
Riverview Cemetery Expansion	501041/107070	Capital Investment Opportunities	Construction of a new section of Riverview Cemetery and engineering for the St. John's Cemetery Wall.	948,026	948,026	161,402

ACTIVE PROJECTS

Active Projects - FY 2026 - 2030 Proposed Capital Improvement Plan						
Project Name	Award/Project #'s	Category	Description	Total Project Cost	Prior Year Appropriation	Prior Year Available
Roadway Conversions for Bike Infrastructure	500792/105219	Transportation (Fed/State/Regional)	Constructs dedicated bicycle infrastructure by converting excess roadway width to bike lanes, buffered bike lanes, or barrier-separated bike lanes.	1,502,000	1,502,000	125,878
Route 5 Relocation/ Williamsburg Road Intersection Improvement	2928751/2948751/500474/500728/500729/102188/104763	Transportation (Fed/State/Regional)	Preliminary engineering, right-of-way acquisition, and construction to improve the intersection at East Main and Williamsburg Avenue.	2,900,000	2,749,594	1,682,342
Safe Streets and Roads for All Planning Activities	501291/Multiple	Transportation (Fed/State/Regional)	Implementation of Vision Zero traffic safety program activities to achieve the goal of zero deaths and serious injuries on the streets of the city of Richmond.	762,414	762,414	379,173
Safe Streets for All	501362	Transportation (Fed/State/Regional)	Funding for the implementation of Vision Zero traffic safety program activities.	10,768,910	10,768,910	10,768,910
School ADA Compliance	7808103/500495/102337	Education	Upgrade of school facilities to accommodate the needs of individuals with disabilities (e.g., the addition of a ramp or elevator).	23,174,720	23,174,720	2,638,609
School CIP Planning & Construction	2308198/500160/Multiple	Education	Funds the design and construction, as well as renovations and rezoning efforts of various schools within the city.	175,108,813	175,108,813	(217,421)
School Modernization - George Wythe High School	501166/NA	Education	Funding for the planning and design of a new George Wythe High School.	7,310,391	7,310,391	(12,215,435)
Science Museum BRT Shared Use Path	501172/108323	Transportation (Fed/State/Regional)	Installation of a shared-use path that extends from Broad Street at Robinson Street, to Terminal Place, to Leigh Street, and to Altamont Avenue in Scott's Addition.	2,992,000	2,992,000	2,796,336
Scott's Addition Green Space	500780/501267/105149	Transportation (Fed/State/Regional)	Construction of a pedestrian/bike trail in the Scott's Addition neighborhood, along a portion of Patton Avenue, south of the CSX rail line between Roseneath Road and North Boulevard.	1,106,000	1,044,950	850,286

ACTIVE PROJECTS

Active Projects - FY 2026 - 2030 Proposed Capital Improvement Plan						
Project Name	Award/Project #'s	Category	Description	Total Project Cost	Prior Year Appropriation	Prior Year Available
Semmes Avenue, Forest Hill Avenue, and Dundee Avenue Pedestrian Safety & Operational Enhancements	500950/500951/106419	Transportation (G.O. Bonds)	Pedestrian safety and operational improvements within the existing school zone at the intersection of Semmes Avenue, Forest Hill Avenue, and Dundee Avenue.	2,665,550	1,550,000	1,300,804
Shockoe Revitalization Strategy Plan	5008313/500407/01767	Capital Investment Opportunities	Projects include the rehabilitation of the Main Street Station and surrounding site work, repositioning of the 17th St. Market, reclaiming parking assets owned by the City for public parking, and Shockoe Bottom security improvements.	6,600,000	3,864,000	302,995
Sidewalk Improvement Program - Urban	2948188/500317/100693/100704/101674/102104	Transportation (Fed/State/Regional)	Covers the repair of hazardous sidewalks and the addition of new sidewalks to fill in the gaps, as determined by a technical ranking system established by the Department of Public Works.	2,245,509	2,245,509	144,827
Sidewalk Projects	2918516/500161/500162/500942/Multiple	Transportation (Fed/State/Regional)	Covers the repair of hazardous sidewalks and the addition of new sidewalks to fill in the gaps, as requested by citizens.	15,859,987	15,859,987	906,394
Southside Community Center	500428/101906	Capital Investment Opportunities	Construction of the Southside Regional Park and Community Center.	30,513,000	14,513,500	4,986,354
Southside Development Project	501328/NA	Capital Investment Opportunities	Funding to support new development opportunities on the city's south side.	10,000,000	10,000,000	10,000,000
State Route 161 Bicycle Infrastructure	501105/501106/107915	Transportation (Fed/State/Regional)	This project will create separated bike infrastructure on State Route 161 (Westover Hills Boulevard / 49th Street from James River Branch Trail to Boulevard Bridge; Park Drive from the Boulevard Bridge to Blanton Avenue and from Blanton Avenue to French Street).	1,050,000	1,050,000	450,026
Stormwater Mayo Island Purchase	501269/108676	Capital Investment Opportunities	Acquisition of Mayo Island in the City of Richmond.	7,500,000	7,500,000	7,500,000

ACTIVE PROJECTS

Active Projects - FY 2026 - 2030 Proposed Capital Improvement Plan						
Project Name	Award/Project #'s	Category	Description	Total Project Cost	Prior Year Appropriation	Prior Year Available
Street Lighting - Special	500090/Multiple	Transportation (G.O. Bonds)	Installation of special and ornamental street lights based on citizen's requests and conversion of current street lighting to lower wattage Cobra head lights with LED lights.	13,650,525	13,650,525	1,212,593
Streets, Sidewalks, Alley Extensions and Improvements	2918128C/500290/Multiple	Transportation (G.O. Bonds)	Emergency repairs to streets, sidewalks, and alleyways.	25,437,174	25,437,174	1,416,352
Swimming Pools Projects	1308180C/500202/100492	Capital Maintenance Program	Extensive repairs to the City's outdoor and indoor swimming pools.	7,117,300	7,117,300	520,014
Systematic Pedestrian Safety Improvements - Phase III	500941/500961/106441	Transportation (Fed/State/Regional)	Low cost pedestrian safety improvements at stop-controlled intersections, such as the installation of regulatory and warning signs, and crosswalk marking enhancement.	1,540,000	1,540,000	258,397
Transit Stop Access and Sidewalk Improvement Program	500945/106530/106544	Transportation (Fed/State/Regional)	This project will fill in missing ADA ramps, sidewalks, crosswalks, traffic control devices and related items to facilitate the use of the City transit system.	960,000	960,000	263,013
Tredegar/Brown's Island Accessible Walk Improvements	500920/501031/501097/107951	Transportation (Fed/State/Regional)	Provides an ADA-accessible path along both sides of Tredegar St., between S. 5th Street and Brown's Island Way, including ramps across Tredegar St. near Brown's Island.	780,000	780,000	604,575
Virginia Capital Trail Connector to Brown's Island	501107/501108/107874	Transportation (Fed/State/Regional)	Provides an improved connection from the Virginia Capital Trail (VCT) to the Potterfield Memorial Bridge located on Brown's Island, via the Canal Walk in downtown Richmond.	622,000	250,000	179,247
Westhampton Area Improvements - Phase III	501335/NA	Transportation (G.O. Bonds)	Installation of streetscape amenities along the north side of Patterson Avenue from Granite Avenue to Seneca Road.	200,000	200,000	200,000
Whitcomb Gym Planning - Phase III (RVA Safer League)	501329/NA	Capital Investment Opportunities	Provide funding for planning of the Whitcomb Gym.	250,000	250,000	250,000

TAX RATES

Real Estate

- \$1.20 per \$100 of Assessed Value : 2008 - 2025
- \$1.23 per \$100 of Assessed Value : 2007
- \$1.29 per \$100 of Assessed Value : 2006

Tangible Personal Property

- \$3.70 per \$100 of Assessed Value : 1992 - 2025

Machinery Used for Manufacturing and Mining

- \$2.30 per \$100 of Assessed Value : 1992 - 2025

Other taxes and fees imposed include:

PILOT (Payment In Lieu of Taxes): Companies that do not pay property taxes pay instead a fee for trash collections and disposal, police protection and fire protection. PILOT is billed twice a year in June and December. The PILOT rate is computed based on several different figures from the ACFR (Annual Comprehensive Financial Report), Assessor's Office and other financial reports. Certain companies (e.g. Commonwealth of Virginia) have rates set by the General Assembly.

PSC (Public Service Corporation): PSCs are companies that deliver public services that are considered essential to the public interest. These companies are assessed based on the Virginia State Corporation Commission. PSC is billed twice a year in June and December. The tax rate for all companies is the same as regular real estate and personal property accounts.

PPTRA (Personal Property Tax Relief Act): In 1998, the General Assembly enacted the Personal Property Tax Relief Act (PPTRA) to provide tax relief for qualifying vehicles. In 2004, the State capped the tax relief reimbursement payment made to localities. Since the City's payment from the State will remain constant, changes in personal property values or the number of qualifying vehicles will adjust the percentage of actual tax relief provided. Relief rates are determined and approved by City Council during the year in which the relief is provided. That is, as more individuals are approved and vehicle assessments increase for PPTRA, each individual will receive a smaller amount due to the fixed amount of relief. For tax year 2026, the personal property tax relief rate anticipated to exhaust fully the personal property tax relief funds provided to the City by the Commonwealth of Virginia are: (i) 100 percent on the value of qualifying vehicles with an assessed value of \$1,000 or less; (ii) not greater than 23.0 percent on the value of qualifying vehicles with an assessed value greater than \$1,000 but less than or equal to \$20,000; and (iii) not greater than 23.0 percent on the first \$20,000 of value of qualifying vehicles with an assessed value greater than \$20,000. Qualifying vehicles with an assessed value greater than \$20,000 shall not be eligible for tax relief on that portion of the assessed value in excess of \$20,000.

Utility Consumers' Tax

As a result of legislation adopted by the 2000 Virginia General Assembly, the city tax rates are based on the per kilowatt hours (KwH) of electricity and per hundred cubic feet (CCF) of gas services consumed each month. The following table contains the current city tax rates for each respective service by service category (residential, commercial, industrial).

APPENDICES & GLOSSARY

Type of Service: Electricity and Gas

Service Type by Category	Electricity Per Kilowatt Hour (KwH)	Gas Per Hundred Feet (CCF)
Residential	\$1.40 plus 0.0151116; Maximum = \$4.00	\$1.78 plus \$0.10091; Maximum = \$4.00
Commercial (Small Volume)	\$2.75 plus \$0.016462; (8,945 KwH) + \$0.002160 KwH > 8,945	\$2.88 plus \$0.1739027
Commercial (Large Volume)	\$2.75 plus \$0.016462; (8,945 KwH) + \$0.002160 KwH > 8,945	\$24.00 plus \$0.07163081
Industrial	\$2.75 plus \$0.001837 KwH > 1,242	\$120.00 plus \$0.011835

Business and Professional Licenses

Rates: Business, Professional, and Occupational License (BPOL) tax include a business license cost based on gross receipts, a tax based on gross receipts and business type, and a flat rate fee by service.

For the Business Licenses cost:

GLOSSARY OF KEY TERMS

Accounting Basis - The City operates on a modified accrual basis where most revenue is recognized when it is earned or billed, and expenditures are recognized when the liability is incurred.

Accruals - Records of City revenues and expenses in the period(s) in which they are incurred.

Activity - An activity is a set or grouping of similar processes or tasks that converts inputs to outputs.

Adopted Budget - The budget ordained by City Council for the fiscal year, occurs in odd and even years, confirming revenues, and expenditures.

Agency - A major administrative division of the City that has overall management responsibility for an operation or a group of related operations within a functional area.

Administration - Executive management, human resource (HR) functions (for smaller departments that do not have a stand-alone HR unit), administrative support, and other non-financial functions.

Amendment - Any change to the revenue and/or expenditure of a previously adopted budget. Amendments may be recommended by the Mayor or City Council. The Director of Finance must certify that the City has the required funds for each amendment. Amendments are considered by City Council and approved (adopted) or rejected by a minimum of six affirmative votes.

Appropriation - An authorization made by City Council to expend funds for a certain purpose within a specific time frame.

Approved Budget - The budget ordained by City Council during the biennium, for the odd numbered year only, confirming revenues and expenditures will be adjusted during the next budget cycle.

Assessed Value - The fair market value set on real and other property as a basis for levying taxes.

Augmentation - Any process or amount that increases the budget.

Balanced Scorecard - A strategic management and performance measurement tool that is intended to exemplify a clear link between planning, spending, performing, and results.

Bond - An instrument of indebtedness of the bond issuer to the holders. Most common types are municipal and corporate bonds.

Budget - A financial plan showing estimated costs, revenues and service levels over a certain time period (fiscal year). The proposed budget is the plan submitted by the Mayor to City Council. After Council reviews and amendments are made, the budget is approved and becomes the adopted budget.

Capital Improvement Program (CIP) - A five year financial plan or budget that outlines spending for Capital projects such as buildings, parks, streets, etc., and their financing sources.

Capital Outlay - Expenditures which result in the acquisition of, or addition to, fixed assets.

Capital Budget - Budget allocating money for the acquisition or maintenance of fixed assets.

Capital Projects - Projects for the purchase or construction of capital assets. Typically, a capital asset encompasses a purchase of land and/or the construction of a building or facility.

Community Development Block Grant (CDBG) - A fund, which accounts for federal entitlement funds, received under Title I of the Housing and Community Development Act of 1974. These funds support public improvements, redevelopment, and conservation activities within targeted neighborhoods.

GLOSSARY OF KEY TERMS

Community Outreach - Collaboration, public-private partnerships, relationship building, (ex. Ice-rink, bike race, census, RPD Police Athletic League, RFD ride-a-longs, Neighbor-to-Neighbor, etc.)

Community Training - Trainers, facilitators, or other costs associated with providing training for citizens and other external stakeholders.

Current Modified Budget - The adopted budget, including City Council's adopted budget amendments.

Customer Service - Information desk, front desk support, and other internal and external customer support and communication.

Debt Service - The amount necessary to pay principal and interest on outstanding bonds and notes.

Deficit - (1) The excess of an entity's or fund's liabilities over its assets (See Fund Balance). (2) The excess of expenditures or expenses over revenues.

Delinquent Taxes - Taxes remaining unpaid on or after the date, in which a penalty for nonpayment is incurred.

Depreciation - Expiration in the service life of capital assets attributable to wear and tear, deterioration, action of the physical elements, inadequacy, or obsolescence.

Direct Costs - Includes the salaries, wages, and benefits of employees who exclusively work on the delivery of service, as well as the materials and supplies and other associated operating costs such as utilities and rent, training and travel.

Electric Utility Fund - The enterprise fund that accounts for the operations of the City-owned electric system. The cost of providing services is financed or recovered through user fees.

Emergency Solutions Grant (ESG) - A program that provides funding to: (1) engage homeless individuals and families living on the street; (2) improve the number and quality of emergency shelters for homeless individuals and families; (3) help operate these shelters; (4) provide essential services to shelter residents, (5) rapidly re-house homeless individuals and families, and (6) prevent families/individuals from becoming homeless.

Employee Training/Development - Trainers, facilitators, or other costs associated with providing training for employees.

Encumbrance - Obligations against budgeted funds in the form of a requisition, contract, or other reservation supported by a purchase order.

Enterprise Fund - A separate fund used to account for operations that are financed and operated in a manner similar to private business, with the intent that costs (expenses, including depreciation) of providing goods or services to the general public on a continuing basis be financed or recovered primarily through user charges.

Expendable Trust Funds - To account for fund agreements where the principle and earnings on principle may be spent for the fund's intended purpose.

Expenditure - Where accounts are kept on the accrual or modified accrual basis of accounting (see Accounting Basis), the cost of goods received or services rendered, whether cash payment has been made or not. Where accounts are kept on a cash basis, expenditures are recognized only when the cash payment is made.

Fiduciary Fund - Resources that are held for the benefit of parties outside the government. These funds are not reflected in the government wide financial statements because the resources of those funds are not available to support the city's own programs.

GLOSSARY OF KEY TERMS

Focus Area - Key Strategic themes in which an organization must excel in order to achieve its mission, vision, and goals; thereby delivering value to stakeholders.

Focus Area Performance Measures - The specific quantitative or qualitative metrics of the work performed. They help to determine the level of success of each initiative.

Financial Management - Budget, payroll, procurement, accounts payable, accounts receivable, grants, and other financial functions.

Fiscal Year - The twelve-month period of the budgetary year. The fiscal year for the City's operating budget begins on July 1st and ends the following June 30th.

Fringe Benefits - Job-related benefits provided for employees as a part of their total compensation, such as employer's portion of FICA taxes, retirement and insurance.

Fund - An independent fiscal and accounting entity with a self-balancing set of accounts recording its assets, liabilities, fund balances, retained earnings, revenues, and expenditures.

Fund Balance - The accumulated revenues and other financing sources in excess of expenditures and other uses.

Fund Balance Policy - Requires an annual appropriation to the fund balance of .5 percent of expenditures until the balance equals five percent of expenditures and prohibiting appropriations from the fund balance if it is less than three percent of expenditures.

Full-Time Equivalent (FTE) - An employment indicator that translates the total number of hours worked in a year by all employees to an equivalent number of work years, based upon a work year of 2,080 hours equaling one Full-Time Equivalent (FTE).

Gas Utility Fund - The enterprise fund that accounts for the operations of the City-owned gas system. The cost of providing services is financed or recovered through user fees.

General Fund - The primary operating fund which accounts for all revenues and expenditures that are not accounted for in specific purpose funds. It finances the regular day-to-day operations of the City.

General Obligation Bonds - Bonds sold by the City to private investors to provide long-term financing for Capital Project needs. The City pledges its full faith and credit to the repayment of these bonds.

Grant - An amount provided by a governmental unit or other type of organization in aid or support of a particular governmental function or program.

Goals - An organization's aim, desired result(s), or intended outcomes.

Government Finance Officers Association (GFOA) - A professional association of state/provincial and local finance officers in the United States and Canada, and has served the public finance profession since 1906. The association's more than 18,000 members are dedicated to the sound management of government financial resources.

Housing Opportunities for Persons with HIV/AIDS (HOPWA) - Program that provides housing assistance and supportive services for low-income persons with HIV/AIDS and their families.

Human Resources - Department within the City of Richmond that deals with the hiring, administration, and training of personnel.

GLOSSARY OF KEY TERMS

Indirect Costs - Costs that are not directly accountable to a cost object. Some examples are: legal, financial, maintenance and technology services. These shared costs may be apportioned by some systematic and rational allocation methodology.

Initiatives - The projects and activities that drive strategic performance and help to ensure success of the overall Focus Area.

Input Measure - A performance measure that typically identifies the resources used to provide the service or activity.

Internal Service Fund (ISF) - A proprietary fund type used to account for the financing of goods or services provided by one department or agency to other departments or agencies of the City on a cost reimbursement basis.

Logistics - Coordination of the operation of people, facilities, and/or supplies.

Management Information Systems - Information technology functions.

Mayor's Message - A general discussion of the proposed budget presented in writing as a part of the proposed budget document. The budget message explains principal budget issues against the background of financial experience of recent years and presents recommendations.

Mission - The definition of why an organization exists.

Non-Expendable Trust Funds - To account for trusts that stipulate that only earnings, and not principal, may be spent.

Object - A budgetary account representing a specific object of expenditure. Objects are commonly referred to as the "budget detail".

Objective - Action oriented statements of what must be focused on over a continuous basis to achieve the strategic result.

Operating Budget - The City's annual financial plan of the operating expenditures of the general fund, enterprise funds, and internal service funds, as well as the proposed means of financing them. This document is the primary tool by which most financing, acquisition, spending and service delivery activities of a government are planned and controlled.

Ordinance - A formal legislative enactment by the City Council that has the full force and effect of law within the boundaries of the City.

Performance Based Budgeting - A budget formulated by activities and presented by programs (as opposed to organizational units) that integrates results oriented strategic business planning with measurable outcomes for customers, allowing for budget decisions informed by program performance and cost information.

Performance Measures - Specific quantitative or qualitative measures of the work performed within an activity or program. An example of a quantitative measure would be the number of miles of streets cleaned. An example of a qualitative measure would be 75% of customers are satisfied with street cleanliness.

Personnel Services - Compensation for direct labor of persons in the employment of the City; salaries and wages paid to employees for full-time, part-time, and temporary work, including overtime, shift differential, and similar compensation. This account group also includes the portion of employee fringe benefits paid by the City.

Program - A set of activities undertaken in accordance with a plan of action organized to realize one common purpose with an identifiable end result or outcome.

GLOSSARY OF KEY TERMS

Program Outcome Measure - Measures used to capture the performance of programs. They describe the impact of a program, benefits or changes for participants resulting from program activities or the ultimate benefit provided to customers by a program. They address the issue of *why* funding and staff has been provided to the program.

Proposed Budget - The budget formally submitted by the Mayor to the City Council for its consideration. Recommended budget documents are also available to the public.

Proprietary Funds - To account for a government's ongoing organization and activities that are similar to those found in the private sector. There are two types of proprietary funds: enterprise funds and internal service funds.

Public Information/Public Affairs - Print media, social media, marketing, electronic media, FOIA requests, and internal communications.

Reserve for Contingencies - A budgetary account set aside for use by the City Council in dealing with emergencies or unforeseen expenditures.

Revenue - The yield from various sources of income, such as taxes, that the City collects and receives into the treasury for public use.

Service - A service is defined as a specific work function or combination of activities that is performed in support of a department, program, project, or organizational unit.

Service Level Budgets - Service level budgets align the services citizens expect with what the City can afford.

Service Quality Measure - A performance measure that typically shows the effectiveness of the service or activity. The results will show the benefit or impact of the activity to the customers or to the general public.

Sewer Utility Fund - The enterprise fund that accounts for the operations of the City-owned sewer system. The cost of providing services is financed or recovered through user fees.

Special Fund - Fund(s) used to account for the proceeds of specific revenue sources that are legally restricted to expenditures for specified purposes.

Targets - Identify the specific level of performance for each measure.

Transparency - The local government's obligation to share information with citizens.

Undesignated Fund Balance - The portion of unreserved fund balance representing financial resources available to finance expenditures other than those tentatively planned (designated). The City will maintain a Rainy Day/ Unassigned fund balance equal to at least ten percent (10%) of the budgeted General Fund expenditures.

Veto - The Mayor may veto any amendment(s) made by City Council to the Mayor's budget as originally submitted to City Council. The Mayor must indicate his or her intention to veto the amendment(s) within 14 days of the date that City Council takes action on the amendment(s).

Veto Over-Ride - City Council may over-ride the Mayor's veto of budget amendments by means of a two-thirds majority vote. Over-rides must be done within 14 days of receipt of the Mayor's vetoes.

Vision - A statement that is an organization's picture of future success and where it wants to be in the future.

Water Utility Fund - The enterprise fund that accounts for the operations of the City-owned water system. The cost of providing service is financed or recovered through user fees.

Zero-Based Budgeting - A method of budgeting in which all expenses are justified for the new fiscal period.
