

Canoe Run Park Upcoming CSO Project

Richmond's CSO Program Final Plan Project

CITY OF RICHMOND
DEPARTMENT OF
PUBLIC UTILITIES

VIRTUAL MEETING

The City of Richmond invites interested stakeholders to a virtual community meeting to preview the City of Richmond's upcoming work at Canoe Run Park. This is a Combined Sewer Overflow project, and part of the CSO Final Plan work as approved and required by the state.

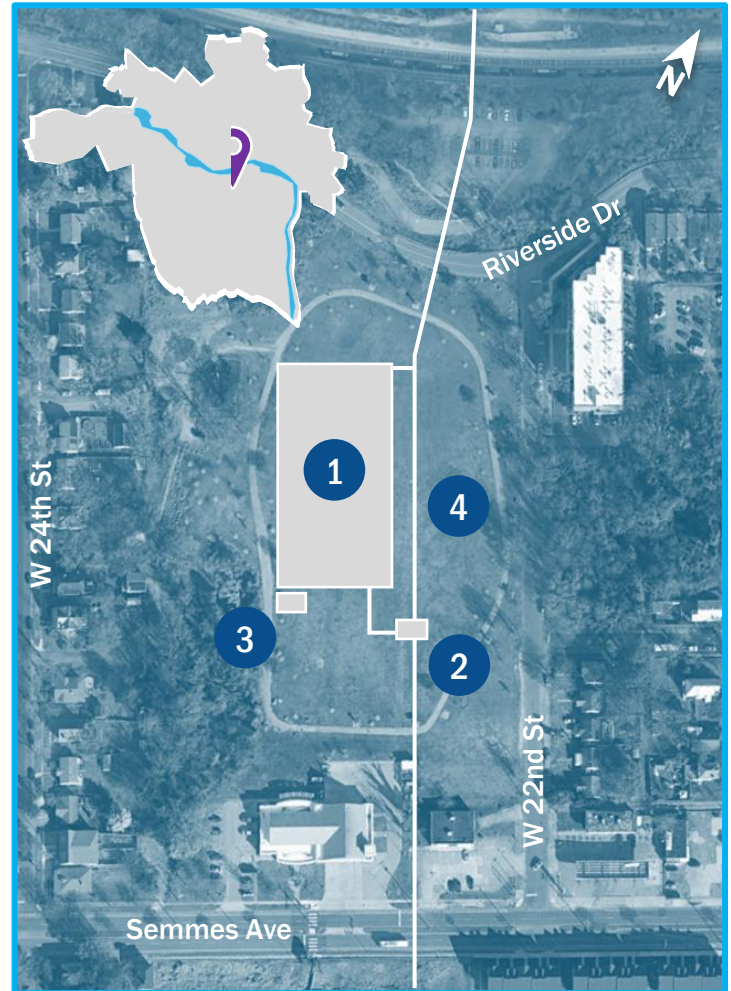

Join in to learn more about how this work will impact you.

Wednesday, July 9
7 pm

Scan the QR code or use the information below to join.

Project Location Map

Major Project Benefits

This project will reduce combined sewer overflow volume to the James River by 83 million gallons annually. This will improve water quality in our river for recreation, commerce and public health.
