

Rehoming Resources:

1. The [Richmond SPCA](#) and [Richmond Animal League](#) both have Rehoming Boards on their websites. You can submit a post of the pet you are looking to rehome, and if anyone is interested in adopting your pet, they will be able to contact you directly. A rehoming fee is recommended to help ensure your pet goes to a good home.
2. [Adopt-a-Pet.com](#) and [Petfinder](#) also both allow you to make an ad for your pet that you are looking to rehome.
3. Facebook has groups called [RVA Pets Rehoming Board](#) and [Animals for Adoption in Virginia](#) where you can make posts. There is also a group called [THE FREE PET FORUM](#) that targets a wider audience.
4. [Home To Home](#) is an online interactive pet placement platform that helps pet owners find new homes (permanent or temporary) for their pets.
