LETTER OF TRANSMITTAL

Thursday, January 15, 2026

The Administration is pleased to present the December Monthly Financial Synopses (MFS) pursuant to City Ordinances 2015-213-207 and 2018-100.

This MFS is intended to provide informative and relevant financial data to City Council. The report includes highlights of the City's financial condition as of December 31, 2025. This financial information includes comparative General Fund revenue and expenditures to date for the period ending on December 31, 2025 and 2024 as comparison to the full fiscal year budget.

It must be noted that the numbers contained in this MFS are unaudited. The MFS will be impacted by timing differences in receipts and payments from the prior fiscal year (PY). As a reminder, the City has a modified 45-day accrual period.

Figure 1 and Table 1 illustrates that as of December 31, 2025, General Fund revenues totaled \$310.9 million, or 28.2%, of the budgeted annual revenue.

Figure 1 and Table 2 indicate that as of December 31, 2025, General Fund expenditures totaled \$445.7 million, or 40.4%, of the budgeted annual expenditures.

Table 3 and Figure 2 provides a summary of encumbrances by area, totaling \$51.7 million.

Figure 3 shows a graphical depiction of the City-wide operating cash and investment balances on a month-to-month basis for the fiscal years 2019 through the reporting period.

Figure 4 and Table 5 display the City's outstanding long term debt as of June 30 for the prior fiscal year (2025) as well as the debt related activity in fiscal year 2025 through the period ending December 31, 2025. Outstanding General Fund supported debt, including debt for school capital projects, remained the same during the period at a balance of approximately \$1.012 billion. However, City-wide debt decreased during the period to an outstanding balance of approximately \$1.968 billion due to a year-end audit recommendation to transfer the 2024 M.O. EDA Infrastructure Bond, totaling \$33,745,000, from the City's books to the EDA's books.

Figure 6 and Table 7 provide the breakdown of delinquent tax figures.

Figures 7 through 9 and Table 8 highlight various economic indicators for the City of Richmond including unemployment statistics, new business licenses, and information on real estate development and transactions. Foreclosure data is no longer available.

We would like to thank all City agencies, departments, and staff for their assistance and cooperation in providing timely and accurate information in support of the preparation of these synopses.

Sincerely,

A handwritten signature in black ink, appearing to read 'Letitia Shelton', is written over a light gray grid background.

Letitia Shelton, Director of Finance

ECONOMIC INDICATORS

FIGURE 7 - UNEMPLOYMENT

• Please note that Figure 7 - Unemployment data is unavailable for the reported period, due to delays in reporting from the federal government shutdown. For the reported period, the most recent local unemployment rate for September-2025 is used.

Note: The unemployment rate only counts those who: 1) Do not have a job; 2) have looked for work in the prior 4 weeks and are currently available for work. Individuals who have not submitted resumes, contacted potential employers, placed job advertisements, etc. in the last 4 weeks are not included as unemployed. Those individuals are instead excluded from the labor force. Discrepancies between the unemployment statistics presented in this monthly synopsis versus historical reports can be attested to the recent standardization of reporting to the Virginia Unemployment Local Area Unemployment Statistics (LAUS) database.
