| <b>PROJECT DESCRIPTION</b> (Include a description of all proposed structures, grading, impacts to RMA/RPA/Floodplain and any proposed BMPS and/or new storm sewer structures) |  |                                         |                                 |

**As the landowner, by signing this RESMP Permit Application I hereby:**

- All projects shall conform to Chapter 14, Article V of the Code of the City of Richmond unless the Permit Issuing Authority has granted a variance in writing.
- Acknowledge that all demolition, clearing, grading, excavating, or construction shall not begin until all Erosion & Sediment controls have been installed **and a pre-construction meeting held.**
- Agree to notify the City at least **two business days in advance** when work commences any demolition, land clearing grading, excavating, or construction.
- **Agree the RESMP permit and the approved plans must be kept on the worksite and shown when requested. Substantial changes, as determined by the City of Richmond, shall not be made to plans except upon submission of supporting documentation by the applicant and approval by the City of Richmond.**
- Agree that I am held responsible for any and all damages to other installations already in place as a result of work covered by this permit.
- Acknowledge that this permit may be revoked whenever, in the opinion of the Director of Public Utilities or their designee, construction adversely affects or presents imminent or substantial danger of causing erosion of lands, sediment deposition within waters of the watershed of the Commonwealth or impacts to water quality, use, safety, or maintenance of the property.
- Acknowledge that upon failure to comply with the permit conditions, notice shall be served by written, electronic, and/or verbal methods per Chapter 14 Article V (Section 14-335) and may result in stop work orders, civil penalties, and/or civil prosecution.
