

Riverfront Plan: Downriver Amendments

January 11, 2017 Public Meeting

Where we are:

- New Downriver since 2011: VA Capital Trail OPEN, demolition of Lehigh Cement silos, Stone Brewing & World Bistro, BRT Pulse Stations, E Riverfront Transportation Improvements
- Public meeting in March 2016 to establish priorities and approaches
- Taking these into account, designers proposed 3 conceptual approaches for public feedback in August 2016
- Today discussing the consensus approach

Next steps:

- Amendment to Riverfront Plan: Must be adopted by the Planning Commission & City Council
- Targeting a late February or March adoption
- Then the project moves into Schematic Design to investigate feasibility of unified concept and refine design elements
